Addendum 1

Bid No. 24-065

Citywide Tree Removal Annual Contract

Public Works Department

Addendum 1 contains clarifications, questions and answers submitted during the MANDATORY Pre-Bid Meeting held at 2:00 p.m. on Tuesday, September 17, 2024.

This bid will be opened at the City of Fairhope's City Services and Public Utilities Building, 555 South Section Street, Fairhope, AL 36532 at 2:00 PM on Tuesday, October 1, 2024. Vendors shall acknowledge this Addendum 1 on their submitted Bid Response Form.

Clarifications:

- The City has an existing Disaster Debris Removal contract to be used during and after a state of emergency has been declared (i.e., hurricanes). This contract will not be used in those circumstances.

Questions Submitted During the Pre-Bid Meeting:

1. Emergency Tree Removal – What if the conditions are not favorable to tree removal when the contractor is called (i.e., lightning, or electrical wires present)?
 - A. If the Contractor and the City determine that the work conditions are not safe for the Contractor during the "Emergency" time window, then the City will change the request to be a non-emergency and the tree removal will be scheduled when the work conditions are safe.
