## Volunteer Spotlight

Betty Jo Busby has been a resident of Fairhope for 35 years. She raised 3 daughters, has 5 grandchildren, and 7 great grandchildren. Betty Jo can shoot skeet and was a trap member of the Winchester Rifle Range. She played golf at Quail Creek Golf Course for more than 16 years and was the first woman in the O.C.G.R. to have a hole in one. Prior to retirement, Betty sold fine jewelry at Goldstein's and then Brenny's. She is an active member of Fairhope First Baptist Church. Betty has been a volunteer at the Nix Center for 4 years.

### The City of Fairhope Grease Recycling Program

The City of Fairhope offers a grease recycling program that allows you to be part of the solution for a healthier wastewater system.

Did you know: grease is the cause of nearly 47% of blocked sewage overflows in the United States each year? Grease that is poured down drains can build up and eventually cause a blockage, leading to major problems within the system.

The City's grease recycling containers can be picked up at the City's Public Works building, City Hall, the James P. Nix Center and the Fairhope Recreation Center.

Filled containers can be put out curbside with your recycle bin!
