

## Recycle Committee Meeting

May 12, 2015

Present: Nancy Anderson, Anna Miller, Mike Ford, Stephen Delahunty, Bart Cox, Joe McEnerney, Ralph Webster, Paula Hicks, Synthia Kaiser

Nancy called the meeting to order. Anna read the minutes from March and April. The minutes were approved as read.

Anna gave the committee an update on the visit to the City Council work session. She said the council seemed receptive to the single stream method and what our committee was trying to accomplish. She also gave a report on the survey about changing the time of our meetings. The two times that were the most favorable were Tuesdays at 4:00 p.m. and Thursdays at 4:00 p.m. After discussion, the committee decided to try the June meeting on Thursday the 11th at 4:00 to see if attendance improved.

Nancy gave us the latest on the "Fairhope: Then and Now" tote bag. There has been a delay, but the bags will be designed and sent to be printed. The Fairhope Museum wants to select the "then" pictures for the bag from their archives and Sherry Sullivan and her staff will select the "now" pictures. The delay seems to hinge on Recycle Committee not having funds with which to work.

No funds for our committee brought up a discussion about the committee presenting a budget to the council for the 2015-2016 year. This discussion will be continued at the June meeting.

The meeting adjourned until June 11.
