**All prize money on book must be spent by this date.**

**For custom orders, we have only forty days to special order and receive merchandise. Most orders are running 30 to 60 days before receiving due to companies understaffing because of corona virus.**

**If you plan on any custom orders, please see Olin as soon as possible as we have a short time frame to complete and receive your order.**

**In addition, all prize money won as of September1st will be held over and placed on your book the first week of October.**
