

## Ghin Handicap Update

The Ghin Handicap system installation date has been changed to February 1<sup>st</sup> due to conversion issues at Ghin.

Please save any scores you wish to post for January so you can post them in February.

You will have a new 6 digit handicap number but you can post scores using your name. You will be able to post scores at any computer and also on your cell phone as Ghin has a mobile app that you can download. You will also be able to post scores at the Quail Creek handicap computer.

If you have a Ghin handicap number already, please send me your name and Ghin number so it can be added to our system.

If you have a Ghin number from a state other than Alabama then you will have to pay \$25 to get into the Alabama system.

We will send out instructions on how to use the Ghin Handicap system before February 1<sup>st</sup>.

Thank you for your patience during this conversion.
