The bid documents for this Bid shall be amended, revised and changed in the following particulars:

The following questions have been submitted by potential bidders and answers have been provided by the Purchasing Department:

Question 1:

Bid states "Winning bidder to have sales representative on site for all fittings, measurements, and corrections". Approximately how often would this occur?

Answer 1:

The number of trips is not a finite number...at least three times a year, possibly more if there is a change in uniforms, employee turnover, fit complaints, etc. The current representative's response time is one day.

Bidders are to sign and include signed **Addendum No. 3** with submitted bid documents.
