The Nix Center has a brick paver program similar to the one in downtown Fairhope. The program is designed to honor or memorialize friends or

family members by placing a 12x12 limestone paver at the entrance of the Nix Center. The bricks can have up to six lines of text with 17

characters on each line. Each brick costs \$100 and will arrive up to three months after ordering. If you have any additional questions, stop by the front desk.

## DAILY DONATIONS

Just a reminder to please donate to our refreshments fund when you are enjoying the coffee, cookies and many other refreshments we serve around the center. These donations are what we use to purchase the snacks and coffee you are served at the center everyday. Thank you for your ongoing support of the Nix Center and our programs.
