

special lighting) that are generally not billed under section 21-21, rates—regular service. The additional facilities charge shall be rendered monthly and shall appear on the customer's bill as "AFC Rider." The additional facilities charge shall be computed by applying a factor of one and one-half (1.5) percent to the original installed cost of the additional facilities serving the customer, illustrated as follows:

$$\text{Additional Facilities Charge} = .015 \times \text{Installed Cost}$$

The installed cost of facilities shall include the cost of materials and equipment, labor costs, contractor mark-ups (when applicable), taxes and applicable city overhead charges.
