Bid No. 017-18 Walking Floor Garbage Trailer for Sanitation Dept

The following questions have been submitted by potential bidders and answers have been provided by the Vehicle Maintenance Manager, Tim Bung

Question 1: Trying to track the serial number #8547. That is not a good serial number according to their record keeping? Can you have someone take a picture of the serial tag on the actual drive unit that operates the floor, and forward it to us so we can identify the floor you would like to "match" to as in your bid spec. This would help us to ensure we quote you the proper floor system.

Answer 1: The correct serial number is **48XAR4522D1008547**

Bidders are to print, sign and include signed **Addendum No.1** with submitted bid documents.
