Next Regular Meeting Monday, October 25, 2010 Same Time and Place

STATE OF ALABAMA)(
 :
 COUNTY OF BALDWIN)(

The City Council, City of Fairhope, met in regular session at 6:00 p.m., Fairhope Municipal Complex Council Chamber, 161 North Section Street, Fairhope, Alabama 36532, on Monday, 11 October 2010.

Present were Council President Lonnie L. Mixon, Councilmembers: Debbie W. Quinn, Daniel Stankoski, Michael A. Ford, and Rick Kingrea, Mayor Timothy M. Kant, City Attorney Marion E. Wynne, and City Clerk Lisa A. Hanks.

There being a quorum present, Council President Mixon called the meeting to order. The invocation was given by Arthur Bosarge, Assistant Public Works Director, and the Pledge of Allegiance was recited. Council President Mixon asked if there were any corrections to the minutes from the 27 September 2010, regular meeting. He then stated if there are no corrections, the minutes stand approved as written. Council President Mixon then asked if there were any corrections to the minutes from the 27 September 2010, work session. He then stated if there are no corrections, the minutes stand approved as written.

Council President Mixon announced that Sergeant James “Jimmy” Davis was selected as the Attorney General’s Outstanding Law Enforcement of the Year and also will attend the Federal Bureau of Investigation’s National Academy in January 2011.

Councilmember Kingrea addressed the City Council regarding “Where Do We Stand” with the following issues:

- 1) Nichols Street Deck – City Attorney Wynne stated the final hearing is up for a final decision in November and it would be in our interest to not move forward until this decision is made.
- 2) Noise Ordinance – Councilmember Kingrea and Gregg Mims are working on a new policy that is less obstructive.
- 3) Memo regarding Employee Insurance stated the employee would have to pay 15% is incorrect; we have been speaking about the changes for 6 months; the change will not go into effect until October 2011; our first obligation is to the citizens of Fairhope; we decided on employees paying part of their insurance and not lose jobs. Councilmember Kingrea stated that if you could come up with a better idea or better plan please let us know. The City Council is trying to find a way to save as many jobs as possible.

11 October 2010

Mayor Kant addressed the City Council and stated he would be speaking for our employees tonight. This City has always led not followed other Cities. Mayor discussed the following issues:

- 1) Insurance is on everyone's mind and glad we are waiting on a year before enacting. We need to slow down on increasing insurance premiums. The premiums have been steady over the last few years. Co-pays have increased to keep down the premiums. The problem is putting the burden just on family coverage.
- 2) Retirement was for people who actually worked for the City. Let's look at all ages. Medicare A & B should be kept. Mayor Kant explained a situation with a retiree who did not have Medicare A & B and was without insurance for months.
- 3) Dental insurance should be eliminated; and short-term and long-term disability should be looked at for reducing costs. Obama Care will tax insurance benefits next year.
- 4) Trash/Garbage/Recycle items are on the agenda. This is the hardest working crew in the City. Make sure you put out what all these employees do; like after hurricanes, they get you back to normal quickly. Let's work together to show other Cities how to lower the total cost.

Councilmember Quinn addressed the City Council and asked about the status of the Trash RFP and the boom the City declared as surplus. Jennifer Fidler, Public Works Director, replied to the Trash RFP and said this was being included in the new bid if approved tonight. We were working on the specifications for the RFP. City Administrator Gregg Mims responded to the boom question and said the boom was still in our inventory and the balance of the BP monies is still in our account until we get an official response. Councilmember Quinn also stated that she and Mr. Mims have been meeting with the County on the Booth/Bishop Road expansion; and mentioned the oak tree would not be cut. They are also working with the State of Alabama and Single Tax for possible funding for a sidewalk on Volanta Avenue: Section Street to the 4-Lane. Councilmember Quinn also commented that she would be out of town for the next meeting.

Councilmember Stankoski addressed the City Council and stated Mayor Kant when you returned from Washington you commented how wonderful the other Mayors were with outsourcing of garbage and recycling. He also asked about the status of the cast iron pipe project in the Fruit and Nut section.

Council President Mixon stated that 33.8 percent of the total budget was for salaries and benefits which is approximately \$17,000,000.

11 October 2010

Colonel Tipp, the 302nd Battalion Commander, 3rd Infantry Brigade, addressed the City Council and gave a brief overview about the Alabama State Defense Force. This is an all volunteer uniformed State Guard Reserve created by state law to assume state military missions in the event of full or partial mobilization of the Alabama National Guard. The Alabama State Defense Force supports the Alabama National Guard and local EMA in natural disasters. During local emergencies and community events, the Alabama State Defense Force helps with traffic and crowd control, search and rescue, and shelter management. Lieutenant Jablecki also represented the Alabama State Defense Force.

Charles Durgin, City of Fairhope employee who works at the Fairhope-Point Clear Rotary Club, addressed the City Council and thanked the Mayor and Council for supporting the youth club. He said the club is now serving an average of 63 kids per day after school. We have a homework project which is going great and also involves the whole family. We have a great outreach program; and are looking for the community to become involved. Councilmember Kingrea stated that Mr. Durgin has done a great job and increased participants by over 100 percent. The club needs volunteers to help with the kids and it is worth a trip to visit the facility located at 19128 Young Street.

Council President Mixon announced that Item #8 has been pulled per the request of Chief of Police Press.

Councilmember Stankoski moved to appoint Carson Nicolson, John "Cecil" Christenberry, and Molly Peterson to the Fairhope Library Board, for a 4-year term. The term shall end October 2014. Seconded by Councilmember Ford, motion passed unanimously by voice vote.

Dotson Brown, P. O. Box 24, Fairhope, Alabama, addressed the City Council and stated that he has been with the City for 25 years. Mr. Brown said three years ago we were told no overtime which was fine; no big deal. We still have clean-up and special events. Then we were told no merit raise, so the guys who work above and beyond receive nothing. The cost of living raise was stopped. Employees come to the City of Fairhope for the benefits; and the south end of the warehouse many of the employees make \$30,000 per year. They are living on a shoe-string budget. \$90 to \$100 dollars does not seem much, but when you are on a shoe-string budget it hurts. When we outsource garbage, trash, and recycle, 15 guys will lose their jobs. We can tell you how to cut corners, so come see us Thursday mornings.

Gary Gover, 300 Lincoln Street, addressed the City Council regarding bid for solid waste, trash, and recycling. He said this is a joint operation with the City and County. The County is looking to have an automated recycling center which would have a significant impact of both City and County. When you prepare the RFP, we need to keep options open for benefits for the City in the future.

11 October 2010

Councilmember Stankoski introduced in writing, and moved for the adoption of the following resolution, a resolution authorizing Mayor Kant to execute a contract between the City of Fairhope and Thomas Hospital for the use of City facilities and resources. The motion was seconded by Councilmember Quinn.

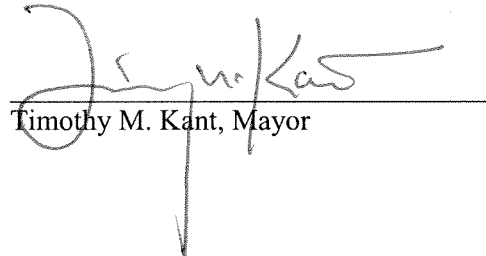

RESOLUTION NO. 1708-10

WHEREAS, Thomas Hospital serves a public purpose and the publicity that the Thomas Hospital gives the City of Fairhope is a public service; and,

WHEREAS, We, Thomas Hospital, agree to work with the Mayor, and /or his agent(s), to promote the City of Fairhope and to contribute time, employees, and other resources putting on health related programs, meetings and programs affiliated with Thomas Hospital, throughout the year in the Fairhope community, schools or at the hospital facilities. Many events, schools, and Fairhope programs are sponsored by Thomas Hospital. The Thomas Hospital Auxiliary provides hours of service to the hospital that benefit Fairhope citizens; and

BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF FAIRHOPE, ALABAMA, that Mayor Timothy M. Kant is hereby authorized to execute contract between the City of Fairhope and Thomas Hospital for use of the City facilities depending on availability and permission from the Rental Facilities Manager; and resources including personnel, but not security after normal business hours.

ADOPTED this 11th day of October, 2010

 Timothy M. Kant, Mayor

 Lisa A. Hanks, City Clerk

Councilmember Quinn then moved to amend the resolution by deleting the word “publicity” and adding “health education.” The motion failed for lack of a second.

After further discussion, Council President Mixon stated we have a motion and a second for the resolution as introduced, motion passed unanimously by voice vote.

11 October 2010

Councilmember Kingrea introduced in writing, and moved for the adoption of a resolution that the City Administration has authorization to develop and issue a Request for Qualifications (“RFQ”) for a study with recommendations to modernize and improve all existing utility services, equipment, and plants; existing roads; and any and all other infrastructure needs of the City of Fairhope. The company/entity that performs this study will not be allowed to bid and/or perform any of the work recommended for the study. The motion was seconded by Councilmember Stankoski.

Councilmember Ford stated we want to spend money for a study and Dotson Brown said their people know the infrastructure. The person will prepare the report and get the money, but we should give to the employees. Councilmember Stankoski stated he would not suggest we do all of these, but prioritize and do one at a time. It would be a lot of money, so we should do possibly one or two of the utilities. Councilmember Quinn stated she agreed with Councilmember Stankoski. She said Water and Sewer seems the most important; and the last sentence needs changing design and construction. Councilmember Kingrea said we spoke about putting a two to five million dollar band-aid on the Water and Sewer Plant. Our guys cannot prioritize this; and we need a comprehensive strategic plan that sets out priorities and allows us to set these in motion. He said this needs to be totally independent and they can prioritize projects. This would be a plan to approach the projects. Councilmember Kingrea asked; would it be more to do the study or to band-aid fix our infrastructure. Mayor Kant stated Dan McCrory, Water and Sewer Department Superintendent, wrote a letter regarding the sewer issues that are mandated to be corrected. The water line and water tank needs to be addressed.

Council President Mixon suggested the City Council authorize an RFQ for the Water and Sewer and put the rest over for future discussion. Mayor Kant commented that ADEM has put us on notice.

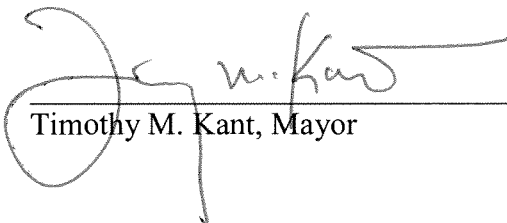

After further discussion, Councilmember Quinn moved to amend the proposed resolution by changing “utility services” to Water and Sewer services,” deleting “existing roads; and any and all other infrastructure needs of the City of Fairhope,” and changing “of the work” to “design and construction.” The motion was seconded by Councilmember Stankoski. Council Mixon asked City Clerk Lisa Hanks to read the amended resolution which she did: that the City Administration has authorization to develop and issue a Request for Qualifications (“RFQ”) for a study with recommendations to modernize and improve all existing Water and Sewer services, equipment, and plants. The company/entity that performs this study will not be allowed to bid and/or perform any of the design and construction recommended for the study. The following resolution as amended passed by the following voice votes: AYE – Quinn, Stankoski, Mixon, and Kingrea. NAY – Ford.

11 October 2010

RESOLUTION NO. 1709-10

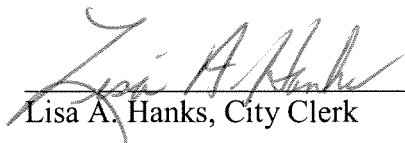

BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF FAIRHOPE, ALABAMA, that the City Administration has authorization to develop and issue a Request for Qualifications (“RFQ”) for a study with recommendations to modernize and improve all existing Water & Sewer services, equipment, and plants. The company/entity that performs this study will not be allowed to bid and/or perform any design or construction recommended for the study.

Councilmember Kingrea introduced in writing, and moved for the adoption of a resolution that any lawsuits or legal actions in which a City Official (Mayor, City Councilmember, or City employee) is named as a party, that party is precluded from participating in selecting legal counsel for the City. In any lawsuit where more than a majority of Councilmembers and the Mayor are named individually, or the Mayor is a named party, the City Attorney will name the counsel for the City subject to approval by a majority of those Councilmembers not named as parties. The motion failed for lack of a second.

Councilmember Kingrea introduced in writing, and moved for the adoption of the following resolution, a resolution rejecting all bids for Solid Waste Collection and Disposal for the Public Works Department (Bid Number 025-10). The motion was seconded by Councilmember Stankoski and then commented if we want all of these services all together then the bids need to be turned down. Councilmember Ford stated the reason for rejecting the bids is because the City was lower. Councilmember Kingrea replied that the City played with the bids after accepted. Councilmember Quinn said the Mayor came back from his trip and proposed this RFP. After further discussion, the motion for the following resolution passed by the following voice votes: AYE – Stankoski, Mixon, Ford, and Kingrea. NAY - Quinn.

11 October 2010

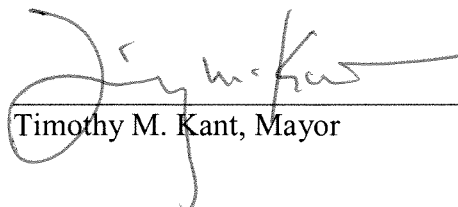

RESOLUTION NO. 1710-10

BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF FAIRHOPE, ALABAMA, as follows:

[1] That the City of Fairhope did request, receive, and open bids for Solid Waste Collection and Disposal for the Public Works Department (Bid Number 025-10) at 555 South Section Street in the City of Fairhope offices, Fairhope, Alabama.

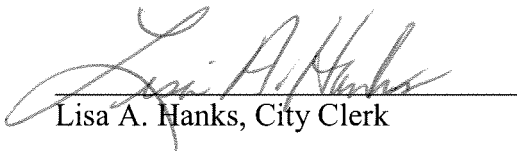

[2] That the Governing Body of the City of Fairhope, Alabama, hereby rejects all bids for Bid No. 025-10 for the Public Works Department.

Councilmember Kingrea introduced in writing, and moved for the adoption of a resolution That the City Administration has authorization to develop and issue a new Bid for Collection and Disposal Services of Solid Waste, Trash, and Recycling; inclusive of residential and commercial; collection and disposal of solid waste and trash in City parks; and clean up of the City's streets after all parades and special events as needed. The motion was seconded by Councilmember Stankoski and then commented that it does not hurt to look into it. Competition is good. Councilmember Ford stated that after hurricanes the workers went to work immediately. He said this is a big concern about outsourcing. Employees work for citizens and we had an experience a few years ago regarding outsourcing. The City came back to the employees.

City Administrator Gregg Mims addressed the City Council and state Department Heads usually sit respectful. While at the National League of Cities, Jennifer Fidler, Public Works Director, sent Ken Eslava, Assistant Public Works Director, an e-mail that Mayor Kant wanted to go out on an RFP for outsourcing. Mr. Mims stated that he and James Gillespie several times asked Ms. Fidler to come back with ideas to help save on cost.

11 October 2010

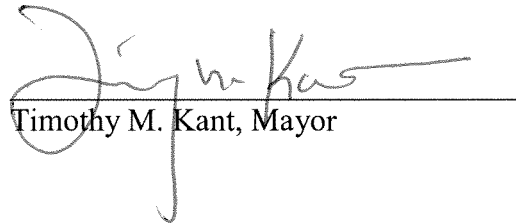

Jennifer Fidler addressed the City Council and stated Mr. Mims was incorrect and the Public Works Study Group is where this idea came from. She once again stated this is not correct and appealed to the City Council. She said this was not appreciated.

After further discussion, the motion for the following resolution passed by the following voice votes: AYE – Quinn, Stankoski, Mixon, and Kingrea. NAY – Ford.

RESOLUTION NO. 1711-10

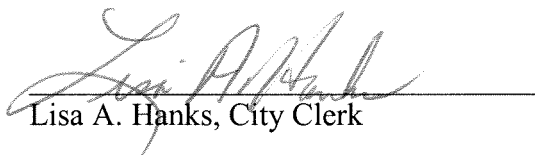

BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF FAIRHOPE, ALABAMA, that the City Administration has authorization to develop and issue a new Bid for Collection and Disposal Services of Solid Waste, Trash, and Recycling; inclusive of residential and commercial; collection and disposal of solid waste and trash in City parks; and clean up of the City's streets after all parades and special events as needed.
