Volunteer Spotlight

Mary Jane and Dale Vines, high school sweethearts, were raised in Fairhope. They married and traveled extensively with the army for over 20 years. Dale taught school for 17 years after retiring from the army, and Mary Jane worked as a secretary at Fairhope Middle School for 12 years. They have 2 children and 2 grandchildren. They both volunteer at the Nix Center and are members of the Baldwin Senior Travelers and St. Lawrence Church. They enjoy playing cards, soccer, traveling, and outdoor activities.

The City of Fairhope Grease Recycling Program

The City of Fairhope offers a grease recycling program that allows you to be part of the solution for a healthier wastewater system.

Did you know: grease is the cause of nearly 47% of blocked sewage overflows in the United States each year? Grease that is poured down drains can build up and eventually cause a blockage, leading to major problems within the system.

The City's grease recycling containers can be picked up at the City's Public Works building, City Hall, the James P. Nix Center and the Fairhope Recreation Center.

Filled containers can be put out curbside with your recycle bin!

Birthday Bash

Wednesday, December 1 @ 10:30
