Re: Fairhope Wastewater Treatment Plant Headworks Improvements – Bid No. 24-031
Contract No. Krebs - 23045

Dear Daryl:

Three (3) bids were received for the above-referenced project at 10:00 A.M., CDT, on September 11, 2024. However, only two bidders Taylor Corporation and J&P Construction bids were complete and submitted per the contract requirements of Bid No. 24-031. Robert J. Baggett, Inc. noted on their bid form that they did not include pricing for a required scope item, and therefore their bid was deemed incomplete. Robert J. Baggett, Inc.'s bid number is listed below for reference along with the completed bids from Taylor Corporation and J&P Construction. Note, that Alternate Bid Items No. 1 – No. 3 were not considered for the total bid amount. Alternate bid items No. 4 - No.7 are listed below and included in the total bid amount. The order of the bids received, beginning with the low bidder, was as follows:

CONTRACTOR	BASE BID	ALT. NO. 4 - 7
Taylor Corporation	\$4,711,507.50	\$102,000.00
Robert J. Baggett, Inc.	\$4,725,122.85	\$180,437.00
J&P Construction	\$4,884,600.00	\$73,000.00

Krebs has reviewed the bids and determined Taylor Corporation meets the requirements of the low, responsible, responsive bidder as outlined in the Contract Documents. Attached is a copy of the bid tabulation for your records.

Krebs recommends awarding the Fairhope Wastewater Treatment Plant Headworks Improvements contract to Taylor Corporation, Inc. for the low tendered bid amount of \$4,813,507.50.

Please contact us if there are any questions or comments.

Sincerely yours,

Krebs Engineering, Inc.
