

**** NOTICE TO PLAYERS AND PATRONS AT QUAIL CREEK ****

Temporary Greens are in place on the Front Nine at:

Holes #1, #3, #9.

Hole #2: An 8" Diameter cup is in the middle of the existing green.

Temporary Greens will be cut into place on the Back Nine at

Holes #10, #12, #15 and #16.

All Temporary Greens have the 8" Diameter event cups installed!

Local Rule for putting:

Recommended: Automatic three (3) putt rule in effect.

All Temporary Greens:

Recommended: Automatic two (2) putt.

Greens Renovation Status: Our goal for the Golf Course Staff will be to save the following greens and rehabilitate them through the summer months: the practice chipping green, practice green at the tee at hole #10; holes: #4, #5, #6, #7, #8, #11, #13, #14, #17 and #18.

The Fairhope City Council and Mayor Sullivan have approved renovations for the following greens to begin upon completion of a **Public Bid Response**. Putting green adjacent to the clubhouse along with holes: #1, #2, #3, #9, #10, #12, #15 and #16.

Anticipating complete coverage and grown in by the middle to the end of August 2022.

Thank you for your patience!

Bobby Hall, Director of Golf

Tomm Johnson, Golf Grounds Manager
