

ADDENDUM 2
CITY OF FAIRHOPE

Bid 004-20 Fiber Optics Internet Services

QUESTION 1: On page 11 Section 1.4 it is started that The Bidder must have “personally inspected the site.” Does this mean that the signatory must perform a site survey before submitting a bid without use of another contractor or proxy?

ANSWER 1: The survey to address 107 North Section can be viewed via online maps. If they are positive they can enter the building with fiber there is no need for them to come visually inspect.

Bidders are to sign and include signed **Addendum 2** with submitted bid documents.
