Question from potential bidder at the mandatory pre-bid meeting:

Question 1:

Are USL&H and Jones Act insurance required for this project?

Answer 1:

From an inquiry to the City's Insurance Consultant:

If the Contractor conducts work with equipment or personnel outboard of the seawall, USL&H (U.S. Longshore and Harbor Workers Compensation Act) insurance is required. If the Contractor conducts work off a vessel, Jones Act coverage is also required. If the Contractor conducts all work inboard of the seawall, neither is required.

Responders are to sign and include signed Addendum No.1 with submitted bid documents.
