

**CITY OF FAIRHOPE
CITY COUNCIL WORK SESSION AGENDA**

MONDAY, 14 JUNE 2021 – 4:30 P.M. – COUNCIL CHAMBER

1. Discussion of Replacement of a 90-Ton Chiller at the Fairhope Public Library – George Ladd (Assistant Public Works Director)
2. Discussion of the Second Floor Buildout for the Fairhope Public Library
3. Committee Updates
4. Department Head Updates

**City Council Agenda Meeting - 5:30 p.m.
on Monday, June 14, 2021 – Council Chambers**

Next Regular Meeting – June 28, 2021 - Same Time and Place

Proposal

TO: City of Fairhope
501 Fairhope Ave.
Fairhope, AL

Date: June 4, 2021
Project: Fairhope Public Library Chiller
Change Out

Richard Johnson

Executive Summary:

Johnson Controls is pleased to have the opportunity to propose this project. Johnson Controls was asked to provide a turn-key solution for replacing an existing 90 ton Trane Air Cooled Chiller. The existing chiller is having issues with the coil being in poor condition and the compressors failing. This is leading to high head pressure which causes the chiller to shut down and not perform to its capabilities and creates higher repair cost.

The new York or Trane chiller will have separate controls built into them. However, in the near future, it is our recommendation to upgrade the controls on the overall library for an overall view of the HVAC equipment at the library and potentially the whole city. **The controls upgrade with remote monitoring capability would allow a Johnson Controls certified technician to diagnose and view any alarms directly from their smartphone device. This would drastically eliminate or reduce any down time on any equipment.**

Using the buying influence, NCPA, we propose this project with two different prices based on which chiller is chosen by the customer to install. This presents two options between a York 90T Air

Cooled Chiller, and a Trane 90T Air Cooled Chiller. Both options are like for like replacements but the York chiller would require a little more piping. The NCPA contract number can be given at the time of award.

Scope of Work:

Johnson Controls will execute this project during the week at normal labor rates. Johnson

Controls will provide the following materials and execute the following:

- 90T Air Cooled York Chiller, 90T Air Cooled Trane Chiller- Options given for customer preference- **All chiller options are high efficiency and with coated coils. Also, chillers are all priced with 10 year parts and labor warranty.**
- Crane with spreader bar for hoisting and rigging
- Piping for new chiller
- Butterfly Valves
- Insulation of new chiller piping

Electrical connections are expected to be like for like, therefore there is no cost built in for an electrician. If, connections are not like for like and an electrician is required, Johnson Controls will contract this trade with a change order.

The existing controls to the existing chiller will function with the new chiller. A chiller upgrade is recommended at a different cost or project. A controls upgrade with remote monitoring would give Johnson Controls the ability to diagnose and view the chillers using their smart device. **The technician could view any alarms and prepare for any necessary repairs prior to making a site visit.**

Project Pricing:

- **Option 1: 90T York Air Cooled Chiller- \$88,125.25**
 - **Model- YLAA0092**
 - **Priced with Louvered Panels and Isolation Valves**
 - **10 Year Warranty on Parts and Labor**
 - **Refrigerant Warrant Included- 18 Months**
 - **MCHX Warranty: 66 Months (5 Year) (Parts Only)**
 - **BACnet Connectivity**

- **Option 2: 90T Trane Air Cooled Chiller- \$131,565.51**
 - **Model- CGAM90**
 - **Priced with Louvered Panels and Isolation Valves**
 - **10 Year Warranty on Parts and Labor**
 - **1 Year Refrigerant Warrant**

Notes:

Certified in accordance with the AHRI Air-Cooled Water-Chilling Packages Using Vapor Compression Cycle Certification Program, which is based on AHRI Standard 550/590 (I-P) and AHRI Standard 551/591 (SI). Certified units may be found in the AHRI Directory at www.ahridirectory.org. Auxiliary components included in total kW - Oil heaters, Chiller controls. Auxiliary power is already included in the compressor and fan power

ASHRAE Standard 90.1-2010 and ASHRAE Standard 90.1-2013 & 2016 Compliant.

Compliant with the requirements of the LEED Energy and Atmosphere Enhanced Refrigerant Management Credit (EAc4).

Design Conditions Datasheet

Part Load Rating Data				
Stage	Ambient (°F)	Capacity (ton.R)	Total kW	Unit Efficiency (Btu/W·h)
1	95.0	85.71	93.70	10.98
2	87.4	74.86	70.12	12.81
3	78.9	62.68	51.13	14.71
4	69.1	48.73	34.39	17.00
5	58.3	33.25	19.99	19.96
6	55.0	16.29	9.402	20.79

Sound Power Levels (In Accordance with AHRI 370)										
Stage	Ambient (°F)	63 Hz (dB)	125 Hz (dB)	250 Hz (dB)	500 Hz (dB)	1 kHz (dB)	2 kHz (dB)	4 kHz (dB)	8 kHz (dB)	LWA
1	95.0	98	97	93	93	89	88	83	79	95
2	87.4	97	96	92	92	88	87	82	78	94
3	78.9	96	95	91	91	87	86	81	77	93
4	69.1	95	94	90	90	86	84	80	76	92
5	58.3	93	92	88	88	84	83	78	74	90
6	55.0	90	89	85	85	81	80	75	71	87

Note: Unit is equipped with Low Sound Fans.

Measurement of sound pressure used to obtain the sound power data presented is based on AHRI-370.

Air-cooled chillers are rated in terms of sound power not sound pressure. Johnson Controls provides estimates of sound pressure, but this is not the rating metric.

For an air-cooled chiller, sound pressure calculated from sound power varies depending on how the chiller is assumed to behave, i.e. the radiation model. In other words, determining sound pressure from sound power requires making assumptions that result in different answers at a given distance from the chiller. The environment also influences sound pressure in the field installation. Sound pressure estimation radiation models pertaining to air-cooled chillers include the 'traditional' hemispherical model, parallelepiped model and equivalent hemispherical model.

Regarding sound power, Johnson Controls references tolerance limits based on ASHRAE guidelines. These are +/- 6dB in the 63Hz octave band, +/- 4dB in all other octave bands and +/- 3dB for the overall dBA.

Tolerance limits are based on uncertainties associated with:

1. Measurement Test Procedure
2. Repeatability
3. Production / Manufacturing Variability

Standard deviation associated with air-cooled chiller sound data is a measure of spread i.e. it indicates the range of probability of sound levels. Note that for operating conditions other than AHRI's Standard Rating Condition, higher levels of uncertainty can be expected.

Lead times for factory performance testing depend on test laboratory availability. Please confirm with Johnson Controls Customer Service.

Performance at AHRI Conditions					
Evaporator Data		Condenser Data		Performance Data

TERMS AND CONDITIONS

By accepting this proposal, Purchaser agrees to be bound by the following terms and conditions:

1. **SCOPE OF WORK.** This proposal is based upon the use of straight time labor only. Plastering, patching and painting are excluded. "In-line" duct and piping devices, including, but not limited to, valves, dampers, humidifiers, wells, taps, flow meters, orifices, etc., if required hereunder to be furnished by Johnson Controls, Inc. (hereinafter referred to as JCI), shall be distributed and installed by others under JCI's supervision but at no additional cost to JCI. Purchaser agrees to provide JCI with required field utilities (electricity, toilets, drinking water, project hoist, elevator service, etc.) without charge. JCI agrees to keep the job site clean of debris arising out of its own operations. Purchaser shall not back charge JCI for any costs or expenses without JCI's written consent unless specifically noted in the statement of the scope of work or services undertaken by JCI under this agreement, JCI's obligations under this agreement expressly exclude any work or service of any nature associated or connected with the identification, abatement, clean up, control, removal, or disposal of environment Hazards or dangerous substances, to include but not be limited to asbestos or PCSs, discovered in or on the premises. Any language or provision of the agreement elsewhere contained which may authorize or empower the Purchaser to change, modify, or alter the scope of work or services to be performed by JCI shall not operate to compel JCI to perform any work relating to Hazards without JCI's express written consent.
2. **INVOICING && PAYMENTS.** JCI may invoice Purchaser monthly for all materials delivered to the job site or to an off-site storage facility and for all work performed on-site and off-site. Ten percent (10%) of the contract price is for engineering, drafting and other mobilization costs incurred prior to installation. This 10% shall be included in JCI's initial invoice. Purchaser agrees to pay JCI the amount invoiced upon receipt of the invoice. Waivers of lien will be furnished upon request as the work progresses to the extent payments are received. If JCI's invoice is not paid within 30 days of its issuance, it is delinquent.
3. **MATERIALS.** If the materials or equipment included in this proposal become temporarily or permanently unavailable for reasons beyond the control and without the fault of JCI, then in the case of such temporary unavailability, the time for performance of the work shall be extended to the extent thereof, and in the case of permanent unavailability, JCI shall (a) be excused from furnishing said materials or equipment, and (b) be reimbursed for the difference between the cost of the materials or equipment permanently unavailable and the cost of a reasonably available substitute therefore.
4. **WARRANTY.** JCI warrants that the equipment manufactured by it shall be free from defects in material and workmanship arising from normal usage for a period of ninety (90) days from delivery of said equipment, or if installed by JCI, for a period of ninety (90) days from installation. JCI warrants that for equipment furnished and/or installed but not manufactured by JCI, JCI will extend the same warranty terms and conditions which JCI receives from the manufacturer of said equipment. For equipment installed by JCI, if Purchaser provides written notice to JCI of any such defect within thirty (30) days after the appearance or discovery of such defect, JCI shall, at its option, repair or replace the defective equipment. For equipment not installed by JCI, if Purchaser returns the defective equipment to JCI within thirty (30) days after appearance or discovery of such defect, JCI shall, at its option, repair or replace the defective equipment and return said equipment to Purchaser. All transportation charges incurred in connection with the warranty for equipment not installed by JCI shall be borne by Purchaser. These warranties do not extend to any equipment which has been repaired by others, abused, altered or misused, or which has not been properly and reasonably maintained. THESE WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THOSE OF MERCHANTABILITY AND FITNESS FOR A SPECIFIC PURPOSE
5. **LIABILITY.** JCI shall not be liable for any special, indirect or consequential damages arising in any manner from the equipment or material furnished or the work performed pursuant to this agreement.
6. **TAXES.** The price of this proposal does not include duties, sales, use, excise, or other similar taxes, unless required by federal, state or local law. In addition to the stated price, purchaser shall pay all taxes not legally required to be paid by JCI or, alternatively, shall provide JCI with acceptable tax exemption certificates. JCI shall provide Purchaser with any tax payment certificate upon request and after completion and acceptance of the work.
7. **DELAYS.** JCI shall not be liable for any delay in the performance of the work resulting from or attributed to acts or circumstances beyond JCI's control, including, but not limited to, acts of God, fire, riots, labor disputes, conditions of the premises, acts or omissions of the Purchaser, Owner or other Contractors or delays caused by suppliers or subcontractors of JCI, etc.
8. **SCHEDULE.** JCI and Purchaser shall mutually agree upon a schedule for completion of the work. In the event Purchaser desires to change or accelerate the schedule or the schedule is otherwise accelerated, delayed, or impacted for reasons beyond the control of JCI, JCI shall be entitled to a change order equitably adjusting the compensation of JCI to account for the increased costs associated with such schedule changes.
9. **DISPUTES.** All disputes involving more than \$15,000 shall be resolved by arbitration in accordance with the rules of the American Arbitration Association. The prevailing party shall recover all legal costs and attorney's fees incurred as a result. Nothing here shall limit any rights under construction lien laws.
10. **INSURANCE.** Insurance coverage in excess of JCI's standard limits will be furnished when requested and required. No credit will be given or premium paid by JCI for insurance afforded by others.

11. INDEMNITY. The Parties hereto agree to indemnify each other from any and all liabilities, claims, expenses, losses or damages, including attorneys' fees, which may arise in connection with the execution of the work herein specified and which are caused, in whole or in part, by the negligent act or omission of the Indemnifying Party.

12. OCCUPATIONAL SAFETY AND HEALTH. The Parties hereto agree to notify each other immediately upon becoming aware of an inspection under, or any alleged violation of, the Occupational Safety and Health Act relating in any way to the project or project site.

13. LEGAL FEES. Purchaser agrees to pay and reimburse JCI for any and all reasonable legal fees which are incurred by JCI in the collection of amounts due and payable under this Agreement.

14. ENTIRE AGREEMENT. This proposal, upon acceptance, shall constitute the entire agreement between the parties and supersedes any prior representations or understandings.

15. CHANGES. No change or modification of any of the terms and conditions stated herein shall be binding upon Johnson unless accepted by Johnson in writing.

Chiller Installation Scope of Work

After a recent service call, Trane diagnosed a defective screw compressor on the existing RTAA 90 Ton Air-Cooled Chiller serving the Fairhope Public Library. The existing machine also has corroded condenser coils due to the close proximity of the Mobile Bay and Gulf of Mexico. Due to this machine being at the end of its useful life and the high cost of repairs, it is advised to replace this chiller with a new machine.

Trane recommends a new 90 Ton Air-Cooled Chiller with factory coated condenser coils and an extended warranty option for up to 10 years. Please see the scope of work and equipment list below for your review. Thank you for the opportunity to work together.

Item	Tag(s)	Qty	Description	Model Number
A1	CGAM-90 M TO	1	90 Ton Air-Cooled (CGAM)	CGAM090F2**2AXD2A1A1A1DXXA1A1A2XXXXXA1A3A1D1X-L-X

- Air-Cooled Scroll Packaged Chiller
- Startup Included - Trane Service must start equipment for warranty to be honored
- 60 hertz 460 volt 3 phases
- High efficiency/performance
- Full factory refrigerant charge (HFC-410A)
- With factory installed freeze protection
- Refrigerant isolation valves (discharge valve)
- ASHRAE 90.1 all versions up to 2016
- AHRI certified
- Factory installed flow switch - set point 60 cm/sec
- Grooved pipe connection
- Factory insulation 0.75"
- Wide ambient (0 to 125F/-18 to 52C)
- Single point connection main line unit power-ancillary items require other power
- Elastomeric isolators
- With water strainer factory installed
- Super quiet
- Hail Guards
- Trane Communication Interface
- Factory Condenser Coil Coating
- 10 Year Parts Warranty
- 1 Year Labor Warranty
- 1 Year Refrigerant Warranty

Turnkey Installation of HVAC Equipment

- LOTO Existing RTAA Air-Cooled Chiller
- Isolate Chiller with Existing Chilled Water Isolation Valves (Assumed to be in working condition)
- Recover Refrigerant from Existing Refrigerant Circuits
- Disconnect Electrical from Chiller
- Set-up Crane in Library Parking Lot
- Demo Existing Chiller
- Set New Air-Cooled Chiller on in enclosed chiller plant
- Run New Chilled Water from the Rear of the CGAM Air-Cooled Chiller to the Existing Isolation Valves
- Insulate New Chilled Water Lines with Jacketing
- Reconnect Electrical to Field Installed Disconnect Switch
- Reconnect Communication Wiring
- Integrate Chiller to Trane Tracer Summit Controls System
- Remove LOTO
- Start-up Chiller and Verify Proper Operation

Existing Chiller Isolation Valves and Pumping

Controls Scope of Work

The goal of the controls portion of this project is to reduce the overall energy consumption at the Fairhope Public Library. This energy project will consist of optimizing both the air side and water side HVAC systems. Trane will implement OA (Outside Air) optimization strategies, variable speed chilled water pumping and an upgraded building automation system (BAS).

The controls upgrade will include a web-based platform to replace the existing "Tracer Summit BCU" (Building Control Unit) to the latest version of Trane controls "Tracer SC+". All controllers located on HVAC equipment will be integrated and recommissioned to be most cost effective.

The following existing equipment and controls will be installed:

- **Tracer SC+ Web-Based System Controller**
 - o Retrofit the existing Tracer Summit BCU with a web-based Tracer SC+ System Controller
 - o Render 3-D floor plan graphics based on the existing mechanical plans. This will also include graphical 3-D images of the HVAC equipment being controlled
 - o Install new OA wet bulb / dry bulb combination sensor and integrate to BAS
- **Chiller Plant Controllers (Variable Speed Pumping)**
 - o Upgrade the existing RTAA air-cooled chiller controllers to LonTalk and integrate to the newly installed Tracer SC+ system
 - o Furnish and Install new outdoor rated NEMA 3R VFDs on the existing chilled water pumps.
 - o Integrate the VFD and pumping controls to existing MP580 controller
 - This will allow us to program the system to vary the chilled water flow based on demand to save on excessive pumping energy
- **Air Handling Units (OA Optimization)**
 - o Integrate existing MP580 controllers to Tracer SC+
 - Install (6) Ebron Air Flow Measuring Stations
 - Install (6) CO2 Duct Mounted Sensors
 - Install (6) Modulating OA Damper Actuators
 - o Terminate new sensors and end devices to associated AHU MP580 controller
 - o Program system for "Demand Control Ventilation" optimization strategy to ventilate based on CO2 PPM readings.
- **VAV Integration & Recommissioning**
 - o Integrate (36) existing VAV controllers to Tracer SC+
 - o Recommission VAV boxes for proper electric reheat use
 - o Verify proper control in coordination with air handling units

- **Energy Meter Validation**
 - o Install (2) "Smart Meters" on both the chiller plant switch gear and main library switch gear
 - o Integrate Energy Meters to Tracer SC+
 - o Set up "Tracer Pro Support" to trend data and identify future energy opportunities

Controls systems services included

- Project Management
- Engineered Control Submittals and As-Built Drawings
- Control Panel(s) and Low Voltage Wiring installation
- Control System Programming & Graphics
- Control System Commissioning
- Owner Control System Operational Training – (xx) hour

Controls systems services not included

- Demolition/removal or replacement of existing devices/sensors quoted as "assumed" to be in working condition
- Any temporary controls
- Repair or replacement of any equipment being controlled
- **All controls being integrated are assumed to be in working condition. If any of these controllers are found to be defective, a separate quote shall be provided to make the necessary repairs to these controllers.**

Proposal Notes/ Clarifications

- All work to be performed during normal business hours (8am to 5pm, M-F, non-holidays)
- Proposal does not include "Premium Time" or Price Contingency therefor
- Equipment Order Release and Services rendered are dependent on receipt of PO/Subcontract and credit approval
- Controls for any systems not listed above are excluded
- Trane will not perform any work if working conditions could endanger or put at risk the safety of our employees or subcontractors

TERMS AND CONDITIONS – COMMERCIAL INSTALLATION

"Company" shall mean Trane U.S. Inc. dba Trane.

1. **Acceptance; Agreement.** These terms and conditions are an integral part of Company's offer and form the basis of any agreement (the "Agreement") resulting from Company's proposal (the "Proposal") for the commercial goods and/or services described (the "Work"). COMPANY'S TERMS AND CONDITIONS ARE SUBJECT TO PERIODIC CHANGE OR AMENDMENT. The Proposal is subject to acceptance in writing by the party to whom this offer is made or an authorized agent ("Customer") delivered to Company within 30 days from the date of the Proposal. If Customer accepts the Proposal by placing an order, without the addition of any other terms and conditions of sale or any other modification, Customer's order shall be deemed acceptance of the Proposal subject to Company's terms and conditions. If Customer's order is expressly conditioned upon Company's acceptance or assent to terms and/or conditions other than those expressed herein, return of such order by Company with Company's terms and conditions attached or referenced serves as Company's notice of objection to Customer's terms and as Company's counter-offer to provide Work in accordance with the Proposal and the Company terms and conditions. If Customer does not reject or object in writing to Company within 10 days, Company's counter-offer will be deemed accepted. Customer's acceptance of the Work by Company will in any event constitute an acceptance by Customer of Company's terms and conditions. This Agreement is subject to credit approval by Company. Upon disapproval of credit, Company may delay or suspend performance or, at its option, renegotiate prices and/or terms and conditions with Customer. If Company and Customer are unable to agree on such revisions, this Agreement shall be cancelled without any liability, other than Customer's obligation to pay for Work rendered by Company to the date of cancellation.
2. **Pricing and Taxes.** Unless otherwise noted, the price in the Proposal includes standard ground transportation and, if required by law, all sales, consumer, use and similar taxes legally enacted as of the date hereof for equipment and material installed by Company. Tax exemption is contingent upon Customer furnishing appropriate certificates evidencing Customer's tax exempt status. Company shall charge Customer additional costs for bonds agreed to be provided. Equipment sold on an uninstalled basis and any taxable labor/labour do not include sales tax and taxes will be added. Following acceptance without addition of any other terms and condition of sale or any other modification by Customer, the prices stated are firm provided that notification of release for immediate production and shipment is received at the factory not later than 3 months from order receipt. If such release is received later than 3 months from order receipt date, prices will be increased a straight 1% (not compounded) for each one-month period (or part thereof) beyond the 3 month firm price period up to the date of receipt of such release. If such release is not received within 6 months after date of order receipt, the prices are subject to renegotiation, or at Company's option, the order will be cancelled. Any delay in shipment caused by Customer's actions will subject prices to increase equal to the percentage increase in list prices during that period of delay and Company may charge Customer with incurred storage fees.
3. **Exclusions from Work.** Company's obligation is limited to the Work as defined and does not include any modifications to the Work site under the Americans With Disabilities Act or any other law or building code(s). In no event shall Company be required to perform work Company reasonably believes is outside of the defined Work without a written change order signed by Customer and Company.
4. **Performance.** Company shall perform the Work in accordance with industry standards generally applicable in the area under similar circumstances as of the time Company performs the Work. Company may refuse to perform any Work where working conditions could endanger property or put at risk the safety of persons. Unless otherwise agreed to by Customer and Company, at Customer's expense and before the Work begins, Customer will provide any necessary access platforms, catwalks to safely perform the Work in compliance with OSHA or state industrial safety regulations.
5. **Payment.** Customer shall pay Company's invoices within net 30 days of invoice date. Company may invoice Customer for all equipment or material furnished, whether delivered to the installation site or to an off-site storage facility and for all Work performed on-site or off-site. No retention shall be withheld from any payments except as expressly agreed in writing by Company, in which case retention shall be reduced per the contract documents and released no later than the date of substantial completion. Under no circumstances shall any retention be withheld for the equipment portion of the order. If payment is not received as required, Company may suspend performance and the time for completion shall be extended for a reasonable period of time not less than the period of suspension. Customer shall be liable to Company for all reasonable shutdown, standby and start-up costs as a result of the suspension. Company reserves the right to add to any account outstanding for more than 30 days a service charge equal to 1.5% of the principal amount due at the end of each month. Customer shall pay all costs (including attorneys' fees) incurred by Company in attempting to collect amounts due and otherwise enforcing these terms and conditions. If requested, Company will provide appropriate lien waivers upon receipt of payment. Customer agrees that, unless Customer makes payment in advance, Company will have a purchase money security interest in all equipment from Company to secure payment in full of all amounts due Company and its order for the equipment, together with these terms and conditions, form a security agreement. Customer shall keep the equipment free of all taxes and encumbrances, shall not remove the equipment from its original installation point and shall not assign or transfer any interest in the equipment until all payments due Company have been made.
6. **Time for Completion.** Except to the extent otherwise expressly agreed in writing signed by an authorized representative of Company, all dates provided by Company or its representatives for commencement, progress or completion are estimates only. While Company shall use commercially reasonable efforts to meet such estimated dates, Company shall not be responsible for any damages for its failure to do so.
7. **Access.** Company and its subcontractors shall be provided access to the Work site during regular business hours, or such other hours as may be requested by Company and acceptable to the Work site' owner or tenant for the performance of the Work, including sufficient areas for staging, mobilization, and storage. Company's access to correct any emergency condition shall not be restricted. Customer grants to Company the right to remotely connect (via phone modem, internet or other agreed upon means) to Customer's building automation system (BAS) and or HVAC equipment to view, extract, or otherwise collect and retain data from the BAS, HVAC equipment, or other building systems, and to diagnose and remotely make repairs at Customer's request.
8. **Completion.** Notwithstanding any other term or condition herein, when Company informs Customer that the Work has been completed, Customer shall inspect the Work in the presence of Company's representative, and Customer shall either (a) accept the Work in its entirety in writing, or (b) accept the Work in part and specifically identify, in writing, any exception items. Customer agrees to re-inspect any and all excepted items as soon as Company informs Customer that all such excepted items have been completed. The initial acceptance inspection shall take place within ten (10) days from the date when Company informs Customer that the Work has been completed. Any subsequent re-inspection of excepted items shall take place within five (5) days from the date when Company informs Customer that the excepted items have been completed. Customer's failure to cooperate and complete any of said inspections within the required time limits shall constitute complete acceptance of the Work as of ten (10) days from date when Company informs Customer that the Work, or the excepted items, if applicable, has/have been completed.
9. **Permits and Governmental Fees.** Company shall secure (with Customer's assistance) and pay for building and other permits and governmental fees, licenses, and inspections necessary for proper performance and completion of the Work which are legally required when bids from Company's subcontractors are received, negotiations thereon concluded, or the effective date of a relevant Change Order, whichever is later. Customer is responsible for necessary approvals, easements, assessments and charges for construction, use or occupancy of permanent structures or for permanent changes to existing facilities. If the cost of such permits, fees, licenses and inspections are not included in the Proposal, Company will invoice Customer for such costs.
10. **Utilities During Construction.** Customer shall provide without charge to Company all water, heat, and utilities required for performance of the Work.
11. **Concealed or Unknown Conditions.** In the performance of the Work, if Company encounters conditions at the Work site that are (i) subsurface or otherwise concealed physical conditions that differ materially from those indicated on drawings expressly incorporated herein or (ii) unknown physical conditions of an unusual nature that differ materially from those conditions ordinarily found to exist and generally recognized as inherent in construction activities of the type and character as the Work, Company shall notify Customer of such conditions promptly, prior to significantly disturbing same. If such conditions differ materially and cause an increase in Company's cost of, or time required for, performance of any part of the Work, Company shall be entitled to, and Customer shall consent by Change Order to, an equitable adjustment in the Contract Price, contract time, or both.
12. **Pre-Existing Conditions.** Company is not liable for any claims, damages, losses, or expenses, arising from or related to conditions that existed in, on, or upon the Work site before the Commencement Date of this Agreement ("Pre-Existing Conditions"), including, without limitation, damages, losses, or expenses involving Pre-Existing Conditions of building envelope issues, mechanical issues, plumbing issues, and/or indoor air quality issues involving mold/mould and/or

fungi. Company also is not liable for any claims, damages, losses, or expenses, arising from or related to work done by or services provided by individuals or entities that are not employed by or hired by Company.

13. Asbestos and Hazardous Materials. Company's Work and other services in connection with this Agreement expressly excludes any identification, abatement, cleanup, control, disposal, removal or other work connected with asbestos, polychlorinated biphenyl ("PCB"), or other hazardous materials (hereinafter, collectively, "Hazardous Materials"). Customer warrants and represents that, except as set forth in a writing signed by Company, there are no Hazardous Materials on the Work site that will in any way affect Company's Work and Customer has disclosed to Company the existence and location of any Hazardous Materials in all areas within which Company will be performing the Work. Should Company become aware of or suspect the presence of Hazardous Materials, Company may immediately stop work in the affected area and shall notify Customer. Customer will be exclusively responsible for taking any and all action necessary to correct the condition in accordance with all applicable laws and regulations. Customer shall be exclusively responsible for and, to the fullest extent permitted by law, shall indemnify and hold harmless Company (including its employees, agents and subcontractors) from and against any loss, claim, liability, fees, penalties, injury (including death) or liability of any nature, and the payment thereof arising out of or relating to any Hazardous Materials on or about the Work site, not brought onto the Work site by Company. Company shall be required to resume performance of the Work in the affected area only in the absence of Hazardous Materials or when the affected area has been rendered harmless. In no event shall Company be obligated to transport or handle Hazardous Materials, provide any notices to any governmental agency, or examine the Work site for the presence of Hazardous Materials.

14. Force Majeure. Company's duty to perform under this Agreement is contingent upon the non-occurrence of an Event of Force Majeure. If Company shall be unable to carry out any material obligation under this Agreement due to an Event of Force Majeure, this Agreement shall at Company's election (i) remain in effect but Company's obligations shall be suspended until the uncontrollable event terminates or (ii) be terminated upon 10 days notice to Customer, in which event Customer shall pay Company for all parts of the Work furnished to the date of termination. An "Event of Force Majeure" shall mean any cause or event beyond the control of Company. Without limiting the foregoing, "Event of Force Majeure" includes: acts of God; acts of terrorism, war or the public enemy; flood; earthquake; tornado; storm; fire; civil disobedience; pandemic insurrections; riots; labor/labour disputes; labor/labour or material shortages; sabotage; restraint by court order or public authority (whether valid or invalid), and action or non-action by or inability to obtain or keep in force the necessary governmental authorizations, permits, licenses, certificates or approvals if not caused by Company, and the requirements of any applicable government in any manner that diverts either the material or the finished product to the direct or indirect benefit of the government.

15. Customer's Breach. Each of the following events or conditions shall constitute a breach by Customer and shall give Company the right, without an election of remedies, to terminate this Agreement or suspend performance by delivery of written notice: (1) Any failure by Customer to pay amounts when due; or (2) any general assignment by Customer for the benefit of its creditors, or if Customer becomes bankrupt or insolvent or takes the benefit of any statute for bankrupt or insolvent debtors, or makes or proposes to make any proposal or arrangement with creditors, or if any steps are taken for the winding up or other termination of Customer or the liquidation of its assets, or if a trustee, receiver, or similar person is appointed over any of the assets or interests of Customer; (3) Any representation or warranty furnished by Customer in this Agreement is false or misleading in any material respect when made; or (4) Any failure by Customer to perform or comply with any material provision of this Agreement. Customer shall be liable to Company for all Work furnished to date and all damages sustained by Company (including lost profit and overhead).

16. Indemnity. To the fullest extent permitted by law, Company and Customer shall indemnify, defend and hold harmless each other from any and all claims, actions, costs, expenses, damages and liabilities, including reasonable attorneys' fees, resulting from death or bodily injury or damage to real or tangible personal property, to the extent caused by the negligence or misconduct of their respective employees or other authorized agents in connection with their activities within the scope of this Agreement. Neither party shall indemnify the other against claims, damages, expenses or liabilities to the extent attributable to the acts or omissions of the other party. If the parties are both at fault, the obligation to indemnify shall be proportional to their relative fault. The duty to indemnify will continue in full force and effect, notwithstanding the expiration or early termination hereof, with respect to any claims based on facts or conditions that occurred prior to expiration or termination.

17. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT CONSEQUENTIAL, OR PUNITIVE OR EXEMPLARY DAMAGES (INCLUDING WITHOUT LIMITATION BUSINESS INTERRUPTION, LOST DATA, LOST REVENUE, LOST PROFITS, LOST DOLLAR SAVINGS, OR LOST ENERGY USE SAVINGS, EVEN IF A PARTY HAS BEEN ADVISED OF SUCH POSSIBLE DAMAGES OR IF SAME WERE REASONABLY FORESEEABLE AND REGARDLESS OF WHETHER THE CAUSE OF ACTION IS FRAMED IN CONTRACT, NEGLIGENCE, ANY OTHER TORT, WARRANTY, STRICT LIABILITY, OR PRODUCT LIABILITY). In no event will Company's liability in connection with the provision of products or services or otherwise under this Agreement exceed the entire amount paid to Company by Customer under this Agreement.

18. Patent Indemnity. Company shall protect and indemnify Customer from and against all claims, damages, judgments and loss arising from infringement or alleged infringement of any United States patent by any of the goods manufactured by Company and delivered hereunder, provided that in the event of suit or threat of suit for patent infringement, Company shall promptly be notified and given full opportunity to negotiate a settlement. Company does not warrant against infringement by reason of Customer's design of the articles or the use thereof in combination with other materials or in the operation of any process. In the event of litigation, Customer agrees to reasonably cooperate with Company. In connection with any proceeding under the provisions of this Section, all parties concerned shall be entitled to be represented by counsel at their own expense.

19. Limited Warranty. Company warrants for a period of 12 months from the date of substantial completion ("Warranty Period") commercial equipment manufactured and installed by Company against failure due to defects in material and manufacture and that the labor/labour furnished is warranted to have been properly performed (the "Limited Warranty"). Trane equipment sold on an uninstalled basis is warranted in accordance with Company's standard warranty for supplied equipment. **Product manufactured by Company that includes required startup and is sold in North America will not be warranted by Company unless Company performs the product start-up.** Substantial completion shall be the earlier of the date that the Work is sufficiently complete so that the Work can be utilized for its intended use or the date that Customer receives beneficial use of the Work. If such defect is discovered within the Warranty Period, Company will correct the defect or furnish replacement equipment (or, at its option, parts therefor) and, if said equipment was installed pursuant hereto, labor/labour associated with the replacement of parts or equipment not conforming to this Limited Warranty. Defects must be reported to Company within the Warranty Period. Exclusions from this Limited Warranty include damage or failure arising from: wear and tear; corrosion, erosion, deterioration; Customer's failure to follow the Company-provided maintenance plan; refrigerant not supplied by Trane; and modifications made by others to Company's equipment.

Company shall not be obligated to pay for the cost of loss or infringement. Notwithstanding the foregoing, all warranties provided herein terminate upon termination or cancellation of this Agreement. No warranty liability whatsoever shall attach to Company until the Work has been paid for in full and then said liability shall be limited to the lesser of Company's cost to correct the defective Work and/or the purchase price of the equipment shown to be defective. Equipment, material and/or parts that are not manufactured by Company are not warranted by Company and have such warranties as may be extended by the respective manufacturer. THE WARRANTY AND LIABILITY SET FORTH IN THIS AGREEMENT ARE IN LIEU OF ALL OTHER WARRANTIES AND LIABILITIES, WHETHER IN CONTRACT OR IN NEGLIGENCE, EXPRESS OR IMPLIED, IN LAW OR IN FACT, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND/OR OTHERS ARISING FROM COURSE OF DEALING OR TRADE. COMPANY MAKES NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED REGARDING PREVENTION BY THE WORK, OR ANY COMPONENT THEREOF, OF MOLD/MOULD, FUNGUS, BACTERIA, MICROBIAL GROWTH, OR ANY OTHER CONTAMINATES. COMPANY SPECIFICALLY DISCLAIMS ANY LIABILITY IF THE WORK OR ANY COMPONENT THEREOF IS USED TO PREVENT OR INHIBIT THE GROWTH OF SUCH MATERIALS.

20. Insurance. Company agrees to maintain the following insurance while the Work is being performed with limits not less than shown below and will, upon request from Customer, provide a Certificate of evidencing the following coverage:

Commercial General Liability	\$2,000,000 per occurrence
Automobile Liability	\$2,000,000 CSL
Workers Compensation	Statutory Limits

If Customer has requested to be named as an additional insured under Company's insurance policy, Company will do so but only subject to Company's manuscript additional insured endorsement under its primary Commercial General Liability policies. In no event does Company waive its right of subrogation.

21. Commencement of Statutory Limitation Period. Except as to warranty claims, as may be applicable, any applicable statutes of limitation for acts or failures to act shall commence to run, and any alleged cause of action stemming therefrom shall be deemed to have accrued, in any and all events not later than the last date that Company or its subcontractors physically performed work on the project site.

22. General. Except as provided below, to the maximum extent provided by law, this Agreement is made and shall be interpreted and enforced in accordance with the laws of the state or province in which the Work is performed, without regard to choice of law principles which might otherwise call for the application of a different state's or province's law. Any dispute arising under or relating to this Agreement that is not disposed of by agreement shall be decided by litigation in a court of competent jurisdiction located in the state or province in which the Work is performed. Any action or suit arising out of or related to this Agreement must be commenced within one year after the cause of action has accrued. To the extent the Work site is owned and/or operated by any agency of the Federal Government, determination of any substantive issue of law shall be according to the Federal common law of Government contracts as enunciated and applied by Federal judicial bodies and boards of contract appeals of the Federal Government. This Agreement contains all of the agreements, representations and understandings of the parties and supersedes all previous understandings, commitments or agreements, oral or written, related to the subject matter hereof. This Agreement may not be amended, modified or terminated except by a writing signed by the parties hereto. No documents shall be incorporated herein by reference except to the extent Company is a signatory thereon. If any term or condition of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, all other terms and conditions of this Agreement will nevertheless remain in full force and effect as long as the economic or legal substance of the transaction contemplated hereby is not affected in a manner adverse to any party hereto. Customer may not assign, transfer, or convey this Agreement, or any part hereof, or its right, title or interest herein, without the written consent of the Company. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of Customer's permitted successors and assigns. This Agreement may be executed in several counterparts, each of which when executed shall be deemed to be an original, but all together shall constitute but one and the same Agreement. A fully executed facsimile copy hereof or the several counterparts shall suffice as an original.

23. Equal Employment Opportunity/Affirmative Action Clause. Company is a federal contractor that complies fully with Executive Order 11246, as amended, and the applicable regulations contained in 41 C.F.R. Parts 60-1 through 60-60, 29 U.S.C. Section 793 and the applicable regulations contained in 41 C.F.R. Part 60-741; and 38 U.S.C. Section 4212 and the applicable regulations contained in 41 C.F.R. Part 60-250 Executive Order 13496 and Section 29 CFR 471, appendix A to subpart A, regarding the notice of employee rights in the United States and with Canadian Charter of Rights and Freedoms Schedule B to the Canada Act 1982 (U.K.) 1982, c. 11 and applicable Provincial Human Rights Codes and employment law in Canada.

24. U.S. Government Work.

The following provision applies only to direct sales by Company to the US Government. The Parties acknowledge that all items or services ordered and delivered under this Agreement are Commercial Items as defined under Part 12 of the Federal Acquisition Regulation (FAR). In particular, Company agrees to be bound only by those Federal contracting clauses that apply to "commercial" suppliers and that are contained in FAR 52.212-5(e)(1). Company complies with 52.219-8 or 52.219-9 in its service and installation contracting business.

The following provision applies only to indirect sales by Company to the US Government. As a Commercial Item Subcontractor, Company accepts only the following mandatory flow down provisions in effect as of the date of this subcontract: 52.203-19; 52.204-21; 52.204-23; 52.219-8; 52.222-21; 52.222-26; 52.222-35; 52.222-36; 52.222-50; 52.225-26; 52.247-64. If the Work is in connection with a U.S. Government contract, Customer certifies that it has provided and will provide current, accurate, and complete information, representations and certifications to all government officials, including but not limited to the contracting officer and officials of the Small Business Administration, on all matters related to the prime contract, including but not limited to all aspects of its ownership, eligibility, and performance. Anything herein notwithstanding, Company will have no obligations to Customer unless and until Customer provides Company with a true, correct and complete executed copy of the prime contract. Upon request, Customer will provide copies to Company of all requested written communications with any government official related to the prime contract prior to or concurrent with the execution thereof, including but not limited to any communications related to Customer's ownership, eligibility or performance of the prime contract. Customer will obtain written authorization and approval from Company prior to providing any government official any information about Company's performance of the work that is the subject of the Proposal or this Agreement, other than the Proposal or this Agreement.

25. Limited Waiver of Sovereign Immunity. If Customer is an Indian tribe (in the U.S.) or a First Nation or Band Council (in Canada), Customer, whether acting in its capacity as a government, governmental entity, a duly organized corporate entity or otherwise, for itself and for its agents, successors, and assigns: (1) hereby provides this limited waiver of its sovereign immunity as to any damages, claims, lawsuit, or cause of action (herein "Action") brought against Customer by Company and arising or alleged to arise out of the furnishing by Company of any product or service under this Agreement, whether such Action is based in contract, tort, strict liability, civil liability or any other legal theory; (2) agrees that jurisdiction and venue for any such Action shall be proper and valid (a) if Customer is in the U.S., in any state or United States court located in the state in which Company is performing this Agreement or (b) if Customer is in Canada, in the superior court of the province or territory in which the work was performed; (3) expressly consents to such Action, and waives any objection to jurisdiction or venue; (4) waives any requirement of exhaustion of tribal court or administrative remedies for any Action arising out of or related to this Agreement; and (5) expressly acknowledges and agrees that Company is not subject to the jurisdiction of Customer's tribal court or any similar tribal forum, that Customer will not bring any action against Company in tribal court, and that Customer will not avail itself of any ruling or direction of the tribal court permitting or directing it to suspend its payment or other obligations under this Agreement. The individual signing on behalf of Customer warrants and represents that such individual is duly authorized to provide this waiver and enter into this Agreement and that this Agreement constitutes the valid and legally binding obligation of Customer, enforceable in accordance with its terms.

2. Police Promotions – Chief Stephanie Hollinghead
3. Report of the Mayor
4. Public Participation – Agenda Items – (3 minutes maximum)
5. Council Comments
6. **Public Hearing** – Ordinance – Amend Zoning Ordinance No. 1253.
Request to zone the property of Roberta U. Harris, Stephen J. Urbanek, and Margaret U. Dunnam to Planned Unit Development (PUD) concurrent with annexation into the City of Fairhope. The property generally located southeast corner of the intersection of County Road 48 and Blueberry Lane, Fairhope, Alabama. PPIN Number: 43640. The property to be known as Overland PUD.
7. **Final Adoption** – An Ordinance to Approve an Application from Coca Cola Bottling Company United for a Franchise Agreement to operate Beverage Vending Machines at the locations specified in Bid No. 006-21, Beverage Vending and Concessions 2021; and it is to be in the best interest of the public and the City of Fairhope to grant this franchise. (Introduced at the May 24, 2021 City Council Meeting)
8. **Final Adoption** – An Ordinance Directing the Transfer and Declaring certain real property as surplus and not needed for public or municipal purposes located at the intersection of County Road 13 and County Road 32 Improvement; 05-46-08-33-0-000-009.000: Tract Number 1; containing 0.210 acres, more or less to Baldwin County, Alabama to be used as part of construction of a roundabout at said intersection which will serve a public purpose allowing easier ingress and egress to the City’s future sports fields and increase traffic safety at said intersection. (Introduced at the May 24, 2021 City Council Meeting)
9. Ordinance – An Ordinance of the City of Fairhope repealing and replacing Section 21-21, Code of Ordinances, by the adoption of the following Electric Rates for all Customers of the City.
10. Resolution – That the City Council authorizes Mayor Sherry Sullivan to execute the American Recue Plan Act Agreement between the City of Fairhope and the United States Department of the Treasury for the Coronavirus State and Local Fiscal Recovery Funds in the amount of \$1,941,458.00 to be used in compliance with section 603(c) of the Social Security Act, Treasury’s regulations implementing that section, and guidance issued by Treasury regarding the foregoing.

11. Resolution – That the proposed Certificate of Amendment is hereby approved for the Fairhope Airport Authority under the provisions of the Title 4, Chapter 3, Article 2, Code of Alabama, 1975.
12. Resolution – That the City Council approves the selection of Kimley-Horn to perform Professional Consulting Services for the New Water Transmission Line on County Road 33 (RFQ No. PS014-21); and hereby authorizes Mayor Sherry Sullivan to negotiate a fee schedule and establish a not-to-exceed limit with this firm.
13. Resolution – That the City Council approves the selection of Stewart Engineering, Inc. to perform Professional Engineering Services for System Study for the Electric Department (RFQ No. PS012-21); and hereby authorizes Mayor Sherry Sullivan to negotiate a fee schedule and establish a not-to-exceed limit with this firm.
14. Resolution – That the City of Fairhope hereby Rejects RFQ No. 013-21 for N. Beach Pavilion Repair and Replacement of Asphalt Shingle Roof – FEMA 4563 that was damaged by Hurricane Sally for the Public Works Department due to the excessive price of the only one response; and authorizes Staff to seek informal quotes.
15. Resolution – That Mayor Sherry Sullivan is hereby authorized to execute a contract with Vision Technology Solutions, LLC d/b/a Vision Internet Providers to perform Professional Services for Website Design and Management (RFQ No. PS017-21) with a not-to-exceed amount of \$11,205.81.
16. Resolution – That Mayor Sherry Sullivan is hereby authorized to execute a contract with S.E. Civil, LLC to perform Professional Engineering Services for Water Main Replacement at SR 181 along ROW to CR 34 for the Water Department (RFQ No. PS024-21) with a not-to-exceed amount of \$23,500.00.
17. Resolution – To Award Bid for Materials for Masonry and Concrete Work for ADA Compliance Project at Fairhope Municipal Stadium for the Recreation Department (Bid No. 028-21) to Bay Steel Corporation with a total cost of \$22,274.00.
18. Resolution – To Award Bid for Materials for New Scoreboard-Video Message Board for Fairhope Municipal Stadium for the Recreation Department (Bid No. 026-21) to Electro-Mech with a total cost of \$226,940.00. The Fairhope High School has committed \$176,000.00 to be paid over a five-year period in participation with the City of Fairhope.
19. Resolution – To Award Bid for Nix Center Repair/Replace Asphalt Roof Shingles – FEMA 4563 for Community Affairs Department. (Bid No. 022-21) to VON Electric General Contractors, LLC with a total cost of \$120,000.00.
20. Resolution – To Award Bid for City-Wide Concrete Work, Curbing, ADA Ramps, Inlets, and Structures for the Public Works Department and Utilities (Bid No. 018-21) to Parten Smith, Inc. with a bid proposal for the unit amounts shown in the attached bid tabulation.
21. Resolution – To Award Bid for Six Overhead Doors for Fire Station #3 for the Fairhope Volunteer Fire Department (Bid No. 014-21) to Bailey Door, Inc. with a total bid proposal of \$40,038.00.

22. Resolution – To Award RFQ for the procurement to Reshape/Rebuild Greens on Holes #6 and #11 of Quail Creek Golf Course Sur-Line Turf, Inc. with a total approximate cost of \$21,080.00.
23. Resolution – That the City of Fairhope has voted to purchase a 2021 F250 Crew Cab 4x4 Pickup Truck with Utility Body for the Water Department; and the type of vehicle needed is on the Alabama State Department of Purchasing bid list and therefore does not have to be let out for bid with a cost of \$41,450.00.
24. Resolution – That the City of Fairhope has voted to purchase a 2021 F250 Super Cab Extended 4x2 Pickup Truck with Service Body for the Water Department; and the type of vehicle needed is on the Alabama State Department of Purchasing bid list and therefore does not have to be let out for bid with a cost of \$38,824.00.
25. Resolution – That the City of Fairhope approves the request from Sarah Fischer, Site Director of Prism United Fairhope, to hold a Chalk Event on the sidewalks in South Beach Park on Saturday, June 25, 2021 from 5:00 p.m. to 8:00 p.m.; and to put up a table to provide information about its program, distribute flyers and buttons, and provide chalk and water. Prism United Fairhope is dedicated to serving the needs of the LGBTQ+ youth of Fairhope and the surrounding areas.
26. Resolution – That the City of Fairhope has voted to purchase a 2022 F350 Crew Cab 4x4 DWR Pickup Truck for the Fairhope Volunteer Fire Department; and the type of vehicle needed is on the Alabama State Department of Purchasing bid list and therefore does not have to be let out for bid with a cost of \$48,272.00. This will be a procurement using Impact Fees.
27. Resolution – That the City of Fairhope has voted to procure a Replacement Chiller Unit for the Fairhope Public Library with a 90T York Air Cooled Chiller; and the equipment is available for direct procurement through the NCPA Cooperative which has been nationally bid; and therefore, does not have to be let out for bid with a cost of \$88,125.25.
28. Appointment – Parking Authority – Chad Bartz
29. Write off Customer Terminated Balances as of June 1, 2021 for Balances prior to fiscal year ending 2019 in the amount of \$614,485.95.
30. Public Participation – (3 minutes maximum)
31. Adjourn

**City Council Work Session - 4:30 p.m.
on Monday, June 14, 2021 – Council Chambers**

**City Council Agenda Meeting - 5:30 p.m.
on Monday, June 14, 2021 – Council Chambers**

Next Regular Meeting – Monday, June 28, 2021 - Same Time and Place

STATE OF ALABAMA)(
 :
COUNTY OF BALDWIN)(

The City Council, City of Fairhope, met in regular session at 6:00 p.m., Fairhope Municipal Complex Council Chamber, 161 North Section Street, Fairhope, Alabama 36532, on Monday, 24 May 2021.

Present were Council President Pro Tempore Jimmy Conyers, Councilmembers: Corey Martin, Jay Robinson, and Kevin Boone, Mayor Sherry Sullivan, City Attorney Marcus E. McDowell, and City Clerk Lisa A. Hanks. Council President Jack Burrell was absent.

There being a quorum present, Council President Pro Tempore Conyers called the meeting to order. The invocation was given by Pastor Jason Garcia of Celebration Church and the Pledge of Allegiance was recited.

Council President Pro Tempore Conyers announced that the Public Hearing for the Overland PUD zoning case will be held on June, 14, 2021 at 6:00 p.m.

Council President Pro Tempore Conyers stated there was a need to add on two agenda items after Agenda Item Number 21: appointments of Knox McMurphy and May-Moss Parker to the Tree Committee; and a resolution that the City Council of the City of Fairhope hereby officially declares an emergency as an electrical panel needing to be replaced and moved due to the panel overheating and jeopardizing the power to part of the building and the testing lab at the City of Fairhope’s Wastewater Treatment Plant Building; authorizes Mayor Sherry Sullivan to hire a certified electrician to assess the damage; and to appropriate money, not to exceed \$25,000.00, determine what measures to take for making emergency repairs to this critical public facility.

Councilmember Robinson moved to add on the above-mentioned items not on the printed agenda. Seconded by Councilmember Boone, motion passed unanimously by voice vote.

Councilmember Robinson moved to approve minutes of the 10 May 2021, regular meeting; minutes of the 10 May 2021, work session; and minutes of the 10 May 2021, agenda meeting. Seconded by Councilmember Boone, motion passed unanimously by voice vote.

Mayor Sullivan addressed the City Council and commented it is busy in Fairhope. She commented on the following projects: Section Street Drainage Project; Public Works Week; Nix Center opening on June 1, 2021; Memorial Day and Beach Booth; and the Budget Calendar.

24 May 2021

The following individual spoke during Public Participation for Agenda Items:

- 1) Gary Gover, 300 Lincoln Street, addressed the City Council regarding Agenda Item No. 7: a resolution that the Fairhope City Council hereby authorizes Mayor Sherry Sullivan to prepare and sign a Letter of Intent for the Fairhope Educational Enrichment Foundation (“FEEF”) to lease a portion of the K-1 Center property and buildings as contained within and specified in the attached Exhibit A- Pages 1 and 2. The lease will be \$1.00 per year (for a term of 25 years). The City Council hereby establishes and declares that the described real property of the City of Fairhope, Alabama, is not needed for public or municipal purposes during the term of this lease. The City of Fairhope will provide insurance for property. FEEF is not allowed to sublet any portion of the property; and will be responsible for maintenance. FEEF will be responsible for improvements to building conditions. The building improvements and educational opportunity constitute a valid public purpose for the City. The specific terms and conditions of which will be detailed in the Lease Agreement to be completed by August 1, 2021. He said this was not very informative and the FEEF usage. He commented there should be more Community engagement.

Councilmember Boone told everyone to have a safe Memorial Day weekend; and reminded everyone that the projects are for the betterment of Fairhope.

Council President Pro Tempore Conyers congratulated the kids for the school year. He also congratulated SALT for the wonderful Bald Eagle Bash this past weekend.

A Public Hearing was held to consider a proposed ordinance for a Franchise Agreement operate Beverage Vending Machines at the locations specified in Bid No. 006-21, Beverage Concession 2021. Councilmember Robinson introduced in writing an ordinance Application from Coca Cola Bottling Company United for a Franchise Agreement to operate Beverage Vending Machines at the locations specified in Bid No. 006-21, Beverage Vending and Concessions 2021 – Three Year; and it is to be in the best interest of the public and the City of Fairhope to grant this franchise. City Clerk Lisa Hanks explained the ordinance which was part of the Bid Award for Concessions.

Council President Pro Tempore Conyers opened the Public Hearing at 6:11 p.m.

- 1) Gary Gover, 300 Lincoln Street, addressed the City Council and said it is not clear where vending machines are located. City Clerk Hanks explained the contract and the vending machine franchise. Mr. Gover said parents were told they must purchase Coke products per agreement.

No one present opposed the proposed ordinance, the Public Hearing closed at 6:17 p.m. Due to lack of a motion for immediate consideration, this ordinance will layover until the June 14, 2021 City Council meeting.

24 May 2021

Councilmember Boone introduced in writing an ordinance directing the Transfer and Declaring certain real property as surplus and not needed for public or municipal purposes, located at the Intersection of County Road 13 and County Road 32 Improvement, Tax ID 05-46-08-33-0-000-009.000: Tract Number 1; containing 0.210 acres, more or less to Baldwin County, Alabama to be used as part of construction of a roundabout at said intersection which will serve a public purpose allowing easier ingress and egress to the City's future sports fields and increase traffic safety at said intersection. Due to lack of a motion for immediate consideration, this ordinance will layover until the June 14, 2021 City Council meeting.

Councilmember Boone introduced in writing, and moved for the adoption of the following resolution, a resolution that the Fairhope City Council hereby authorizes Mayor Sherry Sullivan to prepare and sign a Letter of Intent for the Fairhope Educational Enrichment Foundation ("FEEF") to lease a portion of the K-1 Center property and buildings as contained within and specified in the attached Exhibit A- Pages 1 and 2. The lease will be \$1.00 per year (for a term of 25 years). The City Council hereby establishes and declares that the described real property of the City of Fairhope, Alabama, is not needed for public or municipal purposes during the term of this lease. The City of Fairhope will provide insurance for property. FEEF is not allowed to sublet any portion of the property; and will be responsible for maintenance. FEEF will be responsible for improvements to building conditions. The building improvements and educational opportunity constitute a valid public purpose for the City. The specific terms and conditions of which will be detailed in the Lease Agreement to be completed by August 1, 2021.

The motion was seconded by Councilmember Martin who said he spoke with FEEF. He said this is a great opportunity for the City of Fairhope that includes the Pelican's Nest, Community Engagement, and STEAM participation. Councilmember Martin commented that 25 years for this lease does not bother him. Council President Pro Tempore Conyers stated that this lease is for the four buildings out front and the Pelican's Nest. He said this is the "Education Project Component;" and if it is not being used for its intent, it would revert back to the City. Councilmember Robinson commented this will be great for the City and the program. After further discussion, motion passed unanimously by voice vote.

Councilmember Robinson introduced in writing, and moved for the adoption of the following resolution, a resolution to Authorize the Submission of an FY 2022 Transportation Alternatives Set-Aside Program Grant to the Alabama Department of Transportation to Construct New Sidewalk Facilities along Fairwood Boulevard and Blue Island Avenue. Total project cost is estimated at \$800,000.00; the City will be responsible for providing 20 percent or \$160,000.00. Seconded by Councilmember Boone, motion passed unanimously by voice vote.

24 May 2021

RESOLUTION NO. 4093-21

**AUTHORIZING THE SUBMISSION OF AN FY
2022 TRANSPORTATION ALTERNATIVES SET-ASIDE PROGRAM
GRANT TO THE ALABAMA DEPARTMENT OF TRANSPORTATION
TO CONSTRUCT NEW SIDEWALK FACILITIES ALONG
FAIRWOOD BOULEVARD AND BLUE ISLAND AVENUE**

WHEREAS, the Alabama Department of Transportation (ALDOT) is accepting applications from municipal governments for FY 2022 Transportation Alternatives Set-Aside Program (TAP) Grants; and

WHEREAS, the City of Fairhope has identified the need to provide new sidewalk facilities designated for use by pedestrians along Fairwood Boulevard and Blue Island Avenue in Fairhope; and

WHEREAS, the total project cost is estimated at \$800,000.00, and if funded, the grant will pay 80% or \$640,000.00 and the City of Fairhope will be responsible for providing 20% or \$160,000.00; and

WHEREAS, if funded, the City will see this project through to completion and will be responsible for providing long-term maintenance of the new facilities; and

NOW THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF FAIRHOPE IN REGULAR SESSION ASSEMBLED, that by this Resolution the City of Fairhope authorizes submission of a TAP Grant to ALDOT requesting funds to construct new pedestrian facilities.

BE IT FURTHER RESOLVED, that the City Council authorizes the Mayor to sign all required grant application documents on behalf of the City.

)

The City Council met in a Work Session
at 4:30 p.m., Fairhope Municipal Complex Council Chamber,
161 North Section Street, Fairhope, Alabama 36532,
on Monday, 24 May 2021.

Present were Council President Pro Tempore Jimmy Conyers, Councilmembers: Corey Martin, Jay Robinson, and Kevin Boone (Arrived at 4:32 p.m.), Mayor Sherry Sullivan, City Attorney Marcus E. McDowell, and City Clerk Lisa A. Hanks. Council President Jack Burrell was absent

Council President Pro Tempore Jimmy Conyers called the meeting to order at 4:30 p.m.

The following topics were discussed:

- The first item on the Agenda was the Presentation from Baldwin County Economic Development Alliance to present their proposed application for the K-1 Center by Lee Lawson. He said that this was an America Rescue Plan grant; and this will be an updated grant application with an 80/20 percent match. Mr. Lawson stated the grant is less than the last one; and will be for \$3.5 million and the City would be the lead applicant. He said that hopefully it would be out in a month, but is waiting on the "Notice of Funding." The consensus of the City Council was to move forward and for the City Clerk to prepare a resolution for the June 14, 2021 City Council meeting.
- Rick Hinrichs addressed the City Council and presented the Working Waterfront ADA Compliancy Report. (See attached Report) He mentioned Federal laws requiring ADA compliancy for Program Services and Activities; and said this will fall under Activities. Mr. Hinrichs said the ramp is needed; and also, a bluff edge access for wheelchairs. He said these are Government grant funds from the Restore Act which requires ADA compliancy from Section 504 for non-discrimination. The City Council questioned Fairhope Avenue; and other options. Mr. Hinrich stated compliance began in 1992 with access to be 200 feet from site; and the ramp in plan is 800 feet from site, but is the best access for wheelchairs and handicap individuals. Mayor Sullivan asked about a cable car of some sort for Council President Burrell. Mr. Hinrichs replied it would have to be large enough for a wheelchair and another person; and you must be able to lock down wheelchair so it will not move.
- The Discussion for the Triangle Property and Conservation Easement was next on the Agenda Councilmember Martin commented there are two options: one is to use as Parkland or have a Conservation Easement.

Mayor Sullivan said we could get a deed from Fairhope Single Tax Corporation. She said that if we are awarded a grant from ADECA, they would require any improvements to be approved by them. Council President Pro Tempore Conyers said we could consider deeding the property to Fairhope Single Tax Corporation. Then Fairhope Single Tax Corporation would deed back to the City with Park restrictions.

- Building Official Erik Cortinas addressed the City Council and mentioned the two Publix grocery stores being built: one at the intersection of Greeno Road and Old Battles Road (County Road 34); and one at State Highway 181 and State Highway 104. He mentioned office building near Volanta.
- City Treasurer Kim Creech addressed the City Council and said FEMA approved \$7.0 million; and was noticed on State's website. She said the Electric Department is the next large portion; and the Buildings will be next.

There being no further business to come before the City Council, the meeting was duly adjourned at 5:35 p.m.

The City Council met in an Agenda Meeting at 5:30 p.m.,
Fairhope Municipal Complex Council Chamber,
161 North Section Street, Fairhope, Alabama 36532,
on Monday, 24 May 2021.

Present were Council President Pro Tempore Jimmy Conyers, Councilmembers: Corey Martin, Jay Robinson, and Kevin Boone, Mayor Sherry Sullivan, City Attorney Marcus E. McDowell, and City Clerk Lisa A. Hanks. Council President Jack Burrell was absent.

Council President Pro Tempore Conyers called the meeting to order at 5:35 p.m. The City Council reviewed and discussed the agenda for their meeting to be held today at 6:00 p.m. Community Affairs Director Paige Crawford briefly explained Agenda Item Number 20 regarding the need for an air conditioner in the front area of the Nix Center. She introduced Kim Ryland who is over the Nix Center. Ms. Ryland announced that the Nix Center will open on June 1, 2021.

Council President Pro Tempore stated there was a need to add two agenda items on the City Council agenda: Tree Committee nominees and a Resolution regarding an electrical panel issue at the Wastewater Treatment Plant.

There being no further business to come before the City Council, the meeting was duly adjourned at 5:45 p.m.

Jimmy Conyers,
Council President Pro Tempore

Prepared by:

Carla Davis

Summary of Request:

The applicant is requesting an initial zoning of PUD (Planned Unit Development) conditional upon annexation. The property is approximately 30.7 acres and is located at the at the southeast corner of the intersection of County Road 48 and Blueberry Lane, to be known as Overland.

The applicant describes the project as a “age-targeted community” for citizens 55 years of age and older; however, they do not plan to restrict buyers under the age of 55. The project consists of 61 Single-Family lots and 16 Townhome Apartments. As proposed, the single-family portion will be accessed by standard streets that will be dedicated to The City of Fairhope. The applicant is proposing 7 different housing layouts with maximum lot coverage of the principal structure not to exceed 45%. The maximum building height will be 30 feet. The minimum house size will be 1,600 square feet with the smallest lot being 6,500 square feet. All the housing designs offer a 2-car garage included in the layout of the home.

The 16-unit townhomes will be accessed by a private asphalt drive and will be a minimum of 1,200 square feet each. The maximum building height will be 35 feet. Exterior materials will consist of hardie board, wood and vinyl eaves. The driveways will be concrete, and each townhome will be accompanied with a single car garage included as a part of the design layout.

The development will utilize City of Fairhope water, sewer and gas services; Baldwin EMC for electrical service; and AT &T for the telephone service. A preliminary utility plan has also been submitted for review.

Comments:

The proposed 61 Single-Family dwelling and 16 unit Townhome Apartment development does not seem to be out of character with the surrounding area. It appears that majority of the city’s zoning districts in the area are residential and range from R-3, High Density to R-1, Low Density zonings. There are also additional PUD’s which include both residential and commercial developments. The subject site is near a Village Node as contemplated by the city’s Comprehensive Plan.

Per the site data table, the proposed density for this project is roughly 2.51 units per acre. In the narrative, the applicant referenced other subdivisions within a general vicinity such as River Mill, River Station, Gayfer Estates Plantation, Arlington Farms, Falls Creek, and The Oaks at Fairhope and the overall density requested for this development does appear to keep in line with the neighboring developments. Most of the lots will be 6,500 square feet, with the largest lot being 11,388 square feet. As proposed, lots will be roughly 50’ wide and 130’ in length. The average lot is 7, 087 square feet with 25’ front and rear yard setbacks, and 5’ side yard setback except where there is a corner lot which will be a 20’ side street setback.

Area Neighborhoods

River Mill	Acreage	Lots	Density
Phase 1	15.3	36	2.35
Phase 2	8.92	33	3.70
Phase 3	12.6	32	2.54
Phase 4	19.6	61	3.11
TOTAL	56.42	162	2.87

River Station	Acreage	Lots	Density
Phase 1	9.85	31	3.15
Phase 2	13.01	27	2.08
Phase 3	8.75	27	3.09
TOTAL	31.61	85	2.69

Gayfer Estates Plantation	Acreage	Lots	Density
Phase 1	22.28	47	2.11
Phase 2	16.7	47	2.81
TOTAL	38.98	94	2.41

Arlington Farms	Acreage	Lots	Density
Phase 1	11.07	19	1.72
Phase 2	14.73	22	1.49
TOTAL	25.8	41	1.59

Falls Creek	Acreage	Lots	Density
Phase 1	30.51	62	2.03
TOTAL	30.51	62	2.03

The Oaks at Fairhope	Acreage	Lots	Density
	4.8	50	10.42
TOTAL	4.8	50	10.42

Cumulative Totals	188.1	494	2.63
--------------------------	--------------	------------	-------------

TYPICAL LOT

The site plan illustrates 9.0 acres of greenspace, which is roughly 29.4% of the total site. This exceeds the 15% requirements for greenspace. The total overall common area will be 14.89 acres (48.5%).

The site plan depicts a 10’ buffer along the perimeter of the site. The 20’ greenspace buffer as required per the Tree Ordinance is depicted along Fairhope Avenue and a 15’ common area is also depicted between lots 57-61 and Lot 1. A 6’ wooden privacy fence will be built along the rear lot lines of lots 1-23 at the time of construction (eastern perimeter).

The layout of the site promotes connectivity and provides sidewalks along all street frontages, including a sidewalk on Fairhope Avenue (Hwy 48) with a bridge crossing the wetlands. The plan depicts a mulch trail system, walking bridge to access the proposed nature trail which will also include a park and benches located along the trail. There are also dog waste stations, and pond fountains dispersed throughout the development. If approved, the applicant has an estimated construction start time of 8 months, roughly by November 2021. The development will be constructed as a single phase. A three to five year build out is projected. Townhome apartments are projected for completion by December 2021.

An unsigned copy of the Declaration of Covenants is included within the Master Development Plan. a portion of the Covenants pertaining to sidewalks is inconsistent with City of Fairhope Subdivision Regulations. The portion is listed below:

(c) All sidewalks shall be constructed along the street right-of-way of each lot as noted on the Plat of Subdivision or as required by the City of Fairhope, Alabama. Accordingly, each site plan submitted to the Architectural Review Committee shall show the location and material to be used for construction of the sidewalk, all as required and approved by the Architectural Review Committee. Each owner shall construct or cause to be constructed on his or her Lot approved sidewalk upon completion of the house on his or her lot before occupancy thereof.

The covenants state all sidewalks are to be built by each owner on their lot. Sidewalks are shown within the ROW. Subdivision regulations require sidewalks and street trees to be installed prior to applying for Final Plat approval. Covenants do not override zoning code or subdivision requirements, but in an effort to avoid confusion, staff is memorializing when sidewalks and street shall be installed via a condition of approval.

Fairhope's Zoning Ordinance (Article II Section C.1.e) contains nine (9) criteria by which an application for re-zoning shall be reviewed:

(1) Compliance with the Comprehensive Plan;

Response: Meets. As proposed, the subject property and several surrounding properties are recommended for Residential use by the "Preferred Land Use Plan" as outlined in the 2015 Comprehensive Plan.

(2) Compliance with the standards, goals, and intent of this ordinance;

Response: Meets. This area is identified as a village node, it is important to point out that villages are located at or near the intersections of large corridors, their characteristics will be much different that Downtown Fairhope and other places throughout the city while still promoting connectivity and adequate density.

(3) The character of the surrounding property, including any pending development activity;

Response: Meets. The surrounding area is actively developing with both residential and commercial development.

(4) Adequacy of public infrastructure to support the proposed development;

Response: Meets. As proposed, the development will have City of Fairhope water, sewer and gas services and Baldwin EMC for electric.

(5) Impacts on natural resources, including existing conditions and ongoing post-development conditions;

Response: If approved, the development will go through the subdivision process for which compliance with all regulations will be enforced.

(6) Compliance with other laws and regulations of the City;

Response: If approved, the development will go through the subdivision process for which compliance with all regulations will be enforced.

(7) Compliance with other applicable laws and regulations of other jurisdictions;

Response: N/A.

(8) Impacts on adjacent property including noise, traffic, visible intrusions, potential physical impacts, and property values; and,

Response: Meets. The proposed development does not appear to have any adverse effects to the surrounding area.

(9) Impacts on the surrounding neighborhood including noise, traffic, visible intrusions, potential physical impacts, and property values.

Response: Meets. The proposed development does not appear to have any adverse effects to the surrounding area.

Recommendation:

Staff recommends Case # ZC 21.01 Overland PUD amendment for PPIN 43640 be approved with the following conditions:

1. All sidewalks and streets shall be installed prior to submission of Final Plat Approval, including sidewalk along Fairhope Avenue.

ORDINANCE NO. _____

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF FAIRHOPE, ALABAMA, AS FOLLOWS:

SECTION 1. The City of Fairhope, Alabama, having received an application from **Coca-Cola Bottling Company United** for a franchise agreement to operate **Beverage Vending Machines** at the following location described: **in locations specified in Bid No. 006-21, Beverage Vending and Concessions 2021**, and it is to be in the best interest of the public and the City of Fairhope, Alabama, to grant a franchise to **Coca-Cola Bottling Company United** under the terms and conditions of the franchise agreement attached hereto as "Exhibit A" including the fees that shall be paid to the City with respect to same.

SECTION 2. Pursuant to the authority granted by Section 11-40-1 and 11-43-62 of the Code of Alabama of 1975, the Mayor of the City of Fairhope, Alabama, is hereby directed to execute said franchise agreement in the name of the City of Fairhope, Alabama.

SECTION 3. The sections, paragraphs, sentences, clauses and phrases of this ordinance are severable, and if any phrase, clause, sentence, paragraph or section of this ordinance shall be declared unconstitutional by a court of competent jurisdiction, then such ruling shall not affect any other paragraphs and sections, since the same would have been enacted by the municipality council without the incorporation of any such unconstitutional phrase, clause, sentence, paragraph or section.

SECTION 4. This ordinance shall take effect immediately upon its due adoption and publication as required by law.

EXHIBIT B

FRANCHISE AGREEMENT

(Amended 10-23-17)

FRANCHISE AGREEMENT

This Agreement is made and entered into by and between the City of Fairhope, Alabama ("City") a municipal corporation and Coca-Cola Bottling Company United - Central, LLC ("Grantee").

RECITALS

Grantee is a sole proprietor with a principal place of business at _____ Fairhope, AL 36532. Grantee is engaged in the business of Beverage Vending to the public. Grantee proposes to install and operate Beverage Vending Machines at the Selected City Locations. Grantee requests that the City grant to Grantee a franchise to install, maintain and operate this business on public property at the agreed upon Vending Locations.

In consideration of the mutual covenants, promises and conditions set forth herein the parties agree as follows:

SECTION 1

Section 1.1 DEFINITIONS

Unless otherwise specially provided, or unless clearly required by the context, the words and phrases defined in this section shall have the following meanings when used in this Ordinance and Franchise Agreement:

- (1) **MAYOR:** Shall mean the Mayor of the City of Fairhope
- (2) **COUNCIL:** Shall mean the City Council of Fairhope, the governing body of City of Fairhope, Alabama.
- (3) **CITY:** Shall mean City of Fairhope, Alabama, which is governed by the Fairhope City Council.
- (4) **FRANCHISE:** Shall mean the franchise granted under the provisions of the Ala. Code §11-40-1, et seq., which authorizes municipalities to contract and to be contracted with. A "franchise" as used in this agreement is a special privilege not belonging to the citizens by common right but conferred by a municipality upon an individual or corporation.
- (5) **GRANTEE:** Shall mean Coca-Cola Bottling Company United - Central, LLC to whom a franchise has been granted by the City or anyone who succeeds Coca-Cola Bottling Company United - Central, LLC, in accordance with the provisions of the franchise.

(6) **GROSS REVENUES:** Shall mean all revenues received by the Grantee from or in connection with the operation of the franchise to provide services in the City of Fairhope pursuant to this franchise agreement.

(7) **PERSON:** Shall mean an individual, partnership, association, joint stock company, trust, corporation, or governmental entity.

(8) **SERVICE AREA:** Shall mean the geographical area within City of Fairhope and specifically defined as follows: City Vending Machine Locations

Section 1.2 REQUIREMENTS FOR FRANCHISE

(a) No person shall engage in the construction, operation, or maintenance of a private business on public property in the City unless such person or the person for whom such action is being taken shall hold a valid franchise granted by the City.

(b) Any franchise granted by the City pursuant to these rules and regulations shall not be deemed to be an exclusive right of permission. The City expressly reserves the right to grant similar nonexclusive franchises to other persons.

(c) In the event the City enters into a franchise, permit, license, authorization, or other agreement of any kind with any other person or entity other than the Grantee to enter into the City's Public Rights-of-way or public property for the purpose of operating a private business on public property in any part of the City, the material provisions thereof shall be reasonably comparable to those contained herein, in order that one operator not be granted an unfair competitive advantage over another, and to provide all parties equal protection under the law.

(d) No franchise shall be granted by the City in the Central Business District located in downtown Fairhope.

(e) No franchise shall be granted by the City to any food vendor who does not show proof of ServSafe certification.

(f) No franchise shall be granted by the City to any vendor requiring a running water supply for personal sanitary purposes and/or for cleaning equipment used in the preparation of his/her product unless water supply is provided and metered by the City.

(g) Food franchises shall meet all Alabama Health Department regulations and show proof thereof.

(h) No franchise shall be granted by the City to any vendor who has electrical requirements without securing metered power from the City or, if applicable, having a generator to supply the power required; generator shall meet City of Fairhope noise ordinances.

Section 1.3 TERM OF FRANCHISE, RENEWAL

(a) The duration of this franchise agreement granted pursuant to this Ordinance shall be for one year and shall be renewed automatically each year for three years unless notice of termination is given in writing to the other party at least 60 days prior to the expiration of the then current term. This Agreement shall commence 10 days

after approved by the City Council.

Section 1.4 ENFORCEMENT OF FRANCHISE

(a) A Grantee shall not be excused from complying with any of the terms or conditions of the franchise by any failure of the City upon any one or more occasions to insist upon or to seek compliance with any such terms or conditions.

(b) Whenever the City shall set forth any time for any action to be performed by or on behalf of Grantee, said time shall be deemed of the essence and any failure of Grantee to perform within the time allotted shall be sufficient grounds for the City to revoke the franchise.

(c) A Grantee agrees by filing an application for a franchise that they will not assert, at any time, in any claim or proceeding that any condition or term of the franchise is unreasonable, arbitrary or void or that the City had no power or authority to make such term or conditions, but shall be required to accept the validity of the terms and conditions of the franchise in their entirety.

Section 1.5 CONFLICT WITH LAWS

(a) Whenever any law of the State of Alabama or of the United States, or of any agency of either, shall be in direct conflict with and supersede any provision of these rules and regulations, then for so long as such state or federal law or regulation shall be in force and effect, any affected provisions of this franchise granted hereunder shall be suspended and be of no force and effect and the Grantee shall not be required to comply with such provision; however, the validity of the remaining portions or provisions shall not be affected thereby. In the event this franchise imposes burdens different than those imposed by any other law, but within the power of the City to impose said burdens, the more restrictive provision shall apply.

(b) If any section, sentence, clause or phrase of these rules and regulations or of any franchise granted hereunder is held unconstitutional or otherwise invalid, such infirmity shall not affect the validity of the remaining portion of these rules and regulations or a of any franchise granted hereunder.

SECTION 2

Section 2.1 PROCEDURE FOR GRANTING FRANCHISE

(a) Any person desiring a franchise shall apply to the City for such a grant. The **application for a franchise** shall be in writing, in the form approved by and containing such information as required by the City and must be accompanied by a nonrefundable **application fee of \$150.00 by cashier's check, certified check or money order payable** to City of Fairhope. This is a separate fee from the Franchise fee.

(b) Upon receipt of said franchise application, the City shall provide notice of said application and conduct a public hearing to determine if the grant of the franchise would be in the best interest of the citizens of City of Fairhope.

(c) The application shall contain a statement under oath that the applicant will comply with all legal, financial and technical provisions of these rules and regulations and any other municipal, state or federal regulatory agencies.

(d) The application shall define the proposed service area of the applicant with specific time standards for the establishment of service to suit the service area.

SECTION 3

Section 3.1 CONSTRUCTION AND INSTALLATION

(a) After receipt of an initial franchise, a Grantee shall proceed with due diligence to install and begin operation of the franchise.

(b) Failure on the part of the Grantee to commence and diligently pursue Beverage Vending or failure to commence operation after 90 days from the commencement of this agreement shall be grounds for termination of the franchise. The City may extend the time for the commencement and completion of Beverage Vending for additional periods in the event the Grantee, acting in good faith, experiences delays by reasons of circumstances beyond her control.

(d) The Vending Machines shall be constructed and operated in accordance with all adopted City, state and national construction and electrical codes.

Section 3.2 CONDITIONS FOR USE OF PUBLIC PROPERTY

(a) Grantee shall not install or begin operation of the franchise business until the installation has been approved by the Mayor or his designee.

Section 3.3 OPERATION AND MAINTENANCE

(a) The Grantee shall install and maintain Beverage Vending in a prudent and reasonable manner.

(b) Failures or malfunctions of the Beverage Vending shall be corrected by the Grantee promptly after notice of such failure or malfunction except or unless such failure or malfunction shall have been caused by storm, fire, lightening, explosion, civil unrest or other similar catastrophe.

(c) The City shall, if it deems it necessary, have the right and privilege to inspect the installation, operation and maintenance of the beverage vending by the Grantee in order to satisfy itself as to the proper performance of the terms of this franchise agreement.

SECTION 4

Section 4.1 FRANCHISE FEE

(a) There shall be a franchise fee of twenty (20) percent of Gross Revenues; and the fee for the business license which is an annual license issued by the municipality for the privilege of doing any kind of business, trade, profession or other activity in the municipality, by whatever name called.

(b) Grantee shall pay quarterly to the City during the life of the franchise a sum equal to twenty (20) percent of its gross revenues. Grantee shall file with the City on such form as prescribed by the City within sixty (60) days after the end of each quarterly a report, under oath at the risk of perjury, of the gross revenues for the preceding quarterly period, and shall, at the same time, pay to the City a sum equal to twenty (20) percent of the gross revenues for the said quarterly period.

Exception #13

Item X, Exhibit B Franchise Agreement, Section 4.2 Indemnifications

United takes exception and proposes the following changes for consistency with the RFP's previous indemnification and insurance sections as redlined below:

a. *Grantee shall at his/her sole cost and expense fully indemnify, defend and save harmless the City, its officers, boards, and employees against any and all claims, demands, suits, actions, liability and judgments for damage arising out of the negligence or willful misconduct of the Grantee in the construction, operation and maintenance of the beverage vending franchise, and against all liabilities for damages by reason of, or arising out of, any failure by Grantee to safely operate and maintain the beverage vending franchise, including reasonable attorney's fees, arising out of the exercise or enjoyment of this franchise, irrespective of the amount of comprehensive liability policy required hereunder. This indemnity shall not apply to damages occasioned solely and exclusively by acts of the City, its agents or employees.*

~~(b)~~ *Within thirty (30) days after the granting of the franchise and at all times during the term of the franchise, Grantee shall obtain, pay all premiums for, and file with the City a Certificate of Insurance for such insurance coverage as set forth in Item VII (INSURANCE) of the Bid 006-21.*

(c) *All of the foregoing insurance certificates shall be in form satisfactory to the City and shall be issued and maintained by companies authorized to do business in the State of Alabama and acceptable to the City and they shall endeavor to provide thirty (30) days written notice of any cancellation or reduction in coverage to both the City and Grantee herein, and a copy of said certificates shall be filed with the City.*

Section 4.2 INDEMNIFICATIONS

(a) Grantee shall at his/her sole cost and expense fully indemnify, defend and save harmless the City, its officers, boards, and employees against any and all claims, demands, suits, actions, liability and judgments for damage arising out of the construction, operation and maintenance of the

franchise, and against all liabilities for damages by reason of, or arising out of, any failure by Grantee to safely operate and maintain the _____, including reasonable attorney's fees, arising out of the exercise or enjoyment of this franchise, irrespective of the amount of comprehensive liability policy required hereunder. This indemnity shall not apply to damages occasioned solely and exclusively by acts of the City, its agents or employees.

(b) Within thirty (30) days after the granting of the franchise and at all times during the term of the franchise, Grantee shall obtain, pay all premiums for, and file with the City executed duplicate copies and receipts evidencing the payment of premiums for the following:

A general comprehensive public liability insurance policy indemnifying, defending and saving harmless the City, its officers, boards, agents or employees from any and all claims by any person whatsoever on account of injury to or death of a person or persons occasioned by the operations of the Grantee under franchise herein granted or alleged to have been so caused with a minimum of liability of _____ for personal injury or death of any two or more persons in any one occurrence. Renewal certificates of such insurance shall be promptly forwarded to the City as such renewals are made, and such insurance shall be kept in force and effect during the term of this grant or franchise. The Grantee and/or the insurance company shall file with the City a written notice of any material alteration or cancellation of any insurance coverage at least thirty (30) days prior to the effective date of such alteration or cancellation. Property damage insurance indemnifying, defending and saving harmless the City, its officers, boards, agents, and employees from and against all claims by any person whatsoever for property damage occasioned by the operation of a Grantee under franchise granted by _____ City caused with a minimum liability of _____ for property damage to two or more persons in any one occurrence. Said policies of insurance shall name the City as an additional insured.

(c) All of the foregoing insurance certificates shall be in form satisfactory to the City and shall be issued and maintained by companies authorized to do business in the State of Alabama and acceptable to the City and they shall require thirty (30) days written notice of any cancellation or reduction in coverage to both the City and Grantee herein, and a copy of said certificates shall be filed with the City.

Section 4.3 BOOKS/RECORDS OF GRANTEE

(a) All books and records of a Grantee concerning its operations within the City necessary for the enforcement of the provisions of this franchise, shall be made available for inspection and audit upon demand by the City within thirty (30) days after any request for such inspection or audit has been made.

Section 4.4 GRANTEE ACKNOWLEDGEMENT

(a) Grantee is an independent contractor. No agency or employment relationship is created by this Franchise Agreement.

SECTION 5

Section 5.1 SALE OR LEASE OF FRANCHISE

(a) No transfer or control of the Beverage Vending, whether by force or voluntary sale, lease, assignment, foreclosure, attachment, merger, or any other form of disposition, shall occur or be considered valid without first giving prior notice and receiving the approval of the City. The notice shall include full identifying particulars of the proposed transaction. For the purpose of determining whether it shall consent to such change, transfer, or acquisition of control, the City may inquire into the qualification of the prospective controlling party and the Grantee shall assist the City in any such inquiry. The City shall have one 60 days from the date the notice is received by the City within which to approve or disapprove, by resolution, the proposed transfer of control. The City will not unreasonably withhold its approval.

(b) Approval of such transfer shall be expressly conditioned upon full compliance with the material terms of the franchise agreement and this Ordinance. The transferee shall agree in writing to comply with all provisions of this Ordinance and the franchise agreement.

Section 5.2 REVOCATION OF FRANCHISE

(1) Subject to the provisions of this section, the City reserves the right to revoke, at any time, any franchise granted hereunder and rescind all rights and privileges associated therewith in the event that:

(a) Grantee has not substantially complied with a material provision of this Ordinance, the franchise agreement, or of any supplemental written agreement entered into by and between the City and the Grantee; or

(b) Grantee has made a material false statement in the application for the franchise, knowing it to be false, or Grantee commits a fraud in its conduct or relations under the franchise with the City; or

(c) Grantee becomes insolvent, enters into receivership or liquidation, files for bankruptcy or assignment for benefits of creditors, or is unable to pay its debts as they mature, unless the Grantee is in due process of contesting such debts; or

(d) Grantee fails to substantially comply with a material provision of any federal or state statute, or of any material rules or regulations that govern telecommunications; or

(e) Grantee exhibits a pattern of failing to comply with service standards as adopted herein or in the franchise agreement; or

(f) Grantee fails to comply with any federal or state judgment arising directly from the exercise of Grantee's rights under its franchise; or

(g) Grantee fails to provide or maintain in full force and effect the bond and insurance policies required by this Ordinance and franchise agreement; or

(h) Grantee assigns, sells or transfers its title or interest in its franchise without the consent of the City.

(2) In the event that the City shall make a preliminary decision to revoke a franchise granted hereunder, it shall give the Grantee a minimum of thirty days written notice of its intention to terminate and stipulate cause. A public hearing shall be scheduled for the end of said 30-day period. If during said period, the cause shall be cured to the satisfaction of the City, the City shall declare the notice to be null and void. If the cause is not cured to the satisfaction of the City, before a franchise may be terminated, the Grantee must be provided with an opportunity to be heard before the City in a public hearing in accordance with due process procedures. After the public hearing, if the City, by majority vote,

determines that the franchise should be terminated, it shall issue a written decision containing its findings of fact and stating the specific grounds for termination. The decision to terminate a franchise shall be subject to judicial review as provided by law.

(3) A Grantee shall not be declared in default or be subject to any sanction under any provision of this Ordinance and franchise agreement in any case where the City determines that the action justifying such sanction is without the Grantee's knowledge or authorization or outside its control.

Section 5.3 RIGHTS UPON REVOCATION OR NON-RENEWAL

In the event the City determines that a franchise should not be renewed at its expiration or that a franchise should be revoked for cause as permitted hereunder, the Grantee shall be allowed three months from the date of such determination, or such longer period as the City may permit, to negotiate the sale of its beverage vending within the City to another provider at a price acceptable to the Grantee, provided that such sale shall be approved by the City pursuant to Section 5 herein. In the event a sale to a provider acceptable to the City is not then negotiated within the time allowed, then an independent expert shall be appointed to

determine the fair market value of the Grantee's beverage vending. The appointment of said expert shall be by mutual agreement between the City and the Grantee; provided, however, that if the City and the Grantee are unable to reach an agreement within 30 days of the written decision of termination, then the matter of appointing an expert shall be submitted, within ten (10) days immediately following expiration of the former 30 days, to the American Arbitration Association [unless the City and the Grantee mutually agree upon some other arbitrator(s)], and the expert designated by the American Arbitration Association or such other arbitrators shall be appointed. The cost of employing the arbitrator or arbitrators and the cost of arbitration, if required, shall be borne equally by the Grantee and the City. Upon determination of the fair market value of the Grantee's Beverage Vending by the appointed independent expert, the Grantee shall be required to sell its beverage vending to any entity which offers said fair market value and which has obtained the approval of the City to purchase said beverage vending.

Section 5.4 REMOVAL AND ABANDONMENT OF PROPERTY

(a) If the use of any part of Grantee's beverage vending is discontinued for any reason for a continuous period of twelve (12) months, or if such beverage vending does not comply with the requirements of these rules and regulations, or if Grantee's franchise is terminated or revoked the City may in its discretion require that said _____ be sold to a franchise designated by the City at a purchase price equal to the _____ fair market value as determined in subsection (b) hereof.

Our equipment cannot be resold and belongs to Coca-Cola Bottling Company United Central, LLC at all times

(b) Any dispute between the City and the Grantee over determination of the system's fair market value shall be determined in accordance with Section 5.3 above.

Section 5.5 MISCELLANEOUS PROVISIONS

(a) This agreement constitutes the entire agreement of the parties and supersedes any and all agreements, understandings, statements or representations either oral or in writing. This agreement can be amended only by a written document signed by the parties.

(b) This agreement shall be enforced and interpreted pursuant to the laws of the State of Alabama.

IN WITNESS WHEREOF, the Parties have hereunto set their respective signatures and seals on the ____ day of _____, 20__.

RESOLUTION NO. 3972-21

BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF FAIRHOPE, ALABAMA, as follows:

[1] That the City of Fairhope did request, receive, and open bids for Beverage Vending and Concessions 2021 – Three Year for the Recreation Department for the Recreation Department (Bid Number 006-21) at 555 South Section Street in the City of Fairhope offices, Fairhope, Alabama.

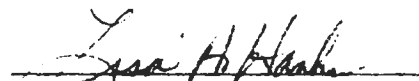

[2] At the appointed time and place, the bids were opened and tabulated.

[3] After evaluating the bid proposals with the required bid specifications, only one valid bid was received and we request that all bids be rejected for Beverage Vending and Concessions 2021 – Three Year for the Recreation Department Bid No. 006-21; and authorize the Mayor to negotiate a contract with the one bidder, pursuant to the Code of Alabama 1975, Section 39-2-6(b).

Adopted on this 8th day of February, 2021

Jack Burrell, Council President

Attest:

Lisa A. Hanks, MMC
City Clerk

ORDINANCE NO. _____

**AN ORDINANCE DIRECTING THE TRANSFER OF LAND
TO BALDWIN COUNTY, ALABAMA AND DECLARING
SAID PROPERTY TO BE SURPLUS AND NOT NEEDED
FOR PUBLIC OR MUNICIPAL PURPOSES LOCATED AT
INTERSECTION OF COUNTY ROAD 13 AND COUNTY
ROAD 32 IMPROVEMENT 05-46-08-33-0-000-009.000
TRACT NUMBER 1**

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF
FAIRHOPE, ALABAMA, AS FOLLOWS:

Section 1. The legal description of the real estate that is the subject matter of this Ordinance is in Baldwin County, Alabama and is more particularly described as follows:

A part of the Southeast Quarter of the Southeast Quarter of Section 33, Township 6 South, Range 2 East, identified as Tract Number 1 on County Road 13 at County Road 32 Intersection Improvement Project No. 0222219/HW19222000 in Baldwin County, Alabama and being more fully described as follows:

Parcel 1 of 1:

Commencing at a BCHD set concrete monument found at the southeast corner of the Southeast Quarter of Section 33, Township 6 South, Range 2 East, in Baldwin County, Alabama;

Thence N89°53'02"W along the south line of said Section a distance of 109.81 feet to a point;

Thence N0°00'00"W leaving the south line of said Section a distance of 49.98 feet to the grantor's property corner and being the Point of Beginning of the property herein to be conveyed;

Thence N89°53'02"W along the grantor's south property line a distance of 83.97 feet to a point on the acquired R/W line (said point is offset 54.58 feet left of and perpendicular to project centerline of County Road 32 at Station 34+73.00);

Thence N40°57'59"E along the acquired R/W line a distance of 205.28 feet to a point on the grantor's east property line (said point is offset 54.54 feet right of and perpendicular to project centerline of County Road 13 at Station 44+74.03);

Thence S0°13'32"W along the grantor's east property line a distance of 105.35 feet to the grantor's property corner;

Thence S45°12'43"W along the grantor's property line a distance of 70.73 feet to the Point of Beginning of the property herein conveyed and containing 0.210 acres, more or less.

Ordinance No. _____
Page -2-

Section 2. The City Council of the City of Fairhope has determined that the proposed roundabout to be built on said property will serve a public purpose allowing easier ingress and egress to the City's future sports fields and increase traffic safety at said intersection. The City Council hereby authorizes the Mayor to execute all necessary deeds and documentation to donate said described land to Baldwin County, Alabama for the public purpose of a roundabout to be constructed at said intersection.

Section 3. The sections, paragraphs, sentences, clauses and phrases of this ordinance are severable, and if any phrase, clause, sentence, paragraph or section of this ordinance shall be declared unconstitutional by a court of competent jurisdiction, then such ruling shall not affect any other paragraphs and sections, since the same would have been enacted by the municipality council without the incorporation of any such unconstitutional phrase, clause, sentence, paragraph or section.

Section 4. This ordinance shall take effect immediately upon due adoption and publication as required by law.

Adopted and approved this 14th day of June, 2021

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF FAIRHOPE REPEALING AND REPLACING SECTION 21-21 BY THE ADOPTION OF THE FOLLOWING ELECTRIC RATES FOR ALL CUSTOMERS OF THE CITY

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF FAIRHOPE, ALABAMA, as follows:

SECTION ONE. Code of Ordinances, City of Fairhope, Alabama, Chapter 21 Utilities and Services, Section 21-21, is hereby repealed and replaced as per the following monthly rates:

Section. 21-21. - Rates—Regular service.

(a) *Base rates.* The following monthly rates for all electric customers served by the city:

- (1) *Residential R1:* Applicable to single residences, individually metered mobile homes, and individual family apartments where cost of service is paid by the occupant.

Customer Charge: \$13.00 per month (Minimum), plus
First 3000 KWH/month @ \$0.103660, plus
All Over 3000 KWH/month @ \$0.114540, plus FCA & Tax

- (2) *Commercial C1:* Applicable to nonresidential power service where the maximum fifteen-minute interval integrated demand does not exceed 49 kw.

Customer Charge: \$33.50 per month (minimum), plus
All KWH/month @ \$0.109907, plus FCA & tax

- (3) *Industrial I1:* Applicable to nonresidential electric service where the maximum fifteen-minute interval integrated demand is 50 kw or more.

Customer Charge: \$82.00 per month (minimum), plus
Demand: All demand @ \$8.46 per KW/month; minimum demand is 75% of highest demand imposed during preceding 11 months, but not less than 38 KW = \$321.44, plus

Energy:
First 20,000 KWH/month @ \$0.084817, plus
All Over 20,000 KWH/month @ \$0.079081, plus FCA & tax

- (4) *Hospital H1.* Applicable to hospital electric service where the maximum 15-minute interval integrated demand is 500 KW or more.

Customer Charge: \$82.00 per month (Minimum), plus
Demand: All demand @ \$8.46 per KW/month; minimum demand is 75% of highest demand imposed during preceding 11 months, but not less than 38 KW = \$321.44, plus

Energy:
First 20,000 KWH/month @ \$0.08480, plus
All Over 20,000 KWH/month @ \$0.0720, plus FCA & tax

- (5) *Schools M1:* Applicable to public and private primary and secondary schools, regardless of size of their electrical requirements.

Customer Charge: \$13.00 per month (minimum), plus
All KWH/month @ \$0.103660, plus FCA & tax

- (6) *Eleemosynary M2*: Applicable to churches and nonprofit organizations who receive the majority of their support from charitable contributions.

Customer Charge: \$13.00 per month (minimum), plus
 All KWH/month @ \$0.103660, plus FCA & tax

- (7) *Eleemosynary M2I*: Applicable to churches and non-profit organizations who receive the majority of their support from charitable contributions where the maximum 15-minute interval integrated demand is fifty (50) KW or more.

Customer Charge: \$13.00 per month (Minimum), plus
 Demand: All Demand @ \$3.80 per KW/month; Minimum Demand is 75% of highest demand imposed during preceding 11 months, but not less than 38 KW = \$144.30, plus
 Energy: ALL KWH/month @ \$0.058323, plus FCA & Tax

- (8) *City use M3*: Applicable only to City of Fairhope accounts and departments.

ALL KWH @ \$0.10287 per KWH, plus FCA & tax, if not exempt. No minimum, plus FCA & tax.

- (9) *Security lights*: The following monthly security light rentals assume city ownership of treated pine pole, mounting brackets and hardware, open lighting fixture lamp, photoelectric control, and one (1) span of # six (6) aluminum overhead duplex cable. Customers shall be billed for additional installation costs for equipment and work which exceed the above standard installation. Customers shall be responsible for all charges due to vandalism or abuse.

Metal halide or mercury	Lumens	Monthly rental, plus tax.
175 W.	8,600	\$ 9.58
250 W.	12,100	\$13.71
400 W.	22,500	\$21.91

High pressure sodium:	Lumens	Monthly rental, plus tax.
100 W.	9,500	\$ 9.58
150 W.	15,000	\$ 8.21
200 W.	22,000	\$11.55
250 W.	22,500	\$13.71
400 W.	50,000	\$21.91

LED	Monthly rental, plus tax.
XNV	\$ 8.17
XNV2	\$13.65

- (10) *Temporary or seasonal service surcharge*: When commercial or industrial service is provided for a period of less than one (1) year continuously or is seasonal or temporary, a surcharge of twenty-five (25) per cent shall be added to each month's bill, before applying tax, after the bill has been computed in accordance with the applicable rate schedule. No monthly minimum or other charge is to be made during the period that service is disconnected. For each nonrecurring temporary service where it is necessary for a temporary service pole to be set and/or a temporary service drop to be installed from existing utility facilities, the city may assess additional charges to recover the cost of installing and removing such service.

- (11) *Tax*: The four (4) per cent Alabama Utilities Gross Receipts Tax is applicable to all rates, except exempt accounts of city, state, and federal governments. Should any other state or federal tax be levied, it shall be charged in addition.

- (b) *Schedule FCA.* Schedule FCA shall provide for the monthly fluctuation in wholesale "fuel adjustment cost" changes as currently reflected in the monthly purchased power invoice received from the Alabama Municipal Electric Authority ("AMEA"). In the event schedule FCA results in a negative factor, such negative FCA factor shall be applied to each customer's monthly bill. All FCA factors shall be rounded off to the nearest one-thousandth of a mill (\$0.000000).

The FCA shall be calculated from the total current billing period's wholesale fuel adjustment charges billed from supplier(s) and then billed at retail by the city, as follows:

$$FCA = (F+A)/R$$

Where:

F = Total estimated wholesale supplier fuel adjustment charges to be billed during the coming billing period(s) in dollars.

A = Adjustment to reflect any over/under recovery of the FCA during previous billing period(s) in dollars.

R = Total retail kWh sales estimated to be billed during the coming billing period(s).

- (c) *Labor cost adjustment (LCA) factor.* The base rates set forth above may be adjusted periodically to account for permanent changes in labor-related revenue requirements (c.g., salaries and wages, pensions, and benefits, etc.) that come about as a result of budget actions taken by the city council for a fiscal year. Such adjustment, when approved by the city council, shall be calculated as follows:

$$LCA = 1 + ((TLCB - TLCBR)/BRRR)$$

Where:

TLCB = The total annual labor cost, in dollars, that is reflected in the electric utility budget for the coming fiscal year, as approved by the City Council.

TLCBR = The total annual labor cost, in dollars, that is reflected in the current base electric rates.

BRRR = The total estimated revenue requirement, in dollars, that is being recovered in current base rates.

The LCA factor so calculated shall be applied to each retail rate set forth above, excluding schedule FCA, such that it will result in new base electric rates. Thus, when applied, a new TLCBR and BRRR will be established for future LCA calculations. The following accounts shall be used in the determination of total labor costs as reflected in TLCB and TLCBR:

Collection costs/revenue department

Administrative costs

Salaries

Payroll taxes

Retirement expense

Medical insurance

Casualty/workers compensation insurance

- (d) *Definitions.*

(1) *Billing period:* may include the coming monthly billing period or, if the City so elects, the six-month levelization period fuel cost adjustment as currently offered by AMEA.

(2) *Supplier fuel adjustment charges:* Current period fuel adjustment charges by all wholesale suppliers.

- (3) *Retail kWh sales:* Total estimated billing period retail kWh sales recorded by the city to all residential customers, schools, churches, nonprofit organizations, commercial and industrial customers. Sales recorded by the city as sales to various city departments and facilities, except the water and sewer department, shall be excluded from retail kWh sales. Estimated kWh consumption associated with non-metered security lights shall also be excluded.

(c) *General rules and regulations.*

Payment: Bills are payable within ten (10) days from due date and, if not paid within such period, may be increased as determined by the mayor and council.

Service and metering: Service to more than one (1) premise shall not be combined, nor shall it be shared with or resold to others. Any customer receiving service at two (2) different voltages or metering points will be considered as two (2) separate customers for billing purposes. The type and location of metering is to be specified by the city. Rates in subsection (a) contemplate city ownership of transformation facilities; however, rental or ownership of transformation by an industrial customer is subject to negotiation by and with the city.

(f) *Wholesale rate fluctuation.* If the wholesale rate goes up or down, the wholesale percentage will be passed through to the retail customer.

SECTION TWO. All Ordinances that adopted Section 21-21 are hereby repealed and replaced by this Ordinance.

SECTION THREE. The sections, paragraphs, sentences, clauses, and phrases of this ordinance are severable, and if any phrase, clause, sentence, paragraph, or section of this ordinance shall be declared unconstitutional by a court of competent jurisdiction, then such ruling shall not affect any other paragraphs and sections, since the same would have been enacted by the municipality council without the incorporation of any such unconstitutional phrase, clause, sentence, paragraph or section.

SECTION FOUR. This ordinance shall take effect on August 1, 2021 upon its due adoption and publication as required by law.

Effective on October 1, 2022, the Customer Charge (base rate) for all customers will increase \$2.00 per month.

Effective on October 1, 2023, the Customer Charge (base rate) for all customers will increase an additional \$2.00 per month.

U.S. DEPARTMENT OF THE TREASURY
CORONAVIRUS LOCAL FISCAL RECOVERY FUND
AWARD TERMS AND CONDITIONS

1. Use of Funds.
 - a. Recipient understands and agrees that the funds disbursed under this award may only be used in compliance with section 603(c) of the Social Security Act (the Act), Treasury's regulations implementing that section, and guidance issued by Treasury regarding the foregoing.
 - b. Recipient will determine prior to engaging in any project using this assistance that it has the institutional, managerial, and financial capability to ensure proper planning, management, and completion of such project.
2. Period of Performance. The period of performance for this award begins on the date hereof and ends on December 31, 2026. As set forth in Treasury's implementing regulations, Recipient may use award funds to cover eligible costs incurred during the period that begins on March 3, 2021, and ends on December 31, 2024.
3. Reporting. Recipient agrees to comply with any reporting obligations established by Treasury as they relate to this award.
4. Maintenance of and Access to Records
 - a. Recipient shall maintain records and financial documents sufficient to evidence compliance with section 603(c) of the Act, Treasury's regulations implementing that section, and guidance issued by Treasury regarding the foregoing.
 - b. The Treasury Office of Inspector General and the Government Accountability Office, or their authorized representatives, shall have the right of access to records (electronic and otherwise) of Recipient in order to conduct audits or other investigations.
 - c. Records shall be maintained by Recipient for a period of five (5) years after all funds have been expended or returned to Treasury, whichever is later.
5. Pre-award Costs. Pre-award costs, as defined in 2 C.F.R. § 200.458, may not be paid with funding from this award.
6. Administrative Costs. Recipient may use funds provided under this award to cover both direct and indirect costs.
7. Cost Sharing. Cost sharing or matching funds are not required to be provided by Recipient.
8. Conflicts of Interest. Recipient understands and agrees it must maintain a conflict of interest policy consistent with 2 C.F.R. § 200.318(c) and that such conflict of interest policy is applicable to each activity funded under this award. Recipient and subrecipients must disclose in writing to Treasury or the pass-through entity, as appropriate, any potential conflict of interest affecting the awarded funds in accordance with 2 C.F.R. § 200.112.

9. Compliance with Applicable Law and Regulations.
- a. Recipient agrees to comply with the requirements of section 603 of the Act, regulations adopted by Treasury pursuant to section 603(f) of the Act, and guidance issued by Treasury regarding the foregoing. Recipient also agrees to comply with all other applicable federal statutes, regulations, and executive orders, and Recipient shall provide for such compliance by other parties in any agreements it enters into with other parties relating to this award.
 - b. Federal regulations applicable to this award include, without limitation, the following:
 - i. Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. Part 200, other than such provisions as Treasury may determine are inapplicable to this Award and subject to such exceptions as may be otherwise provided by Treasury. Subpart F – Audit Requirements of the Uniform Guidance, implementing the Single Audit Act, shall apply to this award.
 - ii. Universal Identifier and System for Award Management (SAM), 2 C.F.R. Part 25, pursuant to which the award term set forth in Appendix A to 2 C.F.R. Part 25 is hereby incorporated by reference.
 - iii. Reporting Subaward and Executive Compensation Information, 2 C.F.R. Part 170, pursuant to which the award term set forth in Appendix A to 2 C.F.R. Part 170 is hereby incorporated by reference.
 - iv. OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement), 2 C.F.R. Part 180, including the requirement to include a term or condition in all lower tier covered transactions (contracts and subcontracts described in 2 C.F.R. Part 180, subpart B) that the award is subject to 2 C.F.R. Part 180 and Treasury's implementing regulation at 31 C.F.R. Part 19.
 - v. Recipient Integrity and Performance Matters, pursuant to which the award term set forth in 2 C.F.R. Part 200, Appendix XII to Part 200 is hereby incorporated by reference.
 - vi. Governmentwide Requirements for Drug-Free Workplace, 31 C.F.R. Part 20.
 - vii. New Restrictions on Lobbying, 31 C.F.R. Part 21.
 - viii. Uniform Relocation Assistance and Real Property Acquisitions Act of 1970 (42 U.S.C. §§ 4601-4655) and implementing regulations.
 - ix. Generally applicable federal environmental laws and regulations.
 - c. Statutes and regulations prohibiting discrimination applicable to this award include, without limitation, the following:
 - i. Title VI of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000d et seq.) and Treasury's implementing regulations at 31 C.F.R. Part 22, which prohibit discrimination on the basis of race, color, or national origin under programs or activities receiving federal financial assistance;

- ii. The Fair Housing Act, Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§ 3601 et seq.), which prohibits discrimination in housing on the basis of race, color, religion, national origin, sex, familial status, or disability;
 - iii. Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794), which prohibits discrimination on the basis of disability under any program or activity receiving federal financial assistance;
 - iv. The Age Discrimination Act of 1975, as amended (42 U.S.C. §§ 6101 et seq.), and Treasury's implementing regulations at 31 C.F.R. Part 23, which prohibit discrimination on the basis of age in programs or activities receiving federal financial assistance; and
 - v. Title II of the Americans with Disabilities Act of 1990, as amended (42 U.S.C. §§ 12101 et seq.), which prohibits discrimination on the basis of disability under programs, activities, and services provided or made available by state and local governments or instrumentalities or agencies thereto.
10. Remedial Actions. In the event of Recipient's noncompliance with section 603 of the Act, other applicable laws, Treasury's implementing regulations, guidance, or any reporting or other program requirements, Treasury may impose additional conditions on the receipt of a subsequent tranche of future award funds, if any, or take other available remedies as set forth in 2 C.F.R. § 200.339. In the case of a violation of section 603(c) of the Act regarding the use of funds, previous payments shall be subject to recoupment as provided in section 603(e) of the Act.
11. Hatch Act. Recipient agrees to comply, as applicable, with requirements of the Hatch Act (5 U.S.C. §§ 1501-1508 and 7324-7328), which limit certain political activities of State or local government employees whose principal employment is in connection with an activity financed in whole or in part by this federal assistance.
12. False Statements. Recipient understands that making false statements or claims in connection with this award is a violation of federal law and may result in criminal, civil, or administrative sanctions, including fines, imprisonment, civil damages and penalties, debarment from participating in federal awards or contracts, and/or any other remedy available by law.
13. Publications. Any publications produced with funds from this award must display the following language: "This project [is being] [was] supported, in whole or in part, by federal award number [enter project FAIN] awarded to [name of Recipient] by the U.S. Department of the Treasury."
14. Debts Owed the Federal Government.
- a. Any funds paid to Recipient (1) in excess of the amount to which Recipient is finally determined to be authorized to retain under the terms of this award; (2) that are determined by the Treasury Office of Inspector General to have been misused; or (3) that are determined by Treasury to be subject to a repayment obligation pursuant to section 603(e) of the Act and have not been repaid by Recipient shall constitute a debt to the federal government.
 - b. Any debts determined to be owed the federal government must be paid promptly by

Recipient. A debt is delinquent if it has not been paid by the date specified in Treasury's initial written demand for payment, unless other satisfactory arrangements have been made or if the Recipient knowingly or improperly retains funds that are a debt as defined in paragraph 14(a). Treasury will take any actions available to it to collect such a debt.

15. Disclaimer.

- a. The United States expressly disclaims any and all responsibility or liability to Recipient or third persons for the actions of Recipient or third persons resulting in death, bodily injury, property damages, or any other losses resulting in any way from the performance of this award or any other losses resulting in any way from the performance of this award or any contract, or subcontract under this award.
- b. The acceptance of this award by Recipient does not in any way establish an agency relationship between the United States and Recipient.

16. Protections for Whistleblowers.

- a. In accordance with 41 U.S.C. § 4712, Recipient may not discharge, demote, or otherwise discriminate against an employee in reprisal for disclosing to any of the list of persons or entities provided below, information that the employee reasonably believes is evidence of gross mismanagement of a federal contract or grant, a gross waste of federal funds, an abuse of authority relating to a federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal contract (including the competition for or negotiation of a contract) or grant.
- b. The list of persons and entities referenced in the paragraph above includes the following:
 - i. A member of Congress or a representative of a committee of Congress;
 - ii. An Inspector General;
 - iii. The Government Accountability Office;
 - iv. A Treasury employee responsible for contract or grant oversight or management;
 - v. An authorized official of the Department of Justice or other law enforcement agency;
 - vi. A court or grand jury; or
 - vii. A management official or other employee of Recipient, contractor, or subcontractor who has the responsibility to investigate, discover, or address misconduct.
- c. Recipient shall inform its employees in writing of the rights and remedies provided under this section, in the predominant native language of the workforce.

17. Increasing Seat Belt Use in the United States. Pursuant to Executive Order 13043, 62 FR 19217 (Apr. 18, 1997), Recipient should encourage its contractors to adopt and enforce on-the-job seat belt policies and programs for their employees when operating company-owned, rented or personally owned vehicles.

18. Reducing Text Messaging While Driving. Pursuant to Executive Order 13513, 74 FR 51225 (Oct. 6, 2009), Recipient should encourage its employees, subrecipients, and contractors to adopt and enforce policies that ban text messaging while driving, and Recipient should establish workplace safety policies to decrease accidents caused by distracted drivers.

RESOLUTION NO. _____

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF FAIRHOPE, ALABAMA,
APPROVING AND CONSENTING TO THE CERTIFICATE OF AMENDMENT
OF THE FAIRHOPE AIRPORT AUTHORITY**

WHEREAS, Fairhope Airport Authority was duly formed and incorporated by the City of Fairhope, Alabama by the execution and recordation of a Certificate of Incorporation on or about March 6, 2007; and

WHEREAS, Pursuant to Code of Alabama, 1975, § 4-3-44, the Authority does hereby AMEND its Certificate of Formation (filed for record on March 6, 2007 as Instrument Number 1035291 in the Office of the Judge of Probate of Baldwin County, Alabama) to change the residency requirements for Directors specified in the Certificate; and

WHEREAS, the City Council of the City has reviewed the contents of the Certificate of Amendment, including the proposed residency requirements as follows: the residency requirements are amended according to the attached Certificate of Amendment to state that four (4) Directors must reside within the corporate limits of the City of Fairhope, Alabama and three (3) Directors may reside within the corporate limits of the City of Fairhope or within the Baldwin County Board of Education School Zone which services any Fairhope Elementary School, Fairhope Intermediate School, or J. Larry Newton School according to the 2020 School Zone Map prepared by the Baldwin County Board of Education and attached and made a part of this Resolution.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City, in a regular meeting of the City Council, that the Proposed Certificate of Amendment is hereby approved as set forth in the Authority's Resolution and under the provisions of the Title 4, Chapter 3, Article 2, Code of Alabama, 1975."

Adopted this the 14th day of June, 2021

Jack Burrell, Council President
City of Fairhope, Alabama

ATTEST:

Lisa A. Hanks, MMC
City Clerk

**RESOLUTION TO APPROVE
AMENDMENT TO CERTIFICATE OF INCORPORATION**

BE IT HEREBY RESOLVED by the Board of Directors of Fairhope Airport Authority, an airport authority incorporated pursuant to § 4-3-40, et seq., Ala. Code 1975, as follows:

1. Pursuant to § 4-3-44, Ala. Code 1975, the Authority does hereby AMEND its Certificate of Formation (filed for record on March 6, 2007 as Instrument Number 1035291 in the Office of the Judge of Probate of Baldwin County, Alabama) to change the residency requirements for Directors specified in the Certificate.

2. The residency requirements are AMENDED according to the attached Certificate of Amendment to state that FOUR (4) Directors must reside within the corporate limits of the City of Fairhope, Alabama and THREE (3) Directors must reside within a Baldwin County Board of Education School Zone which services any Fairhope Elementary School, Fairhope Intermediate School, or J. Larry Newton School according to the **2020** School Zone Map prepared by the Baldwin County Board of Education and attached and made a part of this Resolution.

3. The Authority shall request that the City of Fairhope, Alabama, as the appropriate authorizing subdivision, adopt an appropriate resolution consent to the Certificate of Amendment as set forth in this Resolution.

4. The attached Certificate of Amendment is hereby APPROVED.

5. The original, executed Certificate of Amendment, together with a certified copy of this Resolution and a certified copy of the Resolution to be adopted by the City Council of the City of Fairhope, Alabama, shall be recorded in the Office of the Judge of Probate of Baldwin County, Alabama, as required by § 4-3-44, Ala. Code 1975.

Done this 8th day of June, 2021.

Don Lagarde, Chairman

William Bruce, Secretary

**CERTIFICATE OF AMENDMENT TO
CERTIFICATE OF INCORPORATION OF
FAIRHOPE AIRPORT AUTHORITY**

WHEREAS, Fairhope Airport Authority was duly formed and incorporated by the City of Fairhope, Alabama by the execution and recordation of a Certificate of Incorporation on or about March 6, 2007;

WHEREAS, the Certificate of Incorporation is recorded as Instrument Number 1035291 in the records of the Office of the Judge of Probate of Baldwin County, Alabama;

WHEREAS, Fairhope Airport Authority was formed and incorporated under the authority of § 4-3-40, et seq., Ala. Code 1975 (being the same as Title 4, Chapter 3, Article 2, Ala. Code 1975);

WHEREAS, the current Directors of the Authority are: Don Lagarde (Chairman); Frank T. Groner (Vice Chairman); William Bruce (Secretary); Amy Pearson (Treasurer); Vince Boothe (Board Member); and Jack Burrell (Council Liaison, Board Member); and

WHEREAS, the Directors of the Authority determine that it is in the best interest of the Authority to AMEND the Certificate of Incorporation for the limited purpose of modifying the residency requirements in Paragraph 7 of the Certificate of Incorporation.

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS, that the Certificate of Incorporation of Fairhope Airport Authority is hereby AMENDED as follows:

1. The Board of Directors of the Authority shall consist of seven (7) members who shall be elected in the manner and for the term of office provided by law, at least FOUR (4) Directors must reside within the corporate limits of the City of Fairhope, Alabama and THREE (3) Directors must reside within a Baldwin County Board of Education School Zone which services any Fairhope Elementary School, Fairhope Intermediate School, or J. Larry Newton School according to the 2020 School Zone Map prepared by the Baldwin County Board of Education and attached and made a part of this Resolution.

2. Future modifications to the 2020 School Zone Map by the Baldwin County Board of Education, if any, shall not modify the boundaries or the residency requirements established by this Certificate of Amendment.

3. Except as modified by Paragraphs 1 and 2, above, the Certificate of Incorporation remains unmodified, and in full force and effect.

IN WITNESS WHEREOF, the Directors of Fairhope Airport Authority have hereunto subscribed their signatures on this 8th day of June, 2021.

FAIRHOPE AIRPORT AUTHORITY

Don Lagarde, Chairman

Section 4-3-45**Board of directors of authority.**

Each authority shall be governed by a board of directors of either three, five, or seven members as provided in the certificate of incorporation or the bylaws. If the sole authorizing subdivision is a county, the county commission of the county shall elect all directors. If the sole authorizing subdivision is a municipality, the governing body of such municipality shall elect all directors. The directors initially elected shall be elected for terms of office of two, four, and six years, respectively, and their successors shall be elected for terms of six years. If a county and a municipality are both authorizing subdivisions, the governing body of the municipality shall elect one director for an initial term of two years if three directors are to be elected, and one director for an initial term of two years and one director for an initial term of four years if five directors are to be elected, and one for an initial term of two years and one for an initial term of four years and one for an initial term of six years if seven directors are to be elected, the county commission shall elect one director for an initial term of four years if three directors are to be elected, and one director for an initial term of two years and one director for an initial term of four years if five directors are to be elected, and one for an initial term of two years and one for an initial term of four years and one for an initial term of six years if seven directors are to be elected. The governing bodies of the county and the municipality shall agree on the third, fifth, or seventh director, whose term of office shall be for six years. In the event of a vacancy in the office of such third, fifth, or seventh director which continues for more than 30 days, then and in such event the Governor shall, upon the request of any one or more of such authorizing subdivisions, appoint the additional director. The term of office of all directors except those initially elected shall be for a term of six years.

Except in the case of the election of directors for an existing public airport authority reincorporated hereunder, election of directors by the governing body of a municipality shall be on the nomination of the mayor. Except in the case of the election of directors for an existing public airport authority reincorporated hereunder, election of directors by the county commission of a county shall be on the nomination of the judge of probate. If the certificate of incorporation shall so provide, any member of the county commission of a county which is an authorizing subdivision or the governing body of the municipality which is an authorizing subdivision shall be eligible for election as director. If the certificate of incorporation shall so provide, the mayor of the municipality which is the authorizing subdivision or the judge of probate of the county which is an authorizing subdivision or both such mayor and such judge of probate if both a county and a municipality are authorizing subdivisions shall *ex officio* be entitled to notice of each special or called meeting and to attend all meetings of the board, but shall have no right to vote at any such meeting and shall not be considered in determining a quorum. If any director resigns, dies or becomes incapable or ineligible to act as a director, a successor to serve the unexpired portion of his term shall be elected in the manner prescribed in this section by the governing body which elected the director whose unexpired term he is filling or, in the case of the additional member, by the governing bodies of both the county and the municipality and, failing such election for a period of more than 30 days shall be appointed by the Governor upon the request of any such governing body. In the event any director ceases to be a director of the authority prior to the expiration of the term of office, a successor shall serve for the unexpired term of office. If the term of office of any director of an authority expires prior to the appointment of a successor, the director shall continue to serve for so long as necessary until a successor is appointed and qualified. Directors shall be eligible to succeed themselves. No director, officer, or employee of an authority shall be personally liable for any debt, obligation, or liability of the authority.

The current directors of an existing public airport authority reincorporated hereunder shall retain full authority to act during the period between the time such airport authority shall file a certificate of reincorporation and the time the authorizing subdivisions elect all the directors of such airport authority in the manner prescribed in this section.

A majority of the directors shall constitute a quorum of the board for the transaction of business, but any meeting of the board may be adjourned from time to time by a majority of the directors present or may be so adjourned by a single director if such director is the only director present at such meeting. No vacancy in the membership of the board shall impair the right of a quorum to exercise all the powers and duties of the authority. The board shall hold an annual meeting and such other regular meetings as may be provided in the bylaws of the authority, and the board may hold other meetings at any time from time to time; provided, that upon call of the chairman of the authority or any two directors, a special meeting of the board must be held. Any matter on which the board is authorized to act may be acted upon at any regular, special, or called meeting. At the request of any director, the vote on any question before the board shall be taken by yeas and nays and entered upon the record.

All proceedings of the board shall be reduced to writing by the secretary of the authority, recorded in a well-bound book and open to each director and to the public at all times. Copies of such proceedings, when certified by the secretary of the authority under its seal, shall be received in all courts as evidence of the matters and things therein certified.

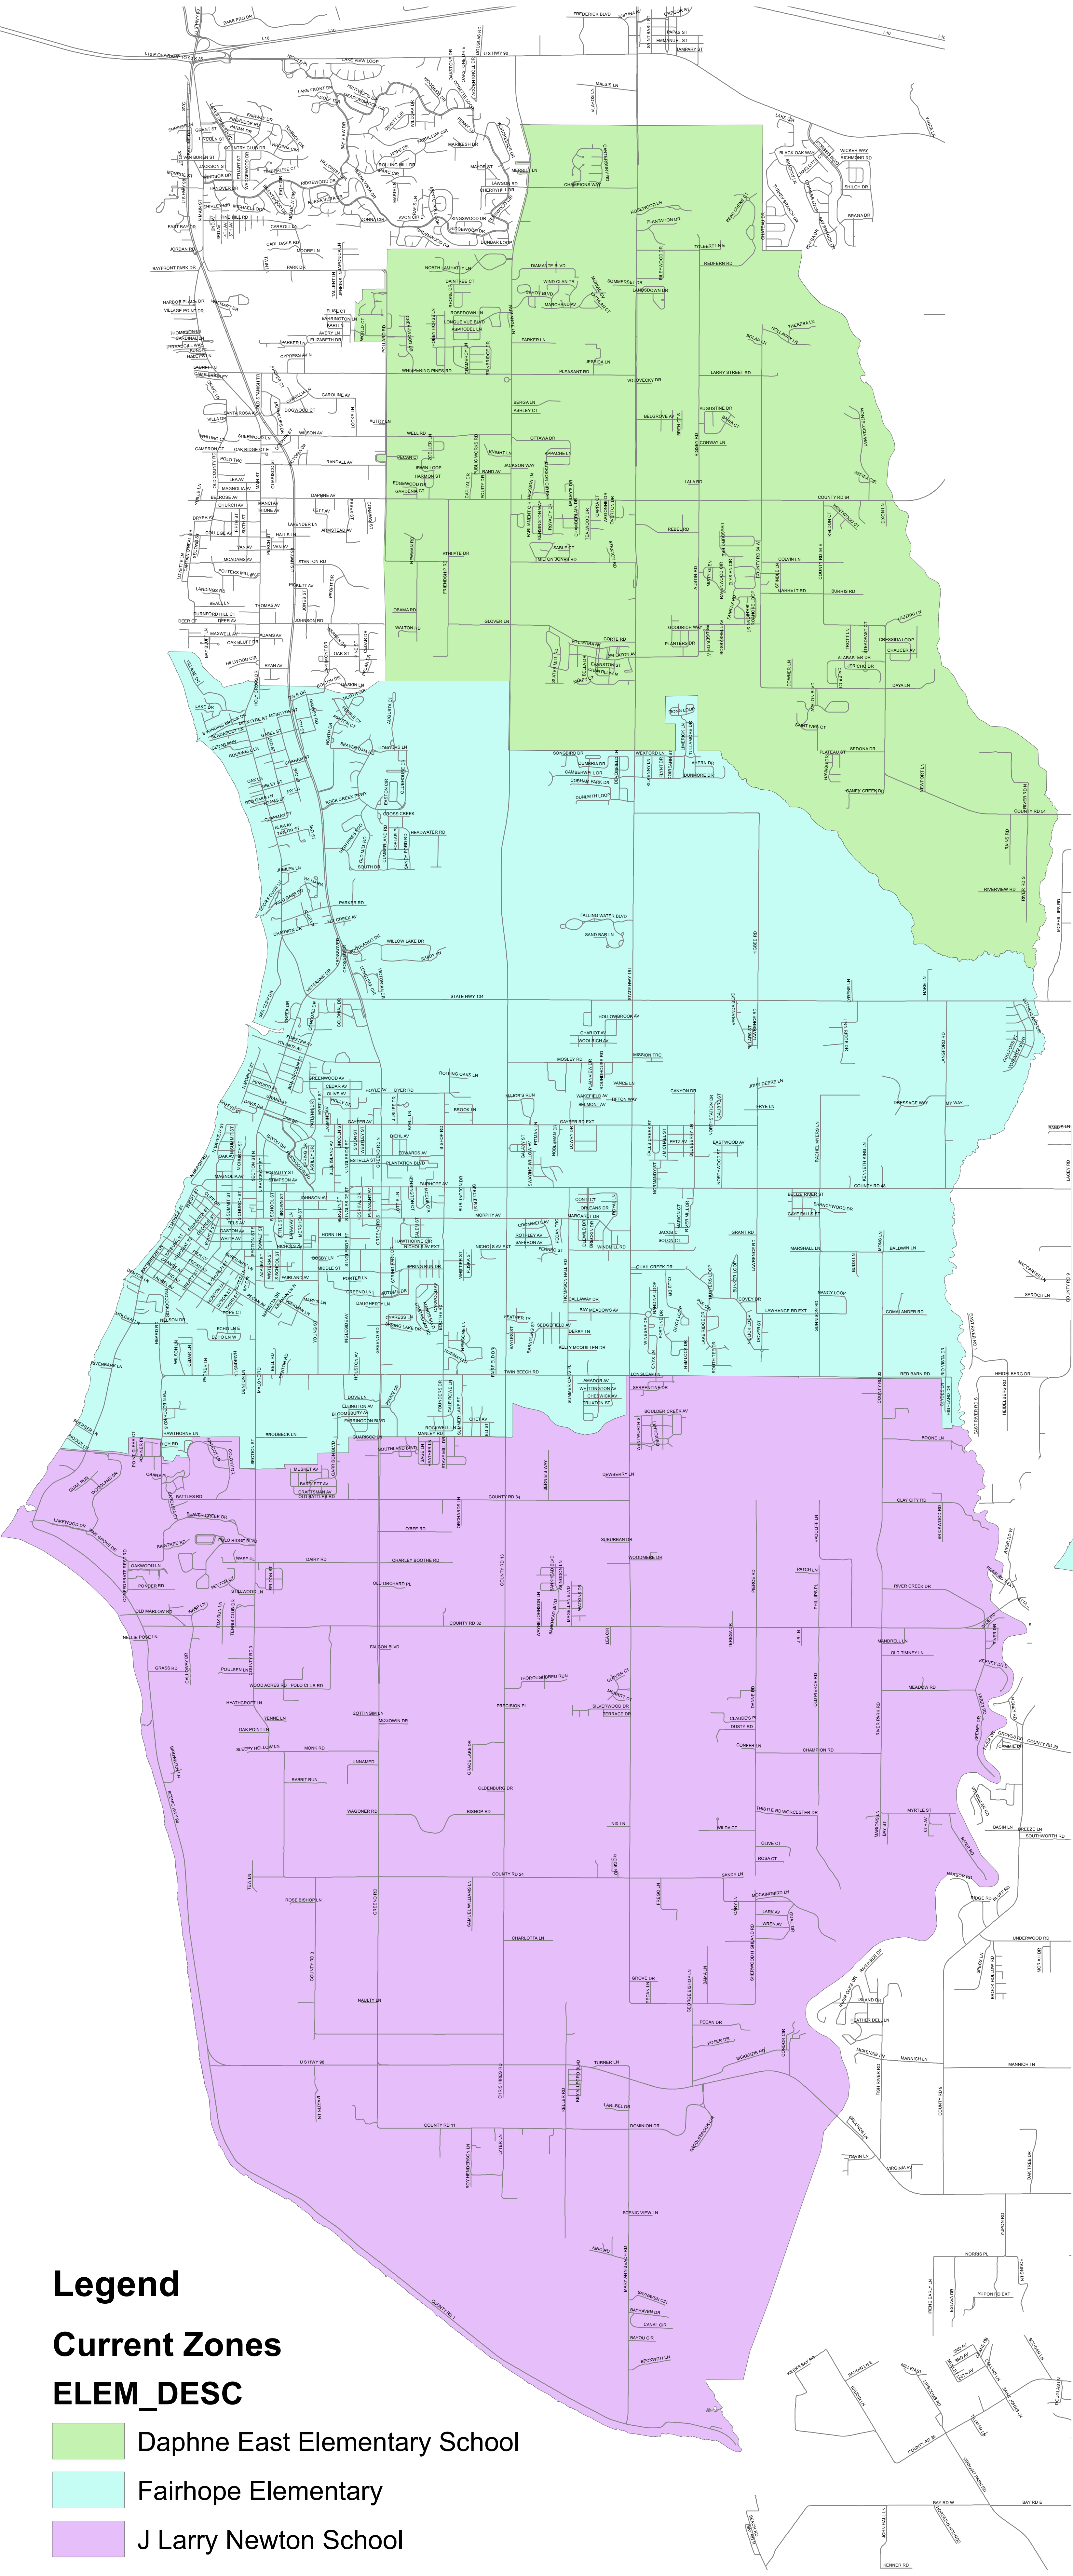

Each director shall be reimbursed for expenses actually incurred by him in and about the performance of his duties. Each director may also be compensated by the authority in an amount authorized by the bylaws. The authorizing subdivision or subdivisions shall have the authority to rescind any increase in compensation authorized by the bylaws, but such action shall be taken within the first 30 days from the date of the action by the authorizing subdivision. Upon notice from the authorizing subdivision or subdivisions, any increase in compensation shall be rescinded, effective with the next compensation payment due to the directors. Following rescission by the authorizing subdivision or subdivisions, the directors' compensation shall return to the amount of compensation in effect immediately prior to any such increase.

Any director of the authority may be impeached and removed from office in the same manner and on the same grounds provided by Section 175 of the Constitution of Alabama of 1901, and the general laws of the state for impeachment and removal of the officers mentioned in Section 175.

(Acts 1977, No. 331, p. 433, §6; Acts 1987, No. 87-778, p. 1528; Acts 1991, No. 91-268, p. 499, §2; Act 2006-558, p. 1283, §1.)

Re: **City Council Approval of Mayor's choice of professional service provider RFQ No. PS014-21 Professional Consulting Services for New Water Transmission Line on CR 33 for the Water Department. This is a budgeted item for FY2021 and FY2022**

Council Members:

Kevin G. Boone
Jack Burrell, ACMO
Jimmy Conyers
Corey Martin
Jay Robinson

Lisa A. Hanks, MMC
City Clerk

Kimberly Creech
Treasurer

The Water Department needs to hire a professional consulting firm for **RFQ PS014-21 Professional Consulting Services for New Water Transmission Line on CR 33**. Mayor Sullivan chose **Kimley Horn** to perform the professional services for the project. The new water line project will increase water capacity supplied from well field/treatment plant #3 to our storage tanks on Fairhope Avenue which will also increase capacity to the south. It is expected to take 24 months to complete. The estimated cost will be split over FY21 and FY22 with \$900,000.00 budgeted for FY21.

Please move this request forward for City Council to approve the Mayor's selection of Kimley-Horn for RFQ PS014-21 Professional Consulting Services for New Water Transmission Line on CR 33 and approve for the Mayor to negotiate the not-to-exceed fee.

Re: **Choosing RFQ PS Professional Consultant for New Water Transmission Line—County Rd 33**

The Water and Wastewater Superintendent, Jason Langley, is requesting engineering services related to the New Water Transmission Line on Country Road 33. This will increase the water capacity supplied from Well Field/Treatment Plant 3 to Fairhope Avenue. This will enhance our water capacity significantly moving available water from Treatment Plant # 3 to our storage tanks on Fairhope Avenue. This will also increase capacity to the south as well. This project is estimated at \$1.9 million to be split over 2 years.

Per our Procedure for Procuring Professional Services I am routing this short list through you, to the Mayor. Please move this procurement of professional services forward to the Mayor for selection of professional service provider(s) to receive the RFQ.

The short list is:

[Mayor, please initial and date your selection]

FIRM QUALIFICATIONS

Kimley-Horn is a full service consulting firm that has a wide range of expertise. Kimley-Horn will provide the City of Fairhope with the quality of work and focused dedication that is desired for each and every project. Listening to the City's needs, understanding your vision, and providing the technical resources necessary to meet your expectations is essential for any project to be truly successful.

The **Kimley-Horn** team is prepared to assist the City of Fairhope in their Water and Wastewater project needs and has the required experience in the following Water and Wastewater service areas:

- Alternative water supply strategies
- Advanced water and wastewater treatment
- Aquifer storage and recovery (ASR)
- Asset management
- Biological/hydraulic modeling of wastewater process systems
- Chemical engineering
- Civil engineering
- Complex utility relocations
- Condition assessments
- Construction administration and observation services
- Design of trenchless pipelines
- Flood control and floodplain mapping
- Geographic information systems (GIS)
- Groundwater wells and modeling
- Grant funding assistance
- Hydraulic modeling of water and wastewater systems
- Infiltration and inflow studies and sewer rehabilitation
- Master planning
- Mechanical engineering
- Monitoring and reporting
- Permit compliance
- Piping
- Process evaluations
- Pump station design (W/WW)
- Reclaimed water distribution systems
- Reclaimed water storage and pumping systems
- Regulatory assistance
- Route evaluations and alternatives
- Sanitary sewer collection system design
- Sanitary sewer force main design
- STEP systems
- Surface water treatment
- Value engineering
- Water and wastewater treatment
- Water transmission and distribution system design

WATER SYSTEM DESIGN AND PERMITTING

Kimley-Horn's specific water system design capabilities encompass all planning, design, permitting, and construction phase services required from the onset of a project through the approval process, and then bringing the system online. We have completed a large number of successful design projects, including new water mains, relocations, pumping stations, and metering stations. Our services routinely include designing under strict regulatory compliance conditions, coordinating with existing utilities to avoid underground conflicts, and integrating with existing on-site systems.

WATER MODELING AND MASTER PLANNING

Accurate planning for water system expansion is necessary to provide quality water to the City's customers at the optimum service level. Kimley-Horn's modeling experts know how to make the most of existing data to predict how your facilities will perform. Our models, including those prepared in WaterCad, can show you how to remedy an existing problem or how to phase small improvements to maximize system efficiency. We work with your existing maps and GIS, and our extensive in-house library of modeling software can simulate your entire range of field conditions. Our engineers and scientists will expertly build and calibrate a model to assist with tasks ranging from projecting capital budgets to planning for plant operations during normal and high-flow demands, optimizing the City's system operations to minimize capital and operating expenditures. Our water modeling services provide value by helping to ensure adequate water pressure and demands are met, water age is improved through more efficient flushing programs, and master planning properly accounts for future developments and expansions.

WATER TREATMENT EXPERTISE

Kimley-Horn's staff of professionals possess award-winning experience in the planning and design of water treatment systems, including groundwater wells, master pumping stations, disinfection, and water storage facilities. The firm's water treatment expertise ranges from systems as simple as aeration/disinfection to reverse osmosis, membrane softening, ion exchange, and distillation; our capabilities encompass all planning, design, permitting, and construction observation services required from the onset of a project through the approval process to plant startup, operational testing, and training.

MEMBRANE EXPERIENCE

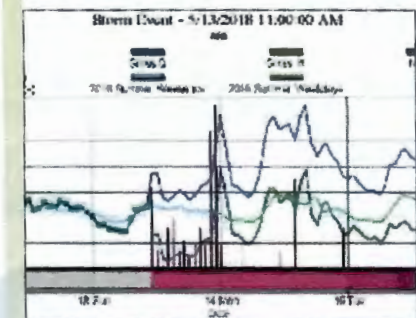

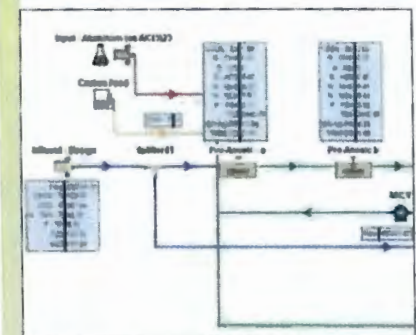

The Kimley-Horn project team has extensive membrane experience and the expertise to address tough treatment issues. From pilot testing to direct purchase and testing of membrane systems, our team has the expertise and industry know-how to provide support on any membrane issue. We have demonstrated this expertise with many of our utility clients and provide some of the following services, just to name a few:

- Membrane projections and performance evaluation
- Preparation of technical specifications
- Pilot testing programs
- Procurement methods
- Cleaning of membranes
- Basic membrane operation training
- Manufacturer collaboration
- Technical support
- Start-up Assistance
- Membrane autopsies evaluations
- Membrane treatment system design

WASTEWATER TREATMENT

Kimley-Horn has a reliable history of wastewater treatment plant (WWTP) design and permitting, rehabilitations and expansions, advanced treatment technologies, master planning, smart BNR/process control design, wastewater lagoons, constructed wetlands, WWTP biological and hydraulic modeling, condition assessment, process optimization, effluent disposal, and biosolids processing. Our nationwide treatment practice has served clients in numerous states bringing the best practices from multiple regions to new clients. We have helped our clients alter processes to prepare for regulatory changes to negotiate permits, optimize processes, evaluate operation and maintenance costs for various treatment technologies, and perform master planning for existing facilities.

An important factor in modifying wastewater systems is listening to staff and operations personnel. Oftentimes projects need to be designed to maintain operation of the existing facilities while bringing the new facilities online. Kimley-Horn has extensive experience in the industry to provide you with the expert advice and guidance needed to efficiently complete your projects on time and within budget.

WASTEWATER PUMP STATIONS, COLLECTION, AND TRANSMISSION SYSTEMS

The Kimley-Horn team's wastewater experience includes collection system evaluation and design. We have a growing list of collection system condition assessment projects, including flow monitoring, infiltration and inflow (I/I) assessments, smoke and dye testing, hydraulic modeling, rehabilitation/replacement recommendation, capital improvement planning, master planning, rate studies, pipe lining, pipe bursting, bypass pumping, trenchless construction, lift station assessment and improvements, and odor and corrosion inspection and control. Kimley-Horn has a wide range of experience in the rehabilitation of sanitary pump stations, collection systems, and force main systems. We have designed new pump stations to replace old and outdated stations, as well as complete renovations/rehabilitations of pump stations in their current location—all while keeping the station operational throughout the renovation/rehabilitation process. Our experience includes design of stations with capacities from 0.1-MGD to more than 100-MGD for a variety of applications across the nation. We cover all facets of the design and construction phase process, including mechanical system design, force main/collection system design, structural engineering, hydraulic modeling, permitting, telemetry, and SCADA system design. Kimley-Horn offers proven experience in the layout, design, route selection, and construction of wastewater collection mains and force mains for public agencies. Our team has designed hundreds of miles of sewer lines ranging in size from six inches to 72 inches. Many of these designs have facilitated the extension of utility services to communities that were previously unserved.

MODELING AND MASTER PLANNING

Whether you're trying to determine a more efficient way to move wastewater around the plant site or master planning for a major system expansion, Kimley-Horn's modeling experts know how to make the most of existing data to predict how your facilities will perform. We work with your existing maps and GIS databases to generate models to develop plans to address existing constraints or to develop recommendations on how best to phase improvements to maximize system efficiency. Our extensive in-house library of modeling software can simulate your entire range of field conditions. Our engineers and scientists will expertly build and calibrate a model to help you with tasks ranging from projecting capital budgets and planning for plant operations during normal and emergency situations to optimizing system operations to minimize capital and operating expenditures.

MODELING CAPABILITIES

- Water/reclaimed/sewer pipeline systems
- Steady state and extended period simulation
- Wastewater process and hydraulic modeling
- Pipeline transient analysis
- Develop pump control strategies
- Analyze and compare rehabilitation alternatives
- Analyze available fireflows
- Identify high and low pressure zones
- Existing and projected population loading
- Analyze age of water
- Develop hydrant flushing plans

MODELING SOFTWARE

- WaterCAD/WaterGEMS
- SewerCAD/SewerGEMS
- InfoWater
- Mike Urban
- BioWIN
- Hammer
- ICPR
- SWMM
- StormCAD
- Infosewer or Infoworks ICM

RESOLUTION NO. _____

BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF FAIRHOPE, ALABAMA, That the City Council approves the selection of Stewart Engineering, Inc. to perform Professional Engineering Services for System Study for the Electric Department (RFQ No. PS012-21); and hereby authorizes Mayor Sherry Sullivan to negotiate a fee schedule and establish a not-to-exceed limit with this firm.

Re: **Council approval to Award contract for RFQ PS012-21 Professional Consulting Services for System Study for Electric Dept**

Lisa A. Hanks, MMC
City Clerk

The Superintendent of Utilities, Mayor Sullivan and the Electric Dept Assistant Superintendent, Jeremy Morgan, have need to hire a professional consulting firm for **RFQ PS012-21 Professional Consulting Services for System Study for Electric Dept.** The consultation project will involve the determination of the proper loading and conductor size for the City's electric system.

Kimberly Creech
City Treasurer

The new consulting services are budgeted in the budget for FY2021 in the amount of \$100,00.00.

Per the City's "Procedure for Procuring Professional Services the Superintendent of Utilities, and the Electric Dept Assistant Superintendent and I routed a short list of firms from which the Mayor was to choose. She selected **Stewart Engineering Inc.** The recommendation to Council is to approve the selection by the Mayor, and to award **RFQ PS012-21 Professional Consulting Services for System Study for Electric Dept to Stewart Engineering, Inc.** and allow the Mayor to negotiate a fee for contract.

Please place on the next available City Council Agenda this request for City Council to approve the selection by the Mayor for RFQ PS012-21 Professional Consulting Services for System Study for Electric Dept and authorize the Mayor to negotiate the fee to be approved by Council.

Re: Mayor to choose consultant for **RFQ PS012-21 Professional Consulting Services for System Study** for Electric Dept

The Electric Department Assistant Superintendent, Jeremy Morgan, and the Superintendent of Utilities, Mayor Sherry Sullivan, request the hiring of a professional consulting firm for **RFQ No. PS012-21 Professional Consulting Services for System Study** for the Electric Department for the Electric Dept. Per our Procedure for Procuring Professional Services the Assistant Superintendent, and I are routing this short list through you, to the Mayor. Please move this procurement of professional services forward to the Mayor for selection of a professional service provider.

The purpose for hiring the company is to perform professional consulting services to determine overall load and conductor sizes for the electric system.

The short list is:

- ds* 5, 11, 21 Stewart Engineering Inc
Anniston, AL
- _____ / / _____ Kimley Horn
Mobile, AL
- _____ / / _____ Hi Line Engineering a GDS Company

RESOLUTION NO. _____

BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF FAIRHOPE, ALABAMA, as follows:

[1] That the City of Fairhope did request, receive, and open quotes for N. Beach Pavilion Repair and Replacement of Asphalt Shingle Roof – FEMA 4563 that was damaged by Hurricane Sally for the Public Works Department at 555 South Section Street in the City of Fairhope offices, Fairhope, Alabama (RFQ 013-21).

[2] RFQ No. 013-21 was sent to 7 contractors, and viewed by 65 of 299 e-notifications, as well as multiple State agencies for MBE and DEB consideration, advertised in newspaper and in the Public Utilities Building. The City did not receive any quotes.

[3] After evaluating the quotes with the required bid specifications, only one responsive quote was received. Therefore, the recommendation is to reject the one quote due to excessive price; and authorize staff to seek informal quotes.

Adopted on this 14th day of June, 2021

Re: **Greensheet/City Council agenda to approve the award of RFQ 013-21 N. Beach Pavilion Repair and Replacement of Asphalt Shingle Roof—FEMA 4563 that was damaged by Hurricane Sally (FEMA 4563)**

Lisa A. Hanks, MMC
City Clerk

The roof of the pavilion at North beach was damaged during Hurricane Sally and the Public Works Director, Richard Johnson, has requested quotes it its repair. The damage that occurred was on or about September 15, 2020 when Hurricane Sally (FEMA4563) hit the Alabama coast and Mobile Bay.

Kimberly Creech
City Treasurer

A request for quotes for the roof repair at the pavilion was emailed to 7 contractors, posted to the website for the City of Fairhope, and viewed by 65 of 299 e-notifications, as well as multiple state agencies for MBE and DBE consideration, advertised in newspaper and in the Public Utilities Building lobby. The RFQ which opened on May 26, received one responsive bid response.

The Director of Public Works recommends rejection of the one bid due to excessive Price, and seek informal quotes.

Please place on the next City Council Agenda this request to reject all bids for RFQ 013-21 N. Beach Pavilion Repair and Replacement of Asphalt Shingle Roof—FEMA 4563

The City of Fairhope needs to hire a professional consulting firm for **RFQ PS017-21 Professional Services for Website Design and Management 2021**. This item is budgeted for FY2021 and is a necessary part of the communications for the City. Per our Procedure for procuring Professional Services, the Mayor chose, **Vision Technology Solutions, LLC dba VISION INTERNET PROVIDERS**, of El Segundo, CA. to provide these services. The City has contacted this company for the past three years and the contract has expired. The purpose for hiring the Consultant is to provide website development, VisionLIVE subscription services, and/or other extra work and services as required by the City's IT Department for the next year.

Please move this procurement of professional Services forward to the City Council for approval of the Mayor to negotiate a fee with a Not-To-Exceed amount of **ELEVEN THOUSAND TWO HUNDRED Five DOLLARS and EIGHTY-ONE cents (\$11,205.81)** and authorize the Mayor to sign the Contract for the Professional Services.

Please place on the next available City Council Agenda this request for City Council to approve the selection of Vision Technology Solutions, LLC dba VISION INTERNET PROVIDERS for RFQ No. PS017-21, Professional Services for Website Design and Management, with a not- to-exceed amount of \$11,205.81 and authorize the Mayor to sign the contract

The new engineering services are budgeted for FY2021 with a projected cost of \$300,000 through the multi-year \$900,000 Water Systems Improvements for the City.

Lisa A. Hanks, MMC
City Clerk

The City Council approved the Mayor's selection of **S. E. Civil Engineering and Surveying**, at the May 24, 2021 City Council meeting, and authorized the Mayor to set a Not-To-Exceed amount for the work. Due to considerable number of breaks in this section of the water main the work of engineering will be based upon the surveying of approximately 2300 LF of SR181 and designing a new water line to replace the existing 6" PVC Class 160 pipe with 8" DIP. The professional services provided will be for the five proposed tasks:

Kimberly Creech
City Treasurer

TASK I Boundary survey and Topographic Survey
TASK II Utility Plan
TASK III ALDOT Permit
TASK IV CBMPP and ADEM NPDES PERMIT
TASK V Bidding and Procurement (assist the City)

The negotiated Not-to-Exceed fee is **TWENTY-THREE THOUSAND FIVE HUNDRED DOLLARS (\$23,500.00)** for **RFQ PS024-21 Professional Engineering Services for Water Main Replacement on SR181 along ROW to CR34**

Please place on the Council Agenda this request for approval of negotiated not-to-exceed amount of \$23,500.00 and allow the Mayor to sign the contract.

**RE: Civil Engineering Proposal – SR 181 Water Line Upgrade
Fairhope, Alabama**

Dear Jason:

We are pleased to submit this engineering service proposal for the Site Work Improvement Plans for the above referenced project. The site is located on SR 181 between the entrance to Stone Creek and CR 34. The proposal is based upon surveying approximately 2300 LF of SR 181 and designing a new water line to replace the existing 6" CL 160 Pipe with an 8" DIP. We reserve the right to review and revise this proposal based on any changes to the scope of this project.

Please note that the Alabama Administrative Code Section 330-X-14-.05(f) does not allow Engineers or Land Surveyors to participate in "bidding" for services. Examples include but are not limited to, simultaneous negotiations or solicitation of fee proposals by the client from two or more engineers or land surveyors constitutes "bidding" and participation by a licensee is prohibited. If this proposal is part of "bidding" process, I withdrawal my proposal. I also would ask that you notify the other engineer(s). If you have any questions about this rule, I would be glad to speak with you or direct you to our licensing board.

Thank you again for the opportunity to provide you with this proposal. If you find these services in order, please execute by signing, dating, initialing and returning one (1) copy to us for our files.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Larry Smith', written in a cursive style.

Professional Services Agreement**

Part 1 General:

This Agreement, including attachments as hereinafter noted, made and entered into and between S.E. Civil, LLC and the Client identified herein, provides for the Professional Services described under Part 3 of this Agreement.

Client: City of Fairhope

Address: 555 S. Section St

City, State, Zip Code: Fairhope, AL 36532

Contact Person: Jason Langley

Phone Number: 251-

Email: jason.langley@fairhopeal.gov

Accounts Payable Email: jason.langley@fairhopeal.gov

Short Title: SR 181 Water Line Upgrade, or the "Project"

Part 2 General Description of the Project Site:

The site is located on SR 181 between the entrance to Stone Creek and CR 34.

Part 3 Description of Professional Services to be provided by S.E. Civil LLC:

Task I - Boundary Survey and Topographic Survey

Scope: Perform a boundary and topographic survey of the right of way. Locate utilities in the right of way. Utility depths for utilities in the vicinity of the water line will be recorded via ground penetrating radar.

Task II – Utility Plan

Scope: Submit the plans to the city for review and approval.

Task III - ALDOT Permit

Scope: Create an ALDOT connection plan and submit to ALDOT for review and approval.

Task IV- CBMPP and ADEM NPDES Permit Application (NOI)

Scope: Create a CBMPP and fill out the ADEM NOI application and submit it to ADEM for review and approval.

Task V – Bidding and Procurement

Scope: Create a unit price estimate for the work. Assist the city with bidding out the work. Attend pre-bid meeting. Prepare a certified bid tab and assist the city with contracts.

Exclusions to this scope of work shall be as follows:

1. Phase I or Phase II Environmental Studies.
2. Wetlands Determination or Delineation.
3. Off-Site Utility Improvements, including upgrades of existing facilities or line extensions to the site. Furthermore, this proposal does not include design of an onsite sewage pump station or an onsite water booster station.
4. Federal Emergency Management Agency (Flood) studies or USACE permitting
5. Site Lighting Plans
6. Application and preparation of plans which do not meet the requirements of the local/state/governing authorities.
7. Retaining wall design is not included. Profiles and size requirements shall be provided, if required.
8. Volume capacity calculations of downstream stormwater drainage facilities.
9. Traffic Concurrency, Traffic Studies, signal designs, or warrant analyses.
10. Septic Tank Design & Permitting.
11. Landscape and/or Irrigation Design.
12. Subdivision of the land for lots or right of way dedication.
13. Construction staking.
14. Construction Engineering and Inspection (CE&I)

Part 4 The Compensation to be Paid to S.E. Civil, LLC for providing the requested Services shall be as follows:

Proposed Fee for Task I	\$6,100.00
Proposed Fee for Task II	\$11,500.00
Proposed Fee for Task III	\$1,750.00
Proposed Fee for Task IV	\$1,750.00
Proposed Fee for Task V	\$2,400.00

<u>Staff Member</u>	<u>Hourly Rate</u>
Engineer:	\$125.00
Surveyor:	\$125.00
Survey Crew	\$150.00
Engineer in Training:	\$95.00
Inspector	\$80.00
Administrative	\$50.00

GENERAL TERMS AND CONDITIONS

Date of Commencement and Duration: The Date of Commencement of this Agreement shall be the date appearing on the signature page. This agreement shall remain in effect for 12 months from the acceptance date of this agreement, or until terminated as provided herein. If the Professional Services Agreement is not executed within ninety (90) days, we reserve the right to modify the scope, schedule, or fee based on current conditions.

Reimbursable Costs: Reimbursable costs include but are not limited to, reproduction costs, courier service, overnight deliveries, mileage, and telephone/fax. Reimbursable costs will be charged at actual cost plus five percent (5%). Professional Subcontractors (whose expertise is required to complete the project) will be charged at actual costs plus an administrative charge of ten percent (10%) and shall be itemized and included in the invoice.

Invoice Procedures and Payment: S.E. Civil, LLC will prepare invoices on a monthly basis. For Services provided on a Lump Sum basis, the amount of each monthly invoice shall be determined on the "percentage of completion method" whereby S.E. Civil, LLC will estimate the percentage of the total Services accomplished during the invoicing period. Monthly invoices shall include, separately listed, any charges for service for which time charges and/or unit costs apply. Such invoices shall also include, separately listed, any charges for Professional Subcontractors and reimbursable costs. S.E. Civil, LLC shall submit such invoices as soon as possible after the end of the month in which Services were accomplished and shall be due and payable by the Client upon receipt.

The Client, as owner or authorized agent for the owner, hereby agrees that payment will be made for said services within thirty (30) days from the date of the invoice; and, in default of such payment, hereby agrees to pay all costs of collection, including reasonable attorney's fees, regardless of whether legal action is initiated. The client hereby acknowledges that unpaid invoices shall accrue interest at eighteen percent (18%) per annum after they have been outstanding for over thirty (30) days. If an invoice remains unpaid sixty (60) days after the date of the invoice, S.E. Civil, LLC may, upon giving seven (7) days written notice of its intent to do so, suspend all Services on the Client's project. This suspension shall remain in effect until all unpaid invoices are paid in full. If an invoice remains unpaid ninety (90) days after the date of the invoice, S.E. Civil, LLC may, upon giving seven (7) days written notice of its intent to do so, terminate this Agreement and pursue its remedies for collection.

Cost Estimates: Client hereby acknowledges that S.E. Civil, LLC cannot warrant that estimates of probable construction or operating costs will not vary from actual costs incurred by the Client.

Limit of Liability: The limit of liability of S.E. Civil, LLC to the Client for any cause or combination of causes resulting from the Services hereunder rendered, shall be, in total amount, limited to the fees paid under this agreement.

Construction Administration: If, under this agreement, professional services are provided during the construction phase of the project, S.E. Civil, LLC shall not be responsible for or have control over means, methods, techniques, sequences, or procedures; or for safety precautions and programs in connection with the Work. Nor shall S.E. Civil, LLC be responsible for the Contractor's failure to carry out the Work in accordance with the Contract Documents or for Contractor's failure to comply with applicable laws, ordinances, rules or regulations. Under no circumstances will S.E. Civil, LLC have any direct contractual relationship with the contractor, any subcontractors or material suppliers.

Assignment: Neither the Client nor S.E. Civil, LLC will assign or transfer its interest in this Agreement without the written consent of the other. S.E. Civil, LLC, however, does reserve the right to subcontract any portion of the Services.

Suspension, Termination, Cancellation, or Abandonment: In the event the Project described in, or the Services of S.E. Civil, LLC called for under this Agreement, is/are suspended, canceled, terminated, or abandoned by the Client, S.E. Civil, LLC shall be given seven (7) days prior written notice of such action and shall be compensated for Services provided up to the date of suspension, termination, cancellation, or abandonment including reimbursable expenses in accordance with the provisions of this Agreement.

Entirety of Agreement: This Agreement embodies the entire Agreement and understanding between the parties, their successors and assigns hereto, and there are no other agreements and understandings, oral or written, with reference to the subject matter hereof that are not merged herein and superseded hereby. No alternation, change, or modification of the terms of this Agreement shall be valid unless made in writing and signed by both parties hereto. The laws of the State of Alabama shall govern this Agreement unless specifically stated otherwise. This Agreement includes this document.

Hold Harmless: The Client will hold harmless and indemnify S.E. Civil, LLC, its officers, directors, partners, employees, agents and consultants from and against, any costs, losses and damages (including but not limited to reasonable fees and charges of engineers, architects, attorneys, and other professionals and reasonable court or arbitration or other dispute resolution costs) caused solely or in part by the clients' negligent acts or omissions or anyone employed by the client with respect to the work referenced in this agreement.

In Witness Whereof, this Agreement, which is subject to the General Terms and Conditions is accepted on the later date written below.

Re: **Greensheet/City Council agenda to approve the award of BID 028-21 Materials Bid for Masonry and Concrete Work for ADA Compliance Project**

The City has need to make changes and improvements to the Stadium including upgrading the ADA features as required. Due to the unstable pricing of items for construction of any kind, a materials bid was put forth.

Kimberly Creech
City Treasurer

A materials bid was issued on May 20, 2021 was emailed to several suppliers, posted to the Website for the City of Fairhope and viewed by 73 of 302 e-notifications, and advertised in the Mobile Press and in the Public Utilities Building lobby. The BID which opened on June 3, 2021, received one response for the Steel items. There was no bid submitted for the brick/ masonry items.

The Director of Public Works recommends the award be made to Bay Steel Corporation of Mobile, AL in the amount of **TWENTY—TWO THOUSAND TWO HUNDRED SEVENTY-FOUR DOLLARS (\$22,274.00)** for their bid for the steel items as requested.

Please prepare a greensheet and place on the next City Council Agenda this request to award BID 028-21 Materials Bid for Masonry and Concrete Work for ADA Compliance Project to Bay Steel Corp. in the amount of \$22,274.00.

Re: **Requesting greensheet and approval by Council to award unbudgeted Bid 026-21 New Scoreboard—Video Message Board for City Stadium**

The Parks and Recreations Director, Pat White, is requesting the procurement of a new scoreboard and video board for the City's stadium, to be funded through various sports groups, as well as the City.

This is an unbudgeted item that will be an asset to the City for community and sports events. **Bid 026-21 New Scoreboard—Video Message Board for City Stadium** was properly advertised and sent to numerous companies that sell and erect message/scoreboards and was posted on the website for the City of Fairhope. We received three responsive bids. **The Lowest was the responsive bid was from ELECTRO MECH for TWO HUNDRED TWENTY-NINE THOUSAND NINE HUNDRED FORTY DOLLARS (\$226,940.00).**

Please place on the next City Council Agenda this request to award Bid No. 026-21 New Scoreboard—Video Message Board for City Stadium, to ELECTRO MECH in Wrightsville, GA 31096

Dear City of Fairhope Parks and Recreation:

Fairhope High School will commit \$176,000 to be paid over a five-year period in participation with the city of Fairhope.

The installments will be paid from Fairhope High School on August 3rd of each year (or the business day following that date if on a non-business day). Each payment will be \$35,000 per year, with the exception of one year payment totaling \$36,000.

This letter will serve as our commitment to honoring this purchase.

As always, we appreciate our partnership with the City of Fairhope.

Sincerely,

Jon Cardwell
Principal

Re: Greensheet/City Council agenda to approve the award of BID 022-21 Nix Center Repair and Replace Asphalt Roof Shingles—FEMA 4563 that was damaged by Hurricane Sally (FEMA 4563)

The roof of the JP Nix Center was damaged during Hurricane Sally and the Public Works Director, Richard Johnson, has requested bids for its repair. The damage that occurred was on or about September 15, 2020 when Hurricane Sally (FEMA4563) hit the Alabama coast and Mobile Bay.

A bid was issued on May 5, 2021 for the roof repair and was emailed to 7 contractors, posted to the website for the City of Fairhope, as well as multiple state agencies for MBE and DBE consideration, advertised in the Mobile Press and in the Public Utilities Building lobby. The BID which opened on May 26, 2021, received three responses.

The Director of Public Works recommends the award be made to the lowest bid from **VON Electric General Contractors, LLC**. in the amount of **ONE HUNDRED TWENTY THOUSAND DOLLARS (\$120,000.00)**.

Please prepare a greensheet and place on the next City Council Agenda this request to award BID 022-21 Nix Center Repair and Replace Asphalt Roof Shingles—FEMA 4563, damage that occurred during Hurricane Sally (FEMA 4563) to VON Electric General Contractors, LLC. in the amount of \$120,000.00.

Re: Requesting Greensheet and City Council approval to award **Bid No. 018-21 City-wide Concrete Work, Curbing, ADA Ramps, Inlets & Structures**

Lisa A. Hanks, MMC
City Clerk

The Director of Public Works, Richard Johnson, and the Utilities have requested various types of smaller concrete work to be bid on an annual basis.

Bid No. 018-21 City-wide Concrete Work for Sidewalks, Curbing, ADA Ramps, Inlets, & Structures was issued on April 29 2021 to multiple vendors and opened on May 26, 2021, 1:00 PM. 8 of 306 vendors viewed the bid, and the City received 1 response. The bid was properly advertised, emailed and listed on the City's website. The pricing will be for one year, with possible two one-year extensions if both parties agree.

Kimberly Creech
City Treasurer

A Tabulation and Recommendation was composed (see attached). The Director of Public Works recommends award be made to **Parten Smith Inc** of St. Elmo, AL, the lowest responsive and responsible bidder, for the amounts listed on the bid tabulation attached.

Please construct a greensheet and place on the next City Council Agenda this request to award Bid No. 018-21 City-wide Concrete Work, Curbing, ADA Ramps, Inlets & Structures to Parten Smith Inc, for as needed work for the Public Works and Utilities Departments in the amounts listed on the bid tabulation.

Re: **Greensheet and City Council approval for budgeted procurement for Bid No. 014-21 Six (6) Overhead Doors for Fire Station #3**

Lisa A. Hanks, MMC
City Clerk

The Fire Department needs to purchase six (6) overhead doors. **Bid No. 014-21 Six (6) Overhead Doors for Fire Station 3 (at the Airport)** was issued on April 23, 2021. Responses were received and publicly opened on May 17, 2021.

Kimberly Creech
City Treasurer

The Bid was properly advertised, posted to the City's website, and sent to numerous vendors. Two responsive and one non-responsive bids were received. The recommendation by the Fire Department is to award to **Bailey Door, Inc.**, as the lowest responsive bidder with a bid of **FORTY THOUSAND THIRTY-EIGHT DOLLARS (\$40,038.00)** for the 6 doors.

The line item 50475 of FY 2021 was budgeted in the amount is \$42,642.00

Please prepare a greensheet and place on the next available City Council agenda this recommendation to award Bid No. 014-21 Six (6) Overhead Doors for Fire Station #3 to Bailey Door, Inc. in the quoted amount of \$40,038.00

Re: Greensheet/City Council agenda to approve the over \$15,000 Public Works project to rebuild greens on holes # 6 and #9 of Quail Creek Golf Club

The Director of Golf, Bobby Hall, is requesting approval to resurface two greens—one at Hole # 6 and one at Hole #9. This is a specialized public works project requiring a vendor that is trained in the construction of Golf Greens and greens maintenance.

This Public Works project was estimated at under \$50,000, and Three + Quotes were solicited. TWO quotes were 'no quotes', and ONE was a responsive Quote for approximately Nineteen Thousand Eighty dollars(\$19,080.00).

The Director of Golf recommends the award be made to **SUR-LINE TURF, Inc.** for \$1.59 per square ft for the approximate 12,000 square feet of resurfacing in the estimated amount of approximately TWENTY THOUSAND DOLLARS (\$20,000.00).

Please prepare a greensheet and place on the next City Council Agenda this request to approve and award the rebuilding of Hole #6 and Hole #9 in the estimated amount of \$20,000.00.

RE: Resurfacing Greens

Sur-Line Turf offers the following for resurfacing two greens at Quail Creek Golf Course:

Resurfacing of 2 Greens: (Approximately 12,000 Square Feet)

*Green surfaces sprayed with Glyphosate and Fusillade by owner prior to project start up.

1. Remove approximately 2 inches of existing turf from approximately 12,000 sq. ft. of green surfaces with sod cutter and dispose of on site.
2. Float green surfaces to soften contours as needed and to improve surface drainage.
3. Spread 2 inches of clean sand on green surfaces. (Approximately 108 tons)
4. Rotovate to incorporate sand into green profiles approximately 6 inches deep.
5. Laser grid green surfaces to maximize pinnable area and ensure positive surface drainage.
6. Float green surfaces to prep for planting.
7. Plant green surfaces with Tifdwarf bermuda grass sprigs at a rate of 30 bushels per 1,000 square feet.

Sur-Line Turf can complete the above for \$1.59 per square foot, plus \$2,000.00 mobilization. All the above prices are plus any applicable taxes. Unit prices prevail.

Thank you for allowing us to provide this proposal. If you have questions or need additional information, call us at 205-333-1776.

Sincerely,

Re: **Greensheet --CC Approval procurement of budgeted request for ONE (1) 2021—F250 Crew Cab (Extended) 4X4 Truck and Utility Body for the Water Department**

Lisa A. Hanks, MMC
City Clerk

The Water and Sewer Department Superintendent, Jason Langley, is requesting procurement of **ONE (1) 2021 -- F250 Crew Cab 4X4 Truck and Service Body**. The Water and Sewer budgeted amount is \$85,000 for two trucks. Best pricing is from the **State of Alabama, Vehicle Contract T193-A MA999 200000000114** through **STIVER'S FORD LINCOLN** in Montgomery, AL.

The quote for ONE (1)) 2021-- F250 Crew Cab 4X4 Truck and Service body includes delivery fee of approximately \$270. The estimated cost of the truck and body plus required options is **FORTY-ONE THOUSAND FOUR HUNDRED FIFTY DOLLARS (\$41,450.00)**.

The State contract vendor is **STIVER'S FORD LINCOLN in Montgomery, AL**.

NOTES:

See Attached Vendor CUT-SHEET printout for details.
Delivery/pickup: this is in stock-- 3-4 weeks ARO

Please compose a greensheet and place on the next available City Council Agenda this request to approve budgeted procurement for one (1)) 2021-- F250 Crew Cab 4X4 Truck and Service body, from STIVER'S FORD LINCOLN in Montgomery, AL, for the Water and Sewer Dept for an estimated amount of \$41,450.00.

Subject: truck purchase request
Attachments: Purchasing Request Stivers.docx; Untitled.PDF

Please see attached purchase request.

Can I please get this on council agenda for the June 14th. I wouldn't ask but we are down two truck currently and I have one person working out of a car. I would not ask if it was not a true need for our department. We have been trying to find trucks for months. I can assure you this was not done at the last minute. Any help would be most appreciated.

RESOLUTION NO. _____

BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF FAIRHOPE, ALABAMA, that the City of Fairhope approves the request from Sarah Fischer, Site Director of Prism United Fairhope, to hold a Chalk Event on the sidewalks in South Beach Park on Saturday, June 25, 2021 from 5:00 p.m. to 8:00 p.m.; and to put up a table to provide information about its program, distribute flyers and buttons, and provide chalk and water. Prism United Fairhope is dedicated to serving the needs of the LGBTQ+ youth of Fairhope and the surrounding areas.

ADOPTED THIS 14TH DAY OF JUNE, 2021

Jack Burrell, Council President

Attest

Lisa A. Hanks, MMC
City Clerk

PRISM UNITED

Find Community. Be Yourself.

Thursday, May 27, 2021

Re: Proposed use of sidewalks for June 25th, 2021

Dear City Council of Fairhope,

I am writing to request use of public sidewalk space for a chalk event to be sponsored by Prism United Fairhope. I have included what I believe is all relevant information below. I would be happy to provide any additional information as needed on or before the June 14th Council Meeting.

Sincerely,

Sarah Fischer,
Site Director
Prism United Fairhope

- Requesting Party:
 - Sarah Fischer, Site Director of Prism United Fairhope
- Contact Info:
 - sarahfischer@prismunited.org
 - 901-409-4262
 - P.O. Box 834 Fairhope, AL 36533
- Requested Date:
 - Saturday, June 25th, from 5:00 p.m. – 8:00 p.m. (time can be adjusted as needed)
- Requested Location:
 - Sidewalks around Municipal Park
 - ✓ Sidewalks in South Beach Park
 - Sidewalks in Utopia Park
 - Sidewalks at the corner of Church St. and De La Mare

PRISM UNITED

Find Community. Be Yourself.

- **Requested Use:**
 - Prism United Fairhope would like to invite Fairhope community members to join them in decorating the sidewalks (in the area approved and designated by Council) with chalk to celebrate Pride and the LGBTQ community of Fairhope and the surrounding areas.
 - Prism United Fairhope would also plan to set up a standard folding table (approx. 3' x 6') adjacent to the chalking area at which to provide information about its programs, distribute flyers and buttons, and provide chalk and water.
- **Further Information/Attachments/Links**
 - Prism United Fairhope, a chapter of Prism United, is dedicated to serving the needs of the LGBTQ+ youth of Fairhope and the surrounding areas.
 - Further information about Prism United Fairhope can be found at <https://prismunited.org>
 - Please find attached photos of last year's Pride participation during the city's Chalk the Walk event. Though that group participation was sponsored under the umbrella of Rainbow Mobile, the event was organized and run by Sarah Fischer, Site Director of Prism United Fairhope, who is filing this request.

PRISM UNITED

SENT FROM AN EXTERNAL ADDRESS

Lisa, Kim,

Can we get this on the next council agenda for which we have the opportunity (start jumping through the hoops). As with all of our other vehicle orders, this is going to take quite a while to receive – definitely into next budget year, but we need to order ASAP. We have already discussed the funding. (Kim, let's make sure the Impact fees are not expiring before this Oct. 1.

I'm pretty sure the truck is on the state bid list – that is what I was told.

Let me know what details you need as I am going to assume you probably need a little more detail.

Thank you!

Jack

Subject: FVFD Squad 2 Project

SENT FROM AN EXTERNAL ADDRESS

Good afternoon sir,

Attached is the spreadsheet on the Squad 2 vehicle that the FVFD would like to purchase using IMPACT fee money. The vehicle is off of state contract but the other equipment would be bought from local vendors. As you know the chip shortage on vehicles has this pushed out to the end of the year if we were to order now. Please let me know if there is anything else you need from us.

Respectfully,

Dalton Combs
Assistant Chief
Fairhope Vol. Fire Dept.

RESOLUTION NO. _____

BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF FAIRHOPE, ALABAMA, as follows:

[1] That the City of Fairhope has voted to procure a Replacement Chiller Unit for the Fairhope Public Library with a 90T York Air Cooled Chiller; and the equipment is available for direct procurement through the NCPA Cooperative which has been nationally bid; and therefore, does not have to be let out for bid with a cost of \$88,125.25.

Adopted on this 14th day of June, 2021

Jack Burrell, Council President

Re: **Council Approval and Greensheet – for replacement Chiller Unit in Library**

The Building Maintenance Departments has need to replace the Chiller Unit at the Library. The Current unit is a TRANE, and the replacement will be a YORK Chiller Unit.

Quotes were obtained for a TRANE replacement, and a new replacement Unit from YORK, through a Purchasing Group. The lowest quote was from Johnson Controls, Inc. through **NCPA Contract #02-55, for EIGHTY-EIGHT THOUSAND ONE HUNDRED TWENTY-FIVE DOLLARS AND TWENTY-FIVE CENTS (\$88,125.25)**

Please place on the next available City Council Agenda this request for Approval of procurement of replacement chiller unit for Library from Johnson Controls, Inc through NCPA Cooperative contract

Re: Annual Renewal of NCPA contract #02-55

Dear Andrew:

Region XIV Education Service Center is happy to announce that Johnson Controls, Inc. has been awarded an annual contract renewal for HVAC Equipment, Installation, Service & Related Products in Alabama based on the proposal submitted to Region XIV ESC.

The contract will expire on August 31st, 2022, completing the fourth year of a possible five-year term. If your company is not in agreement, please contact me immediately.

If you have any questions or concerns, feel free to contact me at 325-675-8600.

Sincerely,

Project: Fairhope Public Library Chiller
Change Out

Richard Johnson

Executive Summary:

Johnson Controls is pleased to have the opportunity to propose this project. Johnson Controls was asked to provide a turn-key solution for replacing an existing 90 ton Trane Air Cooled Chiller. The existing chiller is having issues with the coil being in poor condition and the compressors failing. This is leading to high head pressure which causes the chiller to shut down and not perform to its capabilities and creates higher repair cost.

The new York or Trane chiller will have separate controls built into them. However, in the near future, it is our recommendation to upgrade the controls on the overall library for an overall view of the HVAC equipment at the library and potentially the whole city. **The controls upgrade with remote monitoring capability would allow a Johnson Controls certified technician to diagnose and view any alarms directly from their smartphone device. This would drastically eliminate or reduce any down time on any equipment.**

Using the buying influence, NCPA, we propose this project with two different prices based on which chiller is chosen by the customer to install. This presents two options between a York 90T Air

Cooled Chiller, and a Trane 90T Air Cooled Chiller. Both options are like for like replacements but the York chiller would require a little more piping. The NCPA contract number can be given at the time of award.

Scope of Work:

Johnson Controls will execute this project during the week at normal labor rates. Johnson Controls will provide the following materials and execute the following:

- 90T Air Cooled York Chiller, 90T Air Cooled Trane Chiller- Options given for customer preference- **All chiller options are high efficiency and with coated coils. Also, chillers are all priced with 10 year parts and labor warranty.**
- Crane with spreader bar for hoisting and rigging
- Piping for new chiller
- Butterfly Valves
- Insulation of new chiller piping

Electrical connections are expected to be like for like, therefore there is no cost built in for an electrician. If, connections are not like for like and an electrician is required, Johnson Controls will contract this trade with a change order.

The existing controls to the existing chiller will function with the new chiller. A chiller upgrade is recommended at a different cost or project. A controls upgrade with remote monitoring would give Johnson Controls the ability to diagnose and view the chillers using their smart device. **The technician could view any alarms and prepare for any necessary repairs prior to making a site visit.**

Project Pricing:

- **Option 1: 90T York Air Cooled Chiller- \$88,125.25**
 - **Model- YLAA0092**
 - **Priced with Louvered Panels and Isolation Valves**
 - **10 Year Warranty on Parts and Labor**
 - **Refrigerant Warrant Included- 18 Months**
 - **MCHX Warranty: 66 Months (5 Year) (Parts Only)**
 - **BACnet Connectivity**

- **Option 2: 90T Trane Air Cooled Chiller- \$131,565.51**
 - **Model- CGAM90**
 - **Priced with Louvered Panels and Isolation Valves**
 - **10 Year Warranty on Parts and Labor**
 - **1 Year Refrigerant Warrant**

5	58.3	93	92	88	88	84	83	78	74	90
6	55.0	90	89	85	85	81	80	75	71	87

Note: Unit is equipped with Low Sound Fans.

Measurement of sound pressure used to obtain the sound power data presented is based on AHRI-370.

Air-cooled chillers are rated in terms of sound power not sound pressure. Johnson Controls provides estimates of sound pressure, but this is not the rating metric.

For an air-cooled chiller, sound pressure calculated from sound power varies depending on how the chiller is assumed to behave, i.e. the radiation model. In other words, determining sound pressure from sound power requires making assumptions that result in different answers at a given distance from the chiller. The environment also influences sound pressure in the field installation. Sound pressure estimation radiation models pertaining to air-cooled chillers include the 'traditional' hemispherical model, parallelepiped model and equivalent hemispherical model.

Regarding sound power, Johnson Controls references tolerance limits based on ASHRAE guidelines. These are +/- 6dB in the 63Hz octave band, +/- 4dB in all other octave bands and +/- 3dB for the overall dBA.

Tolerance limits are based on uncertainties associated with:

1. Measurement Test Procedure
2. Repeatability
3. Production / Manufacturing Variability

Standard deviation associated with air-cooled chiller sound data is a measure of spread i.e. it indicates the range of probability of sound levels. Note that for operating conditions other than AHRI's Standard Rating Condition, higher levels of uncertainty can be expected.

Lead times for factory performance testing depend on test laboratory availability. Please confirm with Johnson Controls Customer Service.

TERMS AND CONDITIONS

By accepting this proposal, Purchaser agrees to be bound by the following terms and conditions:

1. **SCOPE OF WORK.** This proposal is based upon the use of straight time labor only. Plastering, patching and painting are excluded. "In-line" duct and piping devices, including, but not limited to, valves, dampers, humidifiers, wells, taps, flow meters, orifices, etc., if required hereunder to be furnished by Johnson Controls, Inc. (hereinafter referred to as JCI), shall be distributed and installed by others under JCI's supervision but at no additional cost to JCI. Purchaser agrees to provide JCI with required field utilities (electricity, toilets, drinking water, project hoist, elevator service, etc.) without charge. JCI agrees to keep the job site clean of debris arising out of its own operations. Purchaser shall not back charge JCI for any costs or expenses without JCI's written consent unless specifically noted in the statement of the scope of work or services undertaken by JCI under this agreement, JCI's obligations under this agreement expressly exclude any work or service of any nature associated or connected with the identification, abatement, clean up, control, removal, or disposal of environment Hazards or dangerous substances, to include but not be limited to asbestos or PCSs, discovered in or on the premises. Any language or provision of the agreement elsewhere contained which may authorize or empower the Purchaser to change, modify, or alter the scope of work or services to be performed by JCI shall not operate to compel JCI to perform any work relating to Hazards without JCI's express written consent.
2. **INVOICING && PAYMENTS.** JCI may invoice Purchaser monthly for all materials delivered to the job site or to an off-site storage facility and for all work performed on-site and off-site. Ten percent (10%) of the contract price is for engineering, drafting and other mobilization costs incurred prior to installation. This 10% shall be included in JCI's initial invoice. Purchaser agrees to pay JCI the amount invoiced upon receipt of the invoice. Waivers of lien will be furnished upon request as the work progresses to the extent payments are received. If JCI's invoice is not paid within 30 days of its issuance, it is delinquent.
3. **MATERIALS.** If the materials or equipment included in this proposal become temporarily or permanently unavailable for reasons beyond the control and without the fault of JCI, then in the case of such temporary unavailability, the time for performance of the work shall be extended to the extent thereof, and in the case of permanent unavailability, JCI shall (a) be excused from furnishing said materials or equipment, and (b) be reimbursed for the difference between the cost of the materials or equipment permanently unavailable and the cost of a reasonably available substitute therefore.
4. **WARRANTY.** JCI warrants that the equipment manufactured by it shall be free from defects in material and workmanship arising from normal usage for a period of ninety (90) days from delivery of said equipment, or if installed by JCI, for a period of ninety (90) days from installation. JCI warrants that for equipment furnished and/or installed but not manufactured by JCI, JCI will extend the same warranty terms and conditions which JCI receives from the manufacturer of said equipment. For equipment installed by JCI, if Purchaser provides written notice to JCI of any such defect within thirty (30) days after the appearance or discovery of such defect, JCI shall, at its option, repair or replace the defective equipment. For equipment not installed by JCI, if Purchaser returns the defective equipment to JCI within thirty (30) days after appearance or discovery of such defect, JCI shall, at its option, repair or replace the defective equipment and return said equipment to Purchaser. All transportation charges incurred in connection with the warranty for equipment not installed by JCI shall be borne by Purchaser. These warranties do not extend to any equipment which has been repaired by others, abused, altered or misused, or which has not been properly and reasonably maintained. THESE WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THOSE OF MERCHANTABILITY AND FITNESS FOR A SPECIFIC PURPOSE
5. **LIABILITY.** JCI shall not be liable for any special, indirect or consequential damages arising in any manner from the equipment or material furnished or the work performed pursuant to this agreement.
6. **TAXES.** The price of this proposal does not include duties, sales, use, excise, or other similar taxes, unless required by federal, state or local law. In addition to the stated price, purchaser shall pay all taxes not legally required to be paid by JCI or, alternatively, shall provide JCI with acceptable tax exemption certificates. JCI shall provide Purchaser with any tax payment certificate upon request and after completion and acceptance of the work.
7. **DELAYS.** JCI shall not be liable for any delay in the performance of the work resulting from or attributed to acts or circumstances beyond JCI's control, including, but not limited to, acts of God, fire, riots, labor disputes, conditions of the premises, acts or omissions of the Purchaser, Owner or other Contractors or delays caused by suppliers or subcontractors of JCI, etc.
8. **SCHEDULE.** JCI and Purchaser shall mutually agree upon a schedule for completion of the work. In the event Purchaser desires to change or accelerate the schedule or the schedule is otherwise accelerated, delayed, or impacted for reasons beyond the control of JCI, JCI shall be entitled to a change order equitably adjusting the compensation of JCI to account for the increased costs associated with such schedule changes.
9. **DISPUTES.** All disputes involving more than \$15,000 shall be resolved by arbitration in accordance with the rules of the American Arbitration Association. The prevailing party shall recover all legal costs and attorney's fees incurred as a result. Nothing here shall limit any rights under construction lien laws.
10. **INSURANCE.** Insurance coverage in excess of JCI's standard limits will be furnished when requested and required. No credit will be given or premium paid by JCI for insurance afforded by others.

11. INDEMNITY. The Parties hereto agree to indemnify each other from any and all liabilities, claims, expenses, losses or damages, including attorneys' fees, which may arise in connection with the execution of the work herein specified and which are caused, in whole or in part, by the negligent act or omission of the Indemnifying Party.

12. OCCUPATIONAL SAFETY AND HEALTH. The Parties hereto agree to notify each other immediately upon becoming aware of an inspection under, or any alleged violation of, the Occupational Safety and Health Act relating in any way to the project or project site.

13. LEGAL FEES. Purchaser agrees to pay and reimburse JCI for any and all reasonable legal fees which are incurred by JCI in the collection of amounts due and payable under this Agreement.

14. ENTIRE AGREEMENT. This proposal, upon acceptance, shall constitute the entire agreement between the parties and supersedes any prior representations or understandings.

15. CHANGES. No change or modification of any of the terms and conditions stated herein shall be binding upon Johnson unless accepted by Johnson in writing.

SUMMARY

Twenty five years of increasing responsibility in sales, account management, customer marketing and small business ownership. Extensive experience in leading employees. Responsible for developing strategic business plans including sales and profit forecasts, P&L responsibility, marketing, capital and operating resource allocation. Minority owner/operator of new vehicle dealerships (Chevrolet & Hyundai) with sales in excess of \$47 million. Proven leadership, negotiating, problem-solving, analytical, verbal and written communication skills give me a competitive advantage that will make an immediate contribution to any organization.

PROFESSIONAL EXPERIENCE

Bay Climate Control LLC, April 2015 to December 2016
Owner/Operator, Alabama Gulf Coast area

- Lead air conditioning and refrigeration company. Motivate employees to perform to their highest level through leading by example, positive interactions and high expectations.
- Responsible for managing cash flow, working capital, earnings and expenses.
- Improved profits in 2015 and 2016 by 40%. SDE profit margin of 34% vs. an industry goal of 25%.
- Grew revenue by 32% in 20 months of ownership.
- Grew revenue by growing the customer base, increasing average work order amount and developing a reoccurring revenue model.

Chuck Stevens Automotive, April 2004 to December 2014
Vice President of Operations/Minority Owner, Atmore and Bay Minette, AL; Gautier, MS

- Assisted in creating and implementing Chuck Stevens Automotive's unique brand, differentiating our dealership from our competition. Success is built on four key strategies: our employees, brand identity, advertising strategy and community involvement.
- Lead dealership in daily operations, including managing 140 employees in sales, parts, service, accounting, and support staff. Motivate employees to perform to their highest level through leading by example, positive interactions and high expectations.
- Responsible for managing cash flow, working capital, earnings and expenses.
- Efficiently manage new and pre-owned inventory in excess of \$9 million resulting in maximum return on assets.
- Increased retail sales efficiency, which measures our performance vs. our competition. Our Ford and General Motors dealerships perform above 180% vs. our competitors, ranking us in the top five in Alabama.
- Improved profits in 2006, 2007 and 2008, exceeding \$1 million each year with a ROI of 33.2% vs. a regional average of 17.7%.
- Divested and consolidated automotive and recreational vehicle operations in 2009 when they became unprofitable as economic conditions changed. Saved the company \$300,000 in 2008 and 2009.
- Developed a productive employee base measured by an industry leading dollar sales per employee of \$69,566 vs. a group average of \$48,332.
- As minority owner/operator, assisted in leading dealership to our goal of becoming the largest seller of pre-owned vehicles in the state of Alabama in 2007 and 2008. Ford Motor Credit extended us their largest credit line to support our sales.

The Coca-Cola Company, Nashville, TN and Daphne, AL ***July 2001 to April 2004***
Business Development Manager, Southeast Area Sales, Coca-Cola USA Fountain

- Exceeded sales volume, profit and revenue objectives by 6%.
- Developed and executed comprehensive business plans utilizing cross functional team members to align customers' objectives and strategies with Coca-Cola Fountain's (CCF) resources to deliver profitable volume growth for all stakeholders within budget and planned schedule.
- Assessed, communicated and gained credit for the value that CCF brands, products and services add to customers' sales and profits resulting in the ability to sell against lower priced competitive offers while maintaining or improving CCF profit margins.
- Successfully sold cumulative price increases higher than CPI to 100% of my customers resulting in \$500,000 in incremental revenue.

AT&T, Atlanta, GA ***January 2001 to July 2001***
Business Manager, Mega Region, AT&T Business Services, Atlanta, GA

- Developed and implemented a monthly stewardship process with Bass Hotels & Resorts to differentiate AT&T from lower priced competitors.
- Trained account team to develop business plans aligning AT&T products and technical resources with our customer's growth, cost and marketing objectives.
- Developed and implemented a referral tracking process for five account executives resulting in \$1.2 million in new revenue.
- Trained client business managers, data sales and voice sales executives to effectively utilize AT&T sales funnel to increase revenue and sales.

The Coca-Cola Company, Atlanta, GA ***June 1996 to January 2001***
Area Account Executive II, Southeast Area Sales, Coca-Cola USA Fountain, Atlanta, GA

- Exceeded sales volume, profit and revenue objectives by 8%.
- Developed and operated within planned marketing, capital and operating budgets.
- Negotiated four new contracts with improved economic value added (EVA).
- 96% of customer contracts went to term realizing planned profit, revenue and sales volume.
- Lead customer in repositioning their brand resulting in an 8% increase in average unit sales.
- Lead operating team in the development of our mission, values and guiding principles.
- Liaison between The Coca-Cola Company and the Atlanta Olympic Committee to ensure prevalent presence of our brands at Olympic Stadium.
- Participated in the development of CCF's frozen carbonated beverage market positioning.
- Expanded CCF frozen brand exposure to 19 million young consumers in a strategic presence account.
- Developed and implemented Frozen Beverage University II training for account executives.

Ford Motor Company, Atlanta, GA and Memphis, TN ***January 1990 to June 1996***
Marketing Project Manager, Atlanta Region, Lincoln-Mercury Sales Division, Atlanta, GA, 6/95

- Developed and executed two new vehicle launches including a direct mail campaign, media purchases, salesperson training and a dealer human resource allocation model.
- Developed advertising strategies at the regional level that increased purchase intent among foreign car owners of Lincoln-Mercury products by 3%.
- Created an evaluation process to advise key dealerships on how to measure ROI, net profit, working capital, expense ratios and customer satisfaction against other top performing dealerships.
- Developed, presented and gained commitment from dealers for a product price increase generating an additional \$5.5 million in regional advertising.
- Managed and allocated a \$21 million regional advertising budget with an elected dealer council.
- Developed and executed two regional dealer incentive contests increasing retail sales by 7% and company wholesale by 8%.

Zone Manager, Lincoln-Mercury Sales Division, Memphis, TN and Atlanta, GA, 1/90

- Managed the second largest sales region in the country exceeding \$288 million in sales.
- Managed the highest gross profit sales region in the country exceeding \$98 million in gross profits.
- Increased sales by 11% vs. industry growth of 3% resulting in \$2.5 million in increased revenue.
- Developed business strategies (owner clinics, quarterly newsletters, repeat buyer incentives) that increased consumer loyalty by 6% to Lincoln-Mercury dealers.
- Evaluated three key dealers' sales, expense and profit margin results against other leading dealers and developed individual strategies to improve performance.
- Won national wholesale contest in 1991 and was runner-up in 1992.
- Awarded Zone Manager of the Month six times in two years based on retail and wholesale results.
