Position Description

This position is responsible for ensuring that fire and life safety codes and provisions are inspected and enforced in all commercial applicable residential buildings in Fairhope. This includes performing periodic site inspections, providing written compliance reports, and performing any necessary follow-up inspections and systems tests.

General nature/purpose of work:

Minimum Qualification Standards (Additional qualification standards are found on the job description.)

Knowledge, skills and abilities:

- The principles, practices and techniques of fire prevention;
- Good knowledge of the laws, codes, ordinances and regulations related to fire prevention and enforcement; knowledge of building materials, construction and the principles of combustion;
- Knowledge of principles and practices used in fire and arson investigations;
- Knowledge of building extinguishing and alarm systems;
- Knowledge of the proper storage and handling of explosives and flammables;
- Knowledge of the legal processes involved in collecting evidence, preparing cases and prosecuting violators of fire laws;
- Knowledge of business English including spelling, grammar, vocabulary and report writing standards; methods of performing basic arithmetic operations.

Education, experience and training:

- An Associate of Arts/Science Degree or equivalent from an accredited college or University,
- High School Diploma and an appropriate combinations of education and experience that tend to indicate an applicant possesses the skills, knowledge, and abilities listed herein.
- Must have, or obtain within one year of employment, certification as a Fire Inspector through either the International Code Council (ICC), or National Fire Protection Association (NFPA). Employees in this classification are required to maintain certification as a condition of employment.
- The successful candidate must obtain certification within three (3) years of employment or appointment. The successful candidate must be capable of attending other training opportunities that are intended to maintain a desired high level of skill and knowledge.

Valid Alabama driver's license

Ability to be insured by City vehicle insurance carrier
