

Celebrating 100 Years of Fairhope Education

Dear Fairhope High School Alumni and Friends,

On Saturday, **November 4**, we will be celebrating the 100th Anniversary of Fairhope High School! Fairhope High School, the City of Fairhope, and a group of alumni are planning events for that weekend to include a memorable athletic event with former players on Saturday morning and a party on Saturday night at the FEEF Pavilion behind the K1 Center with entertainment, food and the opportunity to have a reunion with your classmates. Also, on Friday, September 22, we have been invited to participate in the Homecoming Parade by having floats depicting the decades, starting with the 1920s.

A major part of this celebration will be the opportunity for individuals/families to purchase pavers to honor students, teachers, principals and staff who are/were associated with Fairhope schools K-12. Engraved 12" x 12" pavers are being offered for a \$125 donation. The City will place the pavers on the sidewalks in front and on the side of the 1926-1953 high school on Church Street—also known as the former K1 Center. The pavers may be engraved with up to 6 lines containing 17 characters per line, which would enable more than one person to share the cost of a paver. See the order form with examples. Forms need to be turned in by June 15, 2023 in order for the engraver to be able to deliver the pavers and the City to be able to install the pavers by **November 4**.

More details about the events and the paver project, including the forms, are available on the websites of Fairhope High School, the City of Fairhope (fairhopeal.gov and type FHS pavers) and the Baldwin County Board of Ed (www.bcbe.org/FHS100Anniversary).

During the next few months go to one of these websites to get updated information about the events!

Mary Louise Nelson
Retired teacher
251-928-7207

Lynn Miller Tate
Class of 68 & teacher 72-75
