

Listed below are the mandated precautions in place for all golfers at Quail Creek golf course;

All golf carts are cleaned and sanitized before and after use by any player.

All rakes have been removed from all sand traps.

No more than ten people at any one time in the Quail Creek Grill.

Limit of two people at any time in the Quail Creek pro shop.

Six foot social distancing inside the pro shop , grill and the back patio area.

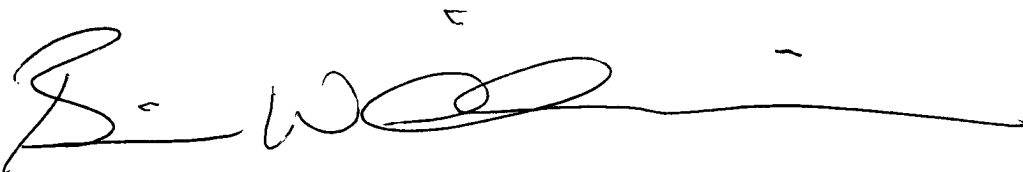

All players are NOT to hold or pull the flag sticks while putting or to retrieve their ball after putting.

In addition, as a result of the state mandate effective July 16th, there are new rules concerning the use of facial masks.

Any individual entering the pro shop or the grill MUST wear a facial mask. If you are riding two persons to a cart, you must wear a facial mask while riding or sitting in the cart. You may remove the mask when attempting you golf shot.

The six foot distancing mandate remains in effect and should be followed at all times, both inside the building and on the golf course grounds.

All players are required to follow this mandate in order to be in compliance with the state of Alabama rules and guidelines stated by the Governor affective July 17,2020.
