Question 2: When can we anticipate starting?

Answer2: The current projection is the Notice of Award to the Awarded Vendor the week of June 24<sup>th</sup>.

Question 3: How long do you expect the entire project to take?

Answer 3: The fencing project time allowance is sixty (60) calendar days.

Question 4: Do we have to use IDEAL or can we use an equivalent?

Answer 4: A City approved equivalent may be used. See Item VIII, Scope of Work and Specifications, sections 8.01.13 and 8.02.1.1.

Question 5: What do you estimate the cost to be for the fence?

Answer 5: This is an under \$50,000 Public Works Project. Estimates are from \$20,000.

#### **CLARIFICATION**

1. All fence lines will be trimmed as much as possible by City forces. Do not trim any trees or other flora without the Project Manager's approval.
2. All fencing will be installed in a manner that least affects remaining flora. Fence positioning, or re-positioning affecting flora, including digging fence post holes, and reshaping landscape to fit fencing or gates, must be pre-approved by the Project Manager.
3. Portions of the new fence will be offset from the location of the existing chain link fence and /or property lines. Please see accompanying drawing below.
4. Currently, clarification of the East fence line position is being composed, including a sketch. This will be distributed as Addendum No. 4.
