**RESPONSE FORM rev1**

**BID 018-21 CITY-WIDE CONCRETE WORK FOR SIDEWALKS, CURBING ADA RAMPS, INLETS, AND STRUCTURES**

Each supplier should use the Response Form provided for their bid. Exceptions to the bid specifications are to be attached to the back of the Response Form.

**Bid Duration:** **One (1) year** from signing date of Contract, **with the option to renew bid** or contract for up to two (2) additional years if terms and conditions, including pricing remain the same, and both parties are in agreement to renewing the bid or contract.

**Unit Price Per Item**

All items below shall be in accordance with applicable portions of Division 500 and Division 600 of the Alabama Department of Transportation Standard Specifications for Highway Construction, 2018 Edition, and any ALDOT Special Provisions which may supersede this publication.

All Bid Unit Prices shall include mobilization, labor, materials, and equipment used to complete the tasks.

*As an annual bid/contract, it is the intent of the City of Fairhope institute work on an “as needed” basis. To ensure a competitive bid price, the below pricing shall be based on a minimum of 5 CY (cubic yards) of concrete placed within a subset of projects. Meaning, the City will not engage the Contractor for a subset projects until such time that the volume of concrete work exceeds 5 CY. A subset of projects (combination of sidewalks, ramps, minor structures, curbing and tops) shall not be spread throughout an area greater than a 1/2 mile radius. If the City requires concrete work for a subset of projects that does not meet the 5 CY minimum, then it shall pay the additional Mobilization cost proposed below.*
