

QUAIL CREEK GOLF COURSE RULES AND REGULATIONS

ANNUAL GOLF PASSES ELIGIBILITY

Individual and Couples Annual Passes are available to the public. By completing the application form Pass Holders agree to abide by all terms, policies and conditions contained herein.

ANNUAL PASS TRANSFERS AND REVOCATIONS

Annual Pass benefits are for the Annual Pass holder, spouse, and children exclusively; they may not be sold, transferred, assigned, or extended in any manner. The City of Fairhope reserves the right to revoke an Annual Pass if the pass holder violates terms, policies or conditions associated with the privilege of being a Pass Holder or is unable to conduct themselves according to the Rules and Guidelines below. Any fees paid are not refundable.

TEE TIME RESERVATIONS AND CANCELATIONS

Tee times may be reserved up to seven (7) days in advance. Tee times are available Monday through Sunday. Quail Creek reserves the right to promote corporate, social, and fundraising outings/golf tournaments, therefore, tee times may be restricted according to the times of such outside events.

GOLF LEAGUES, ASSOCIATIONS AND DAILY PLAY SCHEDULING

Tournaments, golf outings, and organized play will be scheduled by the Golf Professional and pro shop staff only. A yearly calendar is kept and posted in the pro shop and on the City's website. Please see the pro shop personnel for scheduling. Walking is not permitted during "league" play, tournaments, and outings.

SPEED OF PLAY

The golf course should be played in a maximum of four hours for 18 holes. It is the responsibility of each group to be observant of its position on the golf course and to keep pace with the group ahead. Allow faster groups to play through. Always play "ready golf." Foursomes take precedence on the course.

RAIN POLICY

If the golf course is closed due to inclement weather while you are playing, a "rain check" will be issued by the pro shop staff in a dollar amount equivalent to the number of un-played holes. The player's receipt for cart rental and greens fee will be required to redeem the "rain check."

SMOKING / VAPING

The City of Fairhope has a smoking ordinance. Smoking is not permitted in city-owned buildings. Therefore, no smoking is allowed in any room in the clubhouse. Smoking is permitted on the back patio

in designated areas. Smoking is permitted on the course, and cigarette or cigar butts must be disposed of properly. Throwing of cigarette or cigar butts on the course is subject to littering laws and penalties.

FISHING, SWIMMING AND WALKING ON GOLF COURSE PROPERTY

The City of Fairhope has an ordinance that prohibits fishing and swimming in ponds located on the Quail Creek Golf Course property. Casual walking or walking for exercise when not golfing also is not permitted by City ordinance. The ordinance provides for prosecuting anyone involved in such activities as trespassers.

JUNIOR GOLFERS

Quail Creek wants to grow the game of golf by bringing young players into the game. To do that, certain rules apply to junior golfers specifically for their safety and enjoyment of the game: Juniors between the ages of 6 and 11 years must be accompanied by at least one adult in the group playing. Junior golfers must have their own set of clubs. Junior golfers must keep pace on the course and allow faster groups to play through. Junior golfers are encouraged to sign up for Junior Clinics so that they can improve their game and learn more about the rules of golf. Private junior lessons are available by appointment.

QUAIL CREEK GOLF COURSE LOCAL RULES OF PLAY, POLICIES AND PROCEDURES

- The USGA Rules of Golf and the following Quail Creek local rules, policies and procedures will govern play. No play is allowed on the course or any portion thereof which has been closed for any reason by the Golf Professional, Superintendent, or their designee.
- Non-golfers are not allowed on the course at any time. If a golfer requires special assistance or if a parent must accompany a younger child, pre-approval must be obtained from the pro shop personnel.
- Children under the age of six (6) years are prohibited on the course. Only a golfer with a valid driver's license is permitted to operate a golf cart. Children are prohibited from driving golf carts even if accompanied by an adult.
- A maximum of two riders and two bags per golf cart is permitted. For the protection of the golf course, the "90-degree rule" applies at all times unless restricted to "cart paths only" due to abnormal conditions.
- During peak periods of play, holidays and weekends, a non-playing "rider" in a golf cart is subject to the applicable fee for 9 holes or 18 holes. Those seen to be abusing the use of the golf carts and the rules governing the use of carts will be removed from the course immediately.
- All golfers will receive a receipt for their daily fee and must show this receipt to the starter prior to teeing off. Pass holders must get a receipt at the golf shop. Play will originate from the #1 tee unless otherwise directed by the pro shop staff.
- Groups of more than four persons are not allowed on the course unless express permission is received from the golf shop staff. If a fivesome slows play on the course, it will be requested to (a) let others play through or (b) be broken up for the remainder of the round.
- Failure to follow the marshal's directions will result in removal from the course with no refund of fees paid to play.
- Cut-off shorts, gym shorts, tank tops, halter tops, swim wear, short shorts, or shirts with offensive/profane graffiti are not permitted on the course. Metal spikes are not permitted. Soft
