

ADDENDUM NO.2
RFQ PS017-14
Professional Consulting Services
for
City of Fairhope Comprehensive Plan Update 2014

The bid documents for this Bid shall be amended, revised and changed in the following particulars:

Answers: from the Planning Department

Questions from potential responders:

Question 1:

I assume there will be a public hearing/approval process for the final plan component "Implementation." This is not specified in the RFQ as it is with the preceding plan components. Just wanted to confirm.

Answer 1:

Once the final plan is drafted, there will be a public hearing for the Planning Commission and the City Council to adopt the Plan.

Question 2:

However, just to be sure that I am interpreting it correctly, can you please confirm that you are not looking for a proposed project cost, but rather you would like to see our proposed total hours?

Answer 2:

Our Objective is to confirm that hours expended must occur within the deadlines without overrun. In the RFQ response, each respondee should confirm they can meet time milestones and deadlines as stated in the Scope of Work and Specifications.

Responders are to sign and include signed Addendum No.2 with submitted documents.
